**Bejeweled** Kyle Roderick,2019-09-10 Jewelry, long associated with luxury, is also becoming a medium for social responsibility and ethical values. Kyle Roderick, an authority on ethical jewelry, profiles fifteen designers who are at the forefront of refashioning the medium for today's consumers. In the wake of Charles Leavitt's insightful 2006 movie Blood Diamond, which told how conflict diamonds fund civil wars, the buying and wearing of ethically sourced and sustainably mined jewelry has become a priority in today's luxury market. Bejeweled is the first book to cover this timely subject. Profiling leading international designers who are at the forefront of the ethical jewelry movement, this beautifully photographed publication examines how an ancient art is powering a green revolution in chic jewelry for everyone. Included are renowned designers such as Pippa Small, an early user of fair-mined gold, who employs local artisans to fabricate her one-of-a-kind pieces; Dewey Nelson, a Native American Hopi who incorporates 1,000-year-old tribal motifs in his reclaimed-silver pieces; and Loren Nicole, whose jewelry features intricate hand-carved gemstones and 22-karat gold alloyed in the same formula used by ancient Roman goldsmiths. Illustrated with exquisite photographs of individual pieces, featured both alone and on celebrities, who are turning the red carpet green by wearing ethically sourced jewelry, Bejeweled is for all gemstone and design fans.

**Standing Strong** Chelle Ramsey,2017-01-12 Olivia has overcome many challenges and disappointments in her life. Yet, when faced with an unexpected death of a family member, and witnessing the murder of someone she cares for, she isn't sure she can survive. The losses incurred on this journey may cause her to pay the ultimate sacrifice. The return of Black and Kianna means the puzzle pieces of Angel's life are finally locking into place. The picture is different than she envisioned. Angel must determine if uncovering the truth of their past, is worth the sacrifice of her new relationship. Kianna's played dirty in the past, but this time the fight is deadly. She's willing to go all in to expose the truth, which will cause everyone in the game to ante up. Will her sacrifice be more than she bargained for? Black's gambled several times in the past, but this time the stakes are high. With his life and those of his family serving as the bargaining chips, it isn't that easy to fold. To protect those he loves the most, he may have to sacrifice his own life to save theirs. Angel. Kianna. Black. In the end everyone must bear their cross. And the truth is so explosive, the House will never be the same. One will stand strong and walk away. One will stand strong and make the ultimate sacrifice. And one will stand strong and won't survive!

**Bejeweled** Chelle Ramsey,2015-06-10 Olivia and her team of stylists are back in BeJeweled II. Olivia's dreams have finally begun to come true, as she marries the man who's held her heart for twenty years. Her beauty salon is prospering, and she has begun rebuilding her team, after seeds of discord were sowed and bonds were broken. Everything is beginning to look up, or so she thinks. When a scandal is leaked to the media, Olivia's dream of expanding is in jeopardy. She must step up and play hard ball in a game with which she's unfamiliar. Nikki had dreams of building a beautiful family with a loving husband. But after looking at the shattered pieces of her broken life, she is losing hope and desires more. She wants more than the shame of barrenness, and more than physical abuse from his drinking binges. One phone call gives her courage to escape the deadly clutches of her husband. Yet, when she finds strength in another's arms she finds herself spinning more lies. Nikki's web of deceit is going to cost all those who are close and it could just cost her, her life. When deception is the name of the game, who all will have to share the pain?
