Democracy and Education John Dewey,1916 John Dewey's Democracy and Education addresses the challenge of providing quality public education in a democratic society. In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, Democracy and Education is regarded as the seminal work on public education by one of the most important scholars of the century.

The Other End of the Leash Patricia McConnell, Ph.D.,2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, The Other End of the Leash is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

Someone Who Will Love You in All Your Damaged Glory Raphael Bob-Waksberg,2019-06-11 Written with all the scathing dark humor that is a hallmark of BoJack Horseman, Raphael Bob-Waksberg delivers a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. Featuring: • A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding. • A pair of lonely commuters who ride the subway in silence, forever, eternally failing to make that longed-for contact. • A struggling employee at a theme park of U.S. presidents who discovers that love can’t be genetically modified. And fifteen more tales of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.
