The Devil Speaks Louder: Jeremy Stevens,2014-03 The late teenage years are times to experiment, to flirt with chance-taking and laugh at near-misses. Jason and Brian are invincible, with miles to go before they sleep, and their good times are bacchanalian. This Friday afternoon is no exception: Jason, ignoring the fact that he is on the brink of failure, leaves school early again to begin the party. He and Brian drink into the afternoon; the warning of blue lights is not enough to end the hilarity, and as lucidity morphs to black-out, Brian must make a decision between carnal desire and adult responsibility. His sodden mind is in no condition to deliberate, and the night turns tragic. Having now to deal with the reality of prison, the loathing of a community, the screaming of his demons and the battle with his conscience, Brian is forced into very serious self-analysis, while Jason uses his best friend's plight as a justification to continue his own insane drinking behavior which could, ultimately, lead to his need to find a bottom. Written by a recovering alcoholic, this fictitious story contains would-be scenarios relevant to all mature readers, for there are few degrees of separation between it, and you.

U.S. Marines in Afghanistan, 2010-2014 ,2017 Excerpt from U.S. Marines in Afghanistan, 2010-2014: Anthology and Annotated Bibliography: This volume, second part of a series focusing on Marine Corps Actions in Afghanistan, presents a collection of 21 articles, interviews, and speeches describing many aspects of the U.S. Marine Corps' participation in Operation Enduring Freedom from 2010 to 2014. This work is intended to serve as a general overview and provisional reference to inform both Marines and the general public until the U.S. Marine Corps History Division completes monographs covering major Marine Corps operations during the campaign. The accompanying annotated bibliography provides a detailed look at selected sources that currently exist and should be sufficient until new scholarship and archival materials become available[. . .] This anthology is organized into six parts: one section for each year and a final section devoted to a broader overview of Marine participation in the Afghanistan conflict. This work is not meant to be an authoritative history but rather a selected record of Marine contributions to the Afghan war effort as captured by the media and other sources.
