Seoul in 3 Days Finest City Guides,2016-11-26 Seoul is unique. It has traditional Asian aspects, but many aspects are among the most modern in the world. There is a great deal of contrast in the different areas of Seoul. The people of Seoul are beautiful and welcoming. Korea is a fashion trendsetter. You can celebrate the authenticity of traditional Korea and still enjoy the technological advantages offered there. Korea was ravaged by war, that's true. But it has been rebuilt into a thriving economic stronghold that has many influences on the world at large. From modern Korean pop culture to ancient houses of worship, Seoul mixes traditional and modern life in a unique and vibrant atmosphere. If you only have a few days to spend in Seoul, you need to make the most of them. That's what this travel guide is all about. Seoul and its home country of South Korea may shape your world view. Theirs is a story of courage and hope, of rebuilding from nothing, and of the undying spirit of the people of South Korea. The People of SeoulThe population density in Seoul is nearly twice that in New York City! Most residents of Seoul are Korean, with pockets of Japanese, Chinese and minorities of expatriates. The population is over 10 million. The population of Seoul has been decreasing since the 1990's, since it is an aging one, and the costs of living are high. The people of Seoul tend to be warm and welcoming, and tolerant of tourists who don't quite know where they're going. That's helpful for travelers. LanguageKoreans speak... well, Korean. If you learn a few often-used words, it will be helpful for you. The language, however, is quite different from Western languages, in pronunciation and grammar. Different areas of Korea speak different dialects, but many people in Seoul speak standard Korean. This makes it a bit easier to communicate in the city, since you'll be hearing predominantly the same dialect. Korean writing utilizes a phonetic system known as hangul. In this system, sounds are stacked into blocks that are representative of syllables. A committee designed the system, and although it looks like small circles and right angles, it's actually logical and consistent. You may find that you can pick it up quite easily. Religious BeliefsIn Seoul, the two main religions are Buddhism and Christianity. There are smatterings of other religions too, including Confucianism and Muism. Seoul has the largest Christian congregation in the world, at Yoido Full Gospel Church. Here is a quick preview of what you will learn in this tourist guide: * Helpful information about Seoul, South Korea* Flying into the city* Transportation tips while you're in town* Why Seoul is such a diverse tourist spot and what you will find most remarkable about it* Information on luxury and budget accommodations and what you'll get for your money* The currency used in Seoul* Tourist attractions you should make time to see* Other attractions for entertainment and culture* Events that may be running during your stay* Tips on the best places to eat & drink for all price points, whether you want simple fare, worldwide dishes or Korean/Asian flavor

Seoul City Subway Tour Fandom Media,2016-04-22 Hello fellow traveler! Congratulations on choosing Seoul as your next destination where you can enjoy one of the best subway (or metro, depending on where you come from) systems in the world, rated by CNN and Jalopnik (some name-dropping right here). What makes Seoul's subway stand out? Maybe it is the cutting-edge technology like 4G LTE, WiFi, DMB, WiBro you can use while riding on it, but 11 million people who visited Korea last year (2015) can agree that: -It is punctual, safe, and so well-connected to cover every corner of the city. You can go anywhere you want, just by taking the subway alone. -It is very affordable (dirt cheap)! So we have created this unique travel guide so you can visit Seoul's top attractions just by taking the subway alone! This is something never done by any other travel guides before. In this book, you will find -Step-by-step guide to taking the subway, from getting your own subway card to making transfers. -Complete details of the subway system, including fares and characteristics of each line. Now the fun part: -More than 60 of Seoul's top attractions sorted by subway lines and stations (both English and Korean, along with how to say it). They are all within walking distance (under 2km or 1.2miles) from the moment you exit. -Pictures with complete details of the attractions including address, home page, and history/background information, as well as thorough turn-by-turn directions. -Our unbiased review of the places, and an intuitive 7-star rating system. -Tour routes by theme - we analyzed the best possible routes to make sure that you save time and not miss any of those essential spots. We included how much time it takes, when to get on/off, and make a transfer. Whether you have already been to Korea or it is your first time visiting, this guide will add a whole new dimension of traveling (I bet a lot of local Koreans don't know about many of the places we included here). So, what are you waiting for? Get your backpack and let's get on the train! *This title is enrolled in Kindle MatchBook - if you purchase a print copy of this book, you get an ebook version for free*

Inside this travel guide book you will find: Visitor information from a Local Tour ideas and inspiration Save time with valuable guidebook information Greater Than a Tourist- A Travel Guidebook with 50 Travel Tips from a Local. Slow down, stay in one place, and get to know the people and culture. By the time you finish this book, you will be eager and prepared to travel to your next destination. OUR STORY Traveling is a passion of the Greater than a Tourist book series creator. Lisa studied abroad in college, and for their honeymoon Lisa and her husband toured Europe. During her travels to Malta, an older man tried to give her some advice based on his own experience living on the island since he was a young boy. She was not sure if she should talk to the stranger but was interested in his advice. When traveling to some places she was wary to talk to locals because she was afraid that they weren't being genuine. Through her travels, Lisa learned how much locals had to share with tourists. Lisa created the Greater Than a Tourist book series to help connect people with locals. A topic that locals are very passionate about sharing.

Seoul's Historic Walks in Sketches Janghee Lee,2018-08-16 Seoul is a rapidly changing city, the epitome of the latest trends and technology. But looking closely in between the skyscrapers, there lie hints that reveal an alternate story, a story of a 600-year-old capital city. Seoul's Historic Walks in Sketches discovers and brings to life these stories. From the Joseon era's palaces and fortresses to modern skyscrapers of glass and steel built on historic sites, the author's pencil sketches bring forth a new dimension of Seoul. Accompanying the illustrations are his insightful, witty commentaries on local history that go a long way in presenting readers with a captivating view of the unknown city, a city almost exotic in its mystery. A city, its architecture and its history: 15 must-see attractions in old town Seoul Through the Joseon Dynasty (1392–1910), Japanese colonial rule, the Korean War, industrialization, and democratization movements, countless stories of the changing times have been engraved in the nooks and crannies of Seoul. This book is a retrospect of the forgotten city of Hanyang (old Seoul), reviving the history once lived within the four ancient great gates. Many of the places covered in this book are among Seoul's most famous landmarks and popular tourist attractions, yet the sagas unraveled at each destination impart an unconventional perspective. The author's remarkably discerning eye notices and depicts the minute details most would miss around the city. For those unmoved by the textbook photographs and dry histories of existing guides to Seoul, this book's intimate charm is sure to please. The ever-changing city of Seoul: Sites and stories unfamiliar even to locals It would be an understatement to say that this book is only dedicated to tracking down the

historical traces of Seoul. As the author says, “Seoul isn’t an antique—it’s an ever-changing organism.” He discusses the recent changes that have proven significant to the city and introduces hidden attractions around the city, from an ecological park on a skyscraper rooftop to evidence of historical figures cleverly hidden in amongst the buildings. Seoul Historic Walks in Sketches contains extraordinary and unmatched insight into the city.
