**Steaming as Before** Richard V. Bovbjerg, 2004 Thrust into the position of captain by the necessity of war, Richard Bovbjerg, a young biologist, chronicles a fascinating look at the lives of men aboard a minesweeper, the YMS 353. Bovbjerg guides his crew from Miami, Florida through the South Pacific to the Philippines in the closing year of World War II. From their small wooden hulled boat, Bovbjerg and his crew experience the boredom of endless days at sea punctuated by kamikaze attacks, meetings with a Stone Age tribe in the South Pacific, shore leaves in pre-revolutionary Cuba, the creativity necessary to survive Navy bureaucracy, the terror of tropical typhoons among uncharted reefs, the endless terror of mines, and finally, miraculously, their survival without casualty. An intimate, gritty testimony to be shared by the captains and sailors of the Pacific minesweepers with their children and with all those interested in the daily realities of war, Steaming as Before provides a compelling account of war from life at the base in Miami to the liberation of Palau.

*Minesweeper (Special Forces, Book 2)* Chris Lynch, 2019-12-03 All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch. -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA frogmen -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.
