1000 Football Clubs Jean Damien Lesay, 2016-04-19 Revised Edition, Updated 2019 The most in-depth guide to soccer clubs around the world, featuring 1,000 illustrations and more than 1,000 teams from 100 countries. This superbly illustrated volume is the fan's most comprehensive insight into 1,000 football clubs (a.k.a., soccer teams), both professional and collegiate, from every continent, illustrating each club's history and what it means to support their team. Included are key details from both men's and women's leagues, such as team colors, shirt designs, coats of arms, mottos, club songs, stadium details, legendary players, impactful coaches, the most memorable victories (and defeats)—in short, this is the ultimate trivia guide for any fan passionate about the Beautiful Game. For the die-hard supporter, a football club goes beyond just rooting for the home team. Each football club is a culture unto itself with fans comprising an extended family of shared memory, glorious victories, and camaraderie. Full of engaging stories behind team traditions and statistics detailing important achievements, players, and events, *1000 Football Clubs* is a must-read for any football fan and a most useful survey for anyone who needs to understand the sport considered the world's favorite and whose popularity continues to grow exponentially in North America.

1312: Among the Ultras James Montague, 2020-03-12 You can see them, but you don't know them. Ultras are football fans like no others. A hugely visible and controversial part of the global game, their credo and aesthetic replicated in almost every league everywhere on earth, a global movement of extreme fandom and politics is also one of the largest youth movements in the world. Yet they remain unknown: an anti-establishment force that is transforming both football and politics. In this book, James Montague goes underground to uncover the true face of this dissident force for the first time. *1312: Among the Ultras* tells the story of how the movement began and how it grew to become the global phenomenon that now dominates the stadiums from the Balkans and Buenos Aires. With unprecedented insider access, the book investigates how ultras have grown into a fiercely political movement, embracing extremes on both the left and right; fighting against the commercialisation of football and society – and against the attempts to control them by the authorities, who both covet and fear their power.

He easily takes care of anyone who causes trouble for his boss. But he is more complicated than he seems. Olav's latest job puts him at the pinnacle of his trade, but it may become his greatest mistake: It turns out that the more you know about your boss's business, the more your boss might want you fixed yourself—especially if you're falling for his wife. Don't miss Jo Nesbo's new thriller, Killing Moon, coming soon!

Dream Team Jack McCallum,2013-04-09 NEW YORK TIMES BESTSELLER Acclaimed sports journalist Jack McCallum delivers the untold story of the greatest team ever assembled: the 1992 U.S. Olympic Men's Basketball Team. As a writer for Sports Illustrated, McCallum enjoyed a courtside seat for the most exciting basketball spectacle on earth, covering the Dream Team from its inception to the gold medal ceremony in Barcelona. Drawing on fresh interviews with the players, McCallum provides the definitive account of the Dream Team phenomenon. He offers a behind-the-scenes look at the controversial selection process. He takes us inside the team's Olympic suites for late-night card games and bull sessions where superstars like Michael Jordan, Magic Johnson, and Larry Bird debated the finer points of basketball. And he narrates a riveting account of the legendary intrasquad scrimmage that pitted the

Dream Teamers against one another in what may have been the greatest pickup game in history. In the twenty years since the Dream Team first captivated the world, its mystique has only grown. Dream Team vividly re-creates the moment when a once-in-a-millennium group of athletes came together and changed the future of sports—one perfectly executed fast break at a time. With a new Afterword by the author “The absolute definitive work on the subject, a perfectly wonderful once-you-pick-it-up-you-won’t-be-able-to-put-it-down book.”—The Boston Globe “An Olympic hoops dream.”—Newsday “What makes this volume a must-read for nostalgic hoopsters are the robust portraits of the outsize personalities of the participants, all of whom were remarkably open with McCallum, both then and now.”—Booklist (starred review)

World Football Club Crests Leonard Jägerskiöld Nilsson, 2018-11-15 An illustrated exploration of the design, meaning and symbolism of world football club crests. Why is there a devil shown on the crest of Manchester United? Which club's crest motto is 'To Dare Is To Do'? And whose emblem depicts a bear and a strawberry tree? From the seahorses of Newcastle United to the royal crown of Real Madrid, via the riveting hammers of West Ham United, Valencia's famous bat design and German club St Pauli's unofficial skull-and-crossbones emblem, there is a story behind every crest, a tale of identity. Covering more than 200 clubs from 20 different leagues, World Football Club Crests explores the design, meaning and symbolism of the game's most famous club crests to reveal why the badges look as they do. This carefully curated collection charts the continuing evolution of the designs and describes the changing styles, varied influences and remarkable controversies that have shaped football's most iconic crests. These important symbols of football heraldry will never be viewed in the same way again.
