Life Makeover Dominique Sachse, 2022-04-05 Have you ever been so overwhelmed by responsibilities or other people's needs that you forgot to make time for yourself? They say beauty is only skin-deep, but there is power in embracing your outward beauty as the first step in living with internal boldness, confidence, and renewed joy. An outside-in approach to beauty isn't for other people's perception of you, but for your interpretation of yourself and how much you're willing to explore. Sachse has confirmed the unmistakable link between external appearance and self-confidence, and she wants to show you how to rekindle both. In the pages of this book, Sachse offers a vulnerable look into her own mistakes and imperfections and explains how making over her outward appearance resulted in a happier and healthier version of herself—emotionally, spiritually, and physically. Filled with confidence-boosting wisdom about cultivating rest and lifegiving hobbies, Sachse shows you: how making small changes to your outward appearance can be a pathway to building confidence and making other new transformations in your life practical tips about hair, makeup, and fashion from an expert the benefits of taking bold risks - your life is too valuable to be left on autopilot how to analyze your past and see where you self-sabotaged, and look for traits that served you well and can serve you in the future Sachse knows no amount of makeup can compare to the look of a confident, classy, and kind woman, and that there's nothing like the glow that comes from inner beauty. It's time to discover—or rediscover—who you really are and live your life to the fullest.

Beautiful Eyes Joseph A. Mauriello, Jr. MD Mauriello, 2001-03-25 BEAUTIFUL EYES CAN BE YOURS What is the first thing you notice when you look at a person's face? Most people will answer, the eyes. This book outlines the components of beautiful eyes that are framed by the eyelids. Any distortion of the eyelids detracts from the observer's view of the eyes. Eyes brighten to create a refreshed, symmetrically unoperated appearance when cosmetic restorative eyelid surgery is performed without changing the shape of the eyes. Dr. Mauriello's patients who undergo eyelid surgery are grateful for this change and understand his unique small incisional techniques that elevate the upper cheek to its natural position at the time of routine cosmetic eyelid surgery and rejuvenate the entire face. In this second edition of Beautiful Eyes, all your questions about cosmetic eyelid surgery are answered. While no reading material replaces the benefits of a one-on-one pre-surgical consultation, this book helps you determine whether you are a candidate for cosmetic surgery and provides you with pertinent questions to present to the surgeon. Testimonials and practical tips from his patients who have benefited from cosmetic eyelid surgery provide the patient's perspective. Cosmetic eyelid surgery: the only cosmetic eyelid surgery Dr. Mauriello performs

21 Forever with Makeup Evelyn R. Scott, 2015-03-12 At a young age, we are introduced to the power of makeup. Used in the right way, makeup can transform pale eyelashes into alluring, flirty fringe ... or create a sensual pout on otherwise thin lips ... or create a glowing look for cheeks that are less-than vibrant. In the beginning, we use just a touch of lip gloss and a hint of eye color. But with experience, we become more experimental and play with bold colors on our eyes and get adventurous with wild nail polish. It's one of the many joys of being a girl and getting to play with pretty and playful colors. As we age, of course, we tend to tone down the shades we use and want a more youthful look. While many women turn to expensive skin creams and surgical enhancements, those who care for their skin well can actually use makeup to create a younger-looking complexion. With a few tips and tricks and the right products and tools, you can master the skills needed to use makeup as a temporary fountain of youth. In *21 Forever with Makeup*, we included many insider secrets that makeup artists know will make their clients look years younger, like properly exfoliating your skin and which type of cleanser will work best. From BB creams to concealers to highlighting and contouring, applying makeup is about much more than simply adding some color to your lips, eyes and cheeks. With these tips & techniques, you can actually reduce the look of fine lines, make your cheekbones look higher, shrink a wide nose, shape your eyebrows to best frame your face and boost the volume of both your lashes and lips that may have thinned over the years. And the best part is that you will not look like you've over-done your makeup application. It can still look natural while effectively concealing the years. You'll learn how to choose the right colors for your eyes, cheeks, lips and overall skin tone and you'll find out which products work best for your skin type. Once you get your new routine down, people will notice that you look more vibrant and youthful, but they won't even be able to figure out why. Here is just a taste of what you will learn in this book: - How to Properly Prepare for Better Makeup Application - Exfoliate to help your makeup work better - Creating a good foundation - How to clean up your complexion with concealers - How to properly apply concealer - How to finish with powder - Tricks with highlights and contours for a more youthful face - How to make your nose appear smaller - How to bring out your eyes - How to better define your cheeks - How to get younger-looking eyes - Age-appropriate eye makeup - Pairing eye color with shadows - The right way to use eye liner - Get great lashes - Get glowing cheeks - Age-defying lips and nails - Makeup that lasts and other tips to look younger - How to choose the right tools - Know when to swap out makeup - And much more...
