Snowflakes Fall Patricia MacLachlan, 2013-10-29 In *Snowflakes Fall*, Newbery Medalist Patricia MacLachlan and award-winning artist Steven Kellogg portray life's natural cycle: its beauty, its joy, and its sorrow. Together, the words and pictures offer the promise of renewal that can be found in our lives—snowflakes fall, and return again as raindrops so that flowers can grow. MacLachlan and Kellogg, who are longtime friends, were moved to collaborate on a message of hope for children and their families following the tragic events in Sandy Hook, Connecticut, on December 14, 2012. Kellogg lived in Sandy Hook for thirty-five years—he raised his family there and was an active member of the community. With *Snowflakes Fall*, they have created a truly inspiring picture book that is both a celebration of life and a tribute to the qualities that make each individual unique. In honor of the community of Sandy Hook and Newtown, Random House, the publisher of *Snowflakes Fall*, has made a donation to the Sandy Hook School Support Fund. Random House is also donating 25,000 new books to the national literacy organization First Book in the community's honor and in support of children everywhere.

Snowflake Bentley Jacqueline Briggs Martin, 2020-10-20 In this Caldecott Medal-winning picture book, the true story of Wilson Bentley and his singular fascination with snowflakes is rendered in rich prose and gorgeous artwork, perfect for the holidays, snow days, and everyday. Wilson Bentley was always fascinated by snow. In childhood and adulthood, he saw each tiny crystal of a snowflake as a little miracle and wanted to understand them. His parents supported his curiosity and saved until they could give him his own camera and microscope. At the time, his enthusiasm was misunderstood. But with patience and determination, Wilson catalogued hundreds of snowflake photographs, gave slideshows of his findings and, when he was 66, published a book of his photos. His work became the basis for all we know about beautiful, unique snowflakes today. This biographical tribute to a very special farmer is the perfect holiday gift or snow day read.
