Beautiful World, Where Are You Sally Rooney,2021-09-07 #1 INTERNATIONAL AND NATIONAL BESTSELLER A NEW YORK TIMES NOTABLE BOOK ONE OF TIME'S MUST-READ BOOKS OF 2021 NAMED A BEST BOOK OF THE YEAR BY BUZZFEED, ESQUIRE, THE GUARDIAN, KIRKUS REVIEWS AND FINANCIAL TIMES “Beautiful World, Where Are You is Rooney’s best novel yet. Funny and smart, full of sex and love and people doing their best to connect.” —The New York Times Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he’d like to travel to Rome with her. In Dublin, her best friend Eileen is getting over a break-up and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they worry about sex and friendship and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

The Search for the Beautiful Woman Cho Kyo,2012-10-16 While a slender body is a prerequisite for beauty today, plump women were considered ideal in Tang Dynasty China and Heian-period Japan. Starting around the Southern Song period in China, bound feet symbolized the attractiveness of women. But in Japan, shaved eyebrows and blackened teeth long were markers of loveliness. For centuries, Japanese culture was profoundly shaped by China, but in complex ways that are only now becoming apparent. In this first full comparative history of the subject, Cho Kyo explores changing standards of feminine beauty in China and Japan over the past two millennia. Drawing on a rich array of literary and artistic sources gathered over a decade of research, he considers which Chinese representations were rejected or accepted and transformed in Japan. He then traces the introduction of Western aesthetics into Japan starting in the Meiji era, leading to slowly developing but radical changes in representations of beauty. Through fiction, poetry, art, advertisements, and photographs, the author vividly demonstrates how criteria of beauty differ greatly by era and culture and how aesthetic sense changed in the course of extended cultural transformations that were influenced by both China and the West.

In Search of a Beautiful Freedom: New and Selected Essays Farah Jasmine Griffin,2023-03-28 Named a Most Anticipated Book of 2023 by The Millions Lively, insightful writings on Black music, feminism, literature, and events from a “masterful critic and master teacher” (Walton Muyumba, Boston Globe). In Search of a Beautiful Freedom brings together the best work from Farah Jasmine Griffin’s rich forays on music, Black feminism, literature, the crises of Hurricane Katrina and COVID-19, and the Black artists she esteems. She moves from evoking the haunting strength of Odetta and the rise of soprano popular singers in the 1970s to the forging of a Black women’s literary renaissance and the politics of Malcolm X through the lens of Black feminism. She reflects on pivotal moments in recent American history—including the banning of Toni Morrison’s *Beloved*—and celebrates the intellectuals, artists, and personal relationships that have shaped her identity and her work. Featuring new and unpublished essays along with ones first appearing in outlets such as the New York Times and NPR, In Search of a Beautiful Freedom is a captivating collection that celebrates the work of “one of the few great intellectuals in our time” (Cornel West).

All the Beauty in the World Patrick Bringley,2023-03-16 'A beautifully written manual on how to appreciate art, and life' Tracy Chevalier, author of *Girl with a Pearl Earring* 'Wonderful' Natalie Haynes, author of *A Thousand Ships* A revelatory portrait of life in a great museum and the moving story of one guard's quest to find solace and meaning in art Millions of people climb the grand marble staircase into New York's Metropolitan Museum of Art every year. Patrick Bringley never thought he'd be one of them. But when his brother was diagnosed with fatal cancer he quit his journalism job, and sought peace in the most beautiful place he knew. To his surprise, this temporary refuge becomes his home away from home for a decade. Bringley enters the museum as a ghost, silent and almost invisible, but soon finds his voice and place among the lively subculture of museum guards. As his bonds with colleagues and the art grow, he learns how fortunate he is to be walled off in this little world and how much it resembles the best aspects of the larger world to which he gradually, gratefully returns. 'A beautiful tale about beauty. It is also a tale about grief, balancing solitude and comradeship, and finding joy in both the exalted and the mundane' Washington Post 'Consoling and beautiful' Guardian

Behind the Beautiful Forevers Katherine Boo,2012-02-07 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME’S TEN BEST NONFICTION BOOKS OF THE DECADE “Inspiring . . . extraordinary . . . [Katherine Boo] shows us how people in the most desperate circumstances can find the resilience to hang on to their humanity. Just as important, she makes us care.”—People “A tour de force of social justice reportage and a literary masterpiece.”—Judges, PEN/John Kenneth Galbraith Award ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times • The Washington Post • O: The Oprah Magazine • USA Today • New York • The Miami Herald • San Francisco Chronicle • Newsday In this breathtaking book by Pulitzer Prize winner Katherine Boo, a bewildering age of global change and inequality is made human through the dramatic story of families striving toward a better life in Annawadi, a makeshift settlement in the shadow of luxury hotels near the Mumbai airport. As India starts to prosper, the residents of Annawadi are electric with hope. Abdul, an enterprising teenager, sees “a fortune beyond counting” in the recyclable garbage that richer people throw away. Meanwhile Asha, a woman of formidable ambition, has identified a shadier route to the middle class. With a little luck, her beautiful daughter, Annawadi’s “most-everything girl,” might become its first female college graduate. And even the poorest children, like the young thief Kalu, feel themselves inching closer to their dreams. But then Abdul is falsely accused in a shocking tragedy; terror and global recession rock the city; and suppressed tensions over religion, caste, sex, power, and economic envy turn brutal. With intelligence, humor, and deep insight into what connects people to one another in an era of tumultuous change, *Behind the Beautiful Forevers*, based on years of uncompromising reporting, carries the reader headlong into one of the twenty-first century’s hidden worlds—and into the hearts of families impossible to forget. Only the Beautiful Susan Meissner,2023-04-18 A heartrending story about a young mother’s fight to keep her daughter, and the winds of fortune that tear them apart by the USA Today bestselling author of The Nature of Fragile Things and The Last Year of the War. California, 1938—When she loses her parents in an accident, sixteen-year-old Rosanne is taken in by the owners of the vineyard where she has lived her whole life as the vinedresser’s daughter. She moves into Celine and Truman Calvert’s spacious house with a secret, however—Rosie sees colors when she hears sound. She promised her mother she’d never reveal her little-understood ability to anyone, but the weight of her isolation and grief prove too much for her. Driven by her loneliness she not only breaks the vow to her mother, but in a desperate moment lets down her guard and ends up pregnant. Banished by the Calverts, Rosanne believes she is bound for a home for unwed mothers, and having lost her family she treasures her pregnancy as the chance for a future one. But she soon finds out she is not going to a home of any kind, but to a place far worse than anything she could have imagined. Austria, 1947—After witnessing firsthand Adolf Hitler’s brutal pursuit of hereditary purity—especially with regard to “different children”—Helen Calvert, Truman's sister, is ready to return to America for good. But when she arrives at her brother’s peaceful vineyard after decades working abroad, she is shocked to learn what really happened nine years earlier to the vinedresser’s daughter, a girl whom Helen had long ago befriended. In her determination to find Rosanne, Helen discovers that while the war had been won in Europe, there are still terrifying battles to be fought at home.

At the age of fourteen, she was bestowed with the name of a king, and was given the name of the king. Accept his fate? Accept your fate! Why not? You all regard yourself as the fiend of a country who lost. You all agreed to the words of heaven's will and were defeated by you all! The people of the world viewed him as a bloodthirsty demon, and thus, he had conformed to the will of the world and slaughtered him for the people of the world to see! So what if he was a monster? In this world of extreme flames, it was called the Burning Fire Cave. She grew up in the Burning Fire Cave, and after going through countless hardships, she created a peerless martial art called the Raging Flames Soul. The coldest place in the world was called the Valley of Ice. He grew up in the Valley of Ice, and after experiencing countless hardships, he created a peerless martial art called the Breaking Ice Soul. Wishing? This King never makes a wish! Only those who are incompetent will have a wish. Everything This King asks for, will be given to you! For example ... It commanded the whole world to be in chaos, to prostrate themselves within the Six Paths. He was the complete opposite of her, yet so similar! Ice and fire mutually restrained each other. Were those two fated to fall in love and kill each other as well? He had come from the nine heavens to descend into the mortal world. He was originally an unintentional person without desire or desire, and that person named Cang Qu had overturned the very essence of his life.
