**Concordances to Conrad's Typhoon and Other Stories and Within the Tides** Todd K. Bender, Kirsten A. Bender, 2020-04-27 Originally published in 1982, this title supplies a complete verbal index, listing all the words in the texts with their locations, a word frequency table, and a field of reference

which establishes a page/line reference system for locating each context. The user will look first in the word frequency table to see whether or not the word in question occurs in these works.
