Beauty Secrets of the Bible Ginger Garrett,2007-09-09 Every woman can accentuate her God-given beauty using the hidden treasures of the ancient Scriptures. Ginger Garrett reveals how every woman can accent her God-given beauty using the hidden treasures of the ancient Scriptures--where every scent and every act of beautification had spiritual and emotional significance. A woman's longing to present herself as physically beautiful is universal. Beauty is extolled throughout the Bible as complementing God's plan for women's lives. There are currently no books that examine the beauty practices of biblical women, the plants and products God created to accent their beauty, and the spiritual roots of feminine rituals. Beautiful women abound in the Bible: Queen Esther, the bride of Solomon, Delilah, Rachel, Sarah, and more. Their beauty was a gift from God, and God also supplied the many foods, spices, and oils that perfected each woman's appearance. In Beauty Secrets of the Bible, Ginger Garrett helps readers accent their God-given beauty using these secrets. Women who read the book will understand the essential oils and fragrances mentioned in Scripture (and why they are making a comeback) and will be able to create a regimen based on all-natural ancient products and techniques. Beauty Secrets of the Bible gives readers what other beauty books lack: the knowledge that a woman's unique earthly beauty is indeed a blessing from God that can be cultivated.

The French Beauty Solution Mathilde Thomas, 2015-07-14 A New York Times bestseller! Cofounder of the international beauty company Caudalíe shares the simple, natural, time-tested beauty secrets she learned growing up in France that any woman can use to look younger, healthier, and more radiant without harsh products or drastic procedures. When Mathilde Thomas moved from her native France to the United States to expand her skin-care company, Caudalíe, she wanted to find out what American women wanted from their beauty routines. She interviewed thousands of women and was struck by how different the French and American approaches to beauty were. American women are all about the quick fix—the elusive product or procedure that will instantly solve a nagging beauty problem, even if it hurts, is wildly expensive, or is damaging in the long term. The French, by contrast, approach beauty as an essential and pleasurable part of the day, a lifelong and active investment that makes you look and feel good. Mathilde used these insights to turn Caudalíe into one of America's top beauty brands. Drawing on her company's twenty years of scientific skin-care expertise backed by the research of doctors and dermatologists—as well as the beauty secrets she learned growing up on a vineyard in Bordeaux—The French Beauty Solution covers everything from how to use natural ingredients such as oil and honey to wash your face; what foods to eat for healthier hair, skin, and nails; and the amazing properties of grapes and grapeseed oil. She also introduces an easy three-day grape cleanse that European aristocrats have been using to detox for hundreds of years. Blending stories, science, DIY recipes, and tons of savoir faire, The French Beauty Solution is the last beauty regimen you'll ever need.
