Simone van der Vlugt

The Beauty Insider Alison Young, 2021-06-03 'The most powerful woman in British beauty' Daily Mail 'This woman is the best advert for the advice she gives to all of us' Ruth Langsford If there is one thing my experience in the beauty industry has taught me, it's that a beauty regime should be as individual as you are. Having no cosmetic work myself allows me to truly understand what results are achievable for people at home. Trusted and award-winning beauty expert Alison Young has worked in the industry for over 35 years. She has pretty much tried every beauty product on the market so you don't have to, and she knows what works and what doesn't. Her no-nonsense approach cuts through the hard sell and tells it how it is. Whether you want to look fresher or younger, need advice on brows, haircare or body basics, or struggle with skin issues such as dry skin, oily skin or a more serious condition, Alison has the answer. With this book, you will never waste money on beauty products again; instead, you will be able to look and feel your best self, every day. Find out: - The insider secrets that supercharge your daily routine, whatever your skin type - How to manage (and embrace) signs of ageing - The make-up techniques that boost confidence, at every stage of life - Simple steps for year-round glowing skin and beautiful hair Whatever your gender, ethnicity, budget or stage of life, Alison will give you the knowledge to create a beauty regime that works for you and the confidence to step out as your best self, every day.

The Reunion Simone van der Vlugt, 2009 'When I

read back through my diaries, I come across completely unknown events, as if another person lived that time in my place. And still, a recollection can suddenly knife its way through my brain, a spark that lights up the grey matter of my memory for an instant. 'Sabine was fifteen when Isabel disappeared. She remembers nothing from that hot May day. Nine years later, unwanted memories are returning to Sabine. What if she saw something the day of Isabel's disappearance? What if she could put a name to the shadowy figure in her dreams? And what if her knowledge was dangerous?' The Reunion is a tour-de-force from Holland's top-selling crime writer. Reminiscent of the thrillers by Minette Walters and Nicci French, The Reunion is compelling, frightening and unexpectedly poignant. It will haunt and surprise you.

The Vogue Book of Blondes Kathy Phillips, 1999 A pocket atlas of Surrey, giving comprehensive and detailed coverage of the region.
