*The Greatest Beer Run Ever* John "Chick" Donohue, J. T. Molloy, 2020-11-10 INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER! Soon to be a major motion picture written and directed by Academy Award-winning director of *Green Book*, Peter Farrelly. "Chickie takes us thousands of miles on a hilarious quest laced with sorrow, but never dull. You will laugh and cry, but you will not be sorry that you read this rollicking story."—Malachy McCourt A wildly entertaining, feel-good memoir of an Irish-American New Yorker and former U.S. marine who embarked on a courageous, hare-brained scheme to deliver beer to his pals serving Vietnam in the late 1960s. One night in 1967, twenty-six-year-old John Donohue—known as Chick—was out with friends, drinking in a New York City bar. The friends gathered there had lost loved ones in Vietnam. Now, they watched as anti-war protesters turned on the troops themselves. One neighborhood patriot came up with an inspired—some would call it insane—idea. Someone should sneak into Vietnam, track down their buddies there, give them messages of support from back home, and share a few laughs over a can of beer. It would be the Greatest Beer Run Ever. But who'd be crazy enough to do it? One man was up for the challenge—a U. S. Marine Corps veteran turned merchant mariner who wasn't about to desert his buddies on the front lines when they needed him. Chick volunteered. A day later, he was on a cargo ship headed to Vietnam, armed with Irish luck and a backpack full of alcohol. Landing in Qui Nho'n, Chick set off on an adventure that would change his life forever—an odyssey that took him through a series of hilarious escapades and harrowing close calls, including the Tet Offensive. But none of that mattered if he could bring some cheer to his pals and show them how much the folks back home appreciated them. This is the story of that epic beer run, told in Chick's own words and those of the men he visited in Vietnam.

**The Greatest Beer Run Ever** John (Chick) Donohue, J T Molloy, 2017-05-02 In 1967, John (Chick) Donohue was a 26-year-old U.S. Marine Corps veteran working as a merchant seaman when he was challenged one night in a New York City bar. The men gathered at this hearth had lost family and friends in the ongoing war in Vietnam. Now, they were seeing protesters turn on the troops. One neighborhood patriot proposed an idea many might deem preposterous: One of them should sneak into Vietnam, track down their buddies in combat, and give each of them messages of support from back home, maybe some laughs – and beer. Chick volunteered for the mission. He sailed to Vietnam on a cargo ship carrying a backpack full of American beer, landing in Qui Nho'n in 1968. Things went awry when Chick got caught in the Tet Offensive, starting in the early hours as an eyewitness to the battle to retake the U.S. Embassy in Saigon, where he became stuck for months. Chick Donohue later became legendary as the sandhog who went to Harvard. He worked for decades on behalf of New York's tunnel builders as the legislative and political director of Sandhogs Local 147. This is the story of his epic beer run to Vietnam, in his own words and in those of the men he found in the war zone. 'The Greatest Beer Run Ever' is the astounding true story of a young man's odyssey. On these pages we accompany Chick Donohue as he takes us on a fantastic voyage from the streets of Manhattan via the high seas to the jungles and cities of Vietnam at the height of a war fought mostly by forgotten blue collar kids. Back in 1968, Donohue was a man on a singular mission – to prove to the soldiers and Marines from the neighborhood that they were not forgotten and never would be. On the way, Donohue lets no obstacle get in his way – not bemused military officials startled by his presence in a combat zone nor Viet Cong rocket fire. This book is both a testament to the fading notions of loyalty and brotherhood and an elegy for the working class enclaves that once formed the backbone of a city and nation. – THOMAS KELLY, Author of *Payback*, *The Rackets*, and *Empire Rising* and executive producer, *Copper*, *The Get Down*, and *Civil What* a great story! – FIRST LIEUT. Beer Run Jack Batcher, 2023-08-07 This short story. which is loosely based on true events, takes place over a few hours on a Saturday night. Jim and Larry don't go looking for trouble, but it seems to find them at every turn in this misadventurous beer run. What should've taken less than a half an hour. Winds up taking a lot longer, when a stranger hops in the backseat of Larry's car, while they are at a stop sign. He takes the whole beer run sideways. They go through all kinds of swerves and curves, like a block party full of gangbangers to a high-speed police chase. All while their friends are waiting for them, and the beer, at the Dead End. Will Larry and Jim make it back to their friends with the beer? You'll have to read the book to find out.

**A World Champion's Guide to Running the Beer Mile** Lewis Kent, 2019-07-02 In June, 2015, Lewis Kent was just an ordinary twenty-one-year-old college kid who liked to run. By December, 2015, just six months later, he had appeared in ESPN, Buzzfeed, Ellen, and dozens of other major outlets. Videos of him running went viral, and he received daily calls from agents. So why all the attention? Simple: He ran the Beer Mile, and he ran it unbelievably fast. The beer mile is a track or road race in which you chug a beer, run a quarter mile, chug another beer, run another quarter mile, chug, run, chug, run: four beers, four laps, no vomiting allowed. "Chug, run, repeat." If it sounds difficult (but really fun), it's because it absolutely is. The event first went viral in 2014 when the five-minute barrier was broken. Kent became the world champion and broke the world record in late 2015 with a time of 4 minutes, 47 seconds, just over a minute longer than the world record for the regular mile. After that, he became the world's first professional Beer Miler, literally being paid for his superhuman ability to run fast and drink quickly. Part memoir, part how-to manual, *A World Champion's Guide to Running the Beer Miles* is for both serious athletes and recreational runners who love to run, enjoy a drink, and like the idea of a challenge.

*The Greatest Beer Run Ever* John Donohue, 2020-05-12 An incredible true story of how, in 1967 – having seen students protesting against the Vietnam war – Chickie Donohue and his New York City bar friends decided that someone should go to Vietnam and take their soldier pals a beer and show them that SOMEONE appreciates what they're doing out there. It would be the Greatest Beer Run Ever! But who'd be crazy enough to do it? One man was up for the challenge: John Chickie Donohue. A U. S. Marine Corps veteran turned merchant mariner, Chickie decided he wasn't about to desert his buddies on the front lines when they needed him most. In THE GREATEST BEER RUN EVER, Chickie sets off on an adventure that changes his life forever. Armed with Irish luck and a backpack full of alcohol, he makes his way to Qui Nho'n, tracking down his disbelieving friends one by one. But Chickie sees more of the war than he ever bargained for, unexpectedly getting caught up for a night on the front line by the Demilitarized Zone, and in Saigon during the Tet Offensive. Donohue talks his way in and out of situations; learns a lot about himself and most importantly, changes his view on the Vietnam War, seeing first-hand the craziness of the whole endeavor and ultimately realising that the protesters were right.

**Sacramento Beer: A Craft History** Justin Chechourka , 2018 Historically speaking, Sacramento benefited from a gold rush, an agricultural boom and, more recently, a brewing renaissance. The region's craft beer scene exploded from six to more than sixty breweries in about a decade, and the roots of that culture stretch back more than a century. Before Prohibition, thousands of acres of local hops supplied brewers across the country. Local farms are once again taking advantage of the temperate climate. In 1958, the University of California-Davis started America's foremost brewing science program, producing some of California's top brewers. Rubicon's 1989 award-winning IPA was just the beginning for the current, innovative resurgence. Author Justin Chechourka explores the complexities and nuance of this fermenting heritage.

**What I Talk About When I Talk About Running** Haruki Murakami, 2009-08-11 From the best-selling author of *The Wind-Up Bird Chronicle* and *After Dark*, a rich and revelatory memoir about writing and running, and the integral impact both have made on his life. In 1982, having sold his jazz bar to devote himself to writing, Haruki Murakami began running to keep fit. A year later, he'd completed a solo course from Athens to Marathon, and now, after dozens of such races, not to mention triathlons and a slew of critically acclaimed books, he reflects upon the influence the sport has had on his life and-even more important-on his writing. Equal parts training log, travelogue, and reminiscence, this revealing memoir covers his four-month preparation for the 2005 New York City Marathon and includes settings ranging from Tokyo's Jingu Gaien gardens, where he once shared the course with an Olympian, to the Charles River in Boston among young women who outpace him. Through this marvellous lens of sport emerges a cornucopia of memories and insights: the eureka moment when he decided to become a writer, his greatest triumphs and disappointments, his passion for vintage LPs and the experience, after the age of fifty, of seeing his race times improve and then fall back. By turns funny and sobering, playful and philosophical, *What I Talk About When I Talk About Running* is both for fans of this masterful yet guardedly private writer and for the exploding population of athletes who find similar satisfaction in distance running.
