Southern Light ,2012 A special slipcased edition of Southern Light. This collection of striking images from Antarctica and the sub-Antarctic is the result of six journeys made by Australian photographer David Neilson in his quest to capture the exquisite light of these southernmost lands. Between 2002 and 2008 he made three voyages from Ushuaia in southern Argentina to the Antarctic and the sub-Antarctic. In 2002 he sailed on the yacht Tooluka to the remote sub-Antarctic island of South Georgia in the middle of the South Atlantic. This heavily glaciated island with numerous high alpine peaks has a remarkable profusion of wildlife along its coasts. In 2006, and again in 2008, he sailed on the yacht Australis to the Antarctic Peninsula. This best-known part of Antarctica contains some of the most spectacular scenery anywhere on the planet and provides many opportunities for photographing scenes of exceptional drama and beauty.
