Todd Graves, Tim O'Connor

Fix the Yips Forever Hank Haney, 2006 The teacher who works with Tiger Woods helps readers cure the yips--the frustrating problem that cause even the greatest players to miss short putts, jab chip shots over the green, or miss fairways by 80 yards off the tee. Photos throughout. 8-page color insert.

The Single Plane Golf Swing Todd Graves, Tim O'Connor, 2015-03-03 "Through this wonderful book, frustrated golfers can learn to swing like Moe [Norman] and improve their games." –Anthony Robbins, #1 New York Times–bestselling author The mysterious and reclusive genius Moe Norman is acknowledged as the best ball-striker in the history of golf by many of the game's greats. The Single Plane Golf Swing: Play Better Golf the Moe Norman Way reveals the secrets of the swing that enabled him to hit the ball solidly with unerring accuracy and consistency–every time. Norman's simple, efficient, and easily understood Single Plane Swing has improved the games of thousands of golfers. Golf professional Todd Graves, known as "Little Moe" and regarded as the world authority on Norman's swing, comprehensively teaches readers the mechanics, drills, and feelings of the Single Plane Swing that Moe called "The Feeling of Greatness." Graves shares Norman's brilliant insights and liberating approach to the game and demonstrates why the conventional "tour" swing is too complex and frustrating for the majority of amateurs. Illustrated with more than 300 photographs and written with Tim O'Connor, Norman's biographer, the book also engagingly tells Norman's bittersweet life

story and explores the teacher-student bond forged between Norman and his protégé Graves. "One of golf's greatest untold stories, Moe Norman's life illustrated a simple and powerful truth: greatness is built from practicing the right swing in the right way. In this book, Todd Graves has given us a blueprint for that swing, for those practice habits, and most of all for a process that builds success." –Dan Coyle, New York Times-bestselling author of *The Culture Code*

Putting Out Of Your Mind Dr. Bob Rotella, 2008-12-26 'You drive for show, you putt for dough'. This old saying is familiar to all golfers and Bob Rotella, one of the foremost authorities on golf today, is a firm believer in its truth. In *Putting out of Your Mind* he reveals the unique mental approach that great putting requires and helps golfers of all levels master this essential skill. Much like *Golf Is Not a Game of Perfect* and *Golf Is a Game of Confidence*, *Putting out of Your Mind* is a resonant and informative guide to achieving a better golf game. While most golfers spend their time trying to perfect their swing so they can hit the ball further, Rotella encourages them to concentrate on their putting, the most crucial yet overlooked aspect of the game. Great players are not only aware of the importance of putting, they go out of their way to master it. And of course mastery begins with an understanding of the attitude needed to be a better putter. Rotella's mental rules, which have helped some of the greatest golfers in the world to become champion putters can now work for golfers everywhere. With everything from

true-life stories from some of the greats to dozens of game-changing practice drills, Putting out of Your Mind is the new bible of putting, and is sure to bring about immediate results for anyone who plays the game.

Unconscious Putting Dave Stockton, Matthew Rudy, 2011-09-15 The Pro Tours' Hottest Coach (Golf Digest) reveals the secrets that helped Phil Mickelson win the 2010 Masters and can utterly transform every player's game. When a resurgent Phil Mickelson won the Tour Championship in September 2009, he was quick to credit a series of simple putting lessons from veteran golf champion and instructor Dave Stockton. As a top coach, Stockton has taught a long list of pro players-including Annika Sorenstam, Yani Tseng (winner of four LPGA tournaments), Adam Scott (Texas Open champion), Hunter Mahan (Phoenix Open champion), and Morgan Pressel (World Ladies Championship of Japan winner)-the putting strategies that finessed their game. Stockton's breakthrough concept is that every player has their own Signature Stroke, which is unconscious. Good putting comes from the mind, Stockton says, not from a series of stiff mechanical positions. With visualization, the right frame of mind, an efficient pre-putt routine, and connection to the individual internal stroke signature, any player can make far more putts. Putting has always been taught as an offshoot to the full swing, when in reality it is far different- almost a different game. Unconscious Putting will help players get out of the rigid, mechanical, overthinking trap. In Unconscious Putting, Stockton shows how players at every handicap level-from pros to weekend golfers-can putt

effortlessly and with confidence by integrating a new mental approach with a few simple physical routines that will keep them locked on target. Readers will also gain invaluable advice on reading greens and equipment. Illustrated throughout and filled with anecdotes about how Stockton's lessons have helped today's leading players, *Unconscious Putting* is a must-have golf book and a category classic-in-the-making.

SwingQuest Peter Finch, 2018-12-10 *SwingQuest* is PGA Coach Peter Finch's first coaching book! My Baby Got the Yips Richard Russell, 2014-07-03 He is not a pro golfer. Nor a successful amateur, or a respected writer on the game. He is not a golf commentator, or a caddie, or a gold guru, or a Dutch sports psychologist, or ageing, golf-playing light entertainer. No: Richard Russell is just an ordinary golfer. An under-achieving member of Sunningdale, whose only claim to fame is that he never, ever wears a sweater – not even in January. He plays of 6, which is the worst handicap anyone can have in golf: too low to win the handicap competition, too high to win the scratch ones. Consequently, his life is one of joint fifteenths and dusty mantelpieces. Part

autobiography, part theory, part book of golfing fun, *My Baby Got the Yips* is unlike any golf book you've ever read. It doesn't lift the lid on the Ryder Cup. It won't reveal the man behind the myth, and it doesn't go behind the scenes at the Majors. This playful memoir of a golfing nobody is concerned with much more interesting and rarely-ponders matters. For example: the best way to throw a golf club; the greatest golfer you've never heard of; the ten most marvellous golfing moments; the champion who became a hacker; the impossibleness of putting; the civilised splendour of the halfway hut, and the secret of golf. As you reach the end, you will conclude that this is a man who feels about golf the way that millions around the world do. Charming, funny and wise, *My Baby got the Yips* captures the essence of the game and touches everybody who plays it.

How to Play Your Best Golf All the Time Tommy Armour, 1995-05 Tommy Armour's classic *How to Play Your Best Golf All the time* provides advice and instruction on a variety of subjects. Going step-by-step through many aspects of golf technique, from teeing off to putting, Armour gives timeless advice - - accompanied by over four dozen illustrations.

Tour Tempo John Novosel, John Garrity, 2004-04-27 What swing secret is shared by nearly all golf greats – from Ben Hogan to Tiger Woods? John Novosel's revolutionary breakthrough has cracked the “genetic code” of the golf swing – *Tour Tempo*. Tiger Woods...Greg Norman...Ben Hogan. What secret do these and nearly all golf legends share? Identical swing tempo. John Novosel has

cracked the “genetic code” of the golf swing – and has derived a simple and effective system to teach it to golfers of all levels, from tour players to weekend warriors. This book includes a revolutionary instructional CD, featuring videos that illustrate exactly how to learn the tempo secrets of the tour pros, and a calibrated soundtrack that you can use while practicing at a driving range or in your living room. As an avid golfer and inventor, John Novosel studied film footage of the PGA greats, searching, along with countless others over the last century, for the key to what made certain golfers’ swings so effortless and powerful. Novosel made a startling discovery. Nearly every champion demonstrated identical time proportion in his or her swing, a common ratio between takeaway and downswing. Regardless of style or form, the winning tempo was always the same – Tour Tempo. In this breakthrough book, Novosel and Sports Illustrated senior writer John Garrity explain exactly how to achieve Tour Tempo. Through clear, step-by-step instruction, golfers are taught how to master two basic drills to synchronize their swings. Novosel’s technique has yielded rapid and tremendous improvement for players of every level –adding distance, automatically correcting typical swing problems, and noticeably shaving strokes off one’s game. TOUR TEMPO is a remarkable breakthrough – truly golf’s last secret finally revealed.

He has helped me numerous times and is very insightful about what it takes for every player to reach their full potential. -Mark Guhne- Three Time Southern Conference Coach of the Year “The practice ideas and tournament mental processes that Dr. Rob Bell reveals in this book are incredibly valuable to a player, coach, or parent. A must read,” for anyone looking to develop mental toughness.” –Randy Wylie- Golf Digest “Best Teachers in State” Mental Toughness Training for Golf illustrates how to maximize our preparation. Golf Beats Us All (and So We Love It) Joseph A. Amato, 1997 An extended reflection on the pleasures and wisdom of golf, *Golf Beats Us All* will satisfy the philosopher lurking in every avid golfer and make the golfer smarter and wiser about himself and his game. Author Joe Amato has long been fascinated by the myriad of pleasures offered by golf. And like any player,

he remains intrigued by the fact that golfers find such pleasure in a game that causes so much pain, wastes so much time, and whose outcome is of utter insignificance. He offers an intelligent and searching conversation that invites readers to think about their relation to a game that makes them angels and fools.

Master Golf...and You Master Life Itself Kurt Pugh, 2008-09 MY POETRY When I get inspiration I write poetry I write to express what's inside of me My imagination is as high as a leaf on a very tall tree Or it can be as low as the earth where the earthworms creep I write about some of the things that I see Because when I put my pen to the paper it is the only time that I am truly free Free to write out what I think about what I hear I write about some of my hopes and my fears I write about my laughter and my tears I write about my triumphs and my jeers Sometimes I can write about those for whom I deeply care Or I can write about those pretty honey-bun sistas with the beautiful ebony hair You know the ones that smell like the luscious lotions from Avon or Mary-Kay I get inspiration for poems almost every day I never know when it will hit me, whether it is at work or at play! Hi, my name is Eldon and I'd like you to come take a lyrical journey with me, from the light into spiritual darkness, and back into life. But not just any life but the life that only God can give. Come with me and experience my triumphs and failures, ups and downs, my light and my darkness, all on life's merry go round. You will experience my personal spiritual darkness and the power of

God's love and his redeeming light. Then come and witness the power of the tongue. We having the same spirit of faith, according as it is written, I believed, and therefore have I spoken; we also believe, and therefore speak; 2 Corinthians 4:13 KJV
