*Dad, How Do I?* Rob Kenney,2021-05-18 “Like the YouTube channel, this is a touching yet informative guide for those seeking fatherly advice, or even a few good dad jokes.” — Library Journal  
The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Perfect for fans of Stuff White People Like and I Am America (And So Can You), The Liberal Redneck Manifesto skewers political and religious hypocrisies in witty stories and hilarious graphics--such as the Ten Commandments of the New South--and much more! **Mindset** Carol S. Dweck,2007-12-26 From the renowned psychologist who introduced the world to “growth mindset” comes this updated edition of the million-copy bestseller—featuring transformative insights into redefining success, building lifelong resilience, and supercharging self-improvement. “Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life.”—Bill Gates, GatesNotes “It’s not always the people who start out the smartest who end up the smartest.” After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

**YouTube Strategies** Paul Colligan,2013-03 I love YouTube. Always have. Always will. She's been very good to me, not just at my Colligan Channel, but through a number of partners and ventures online. With me and my face for radio, I'm confident in saying anyone can see success on YouTube with the right strategies. That's why I wrote this ... I did a few courses about YouTube that sold well, and made some good money, but I always got frustrated with the simple reality that whenever we would put something out there, YouTube would change their interface. Funny thing is, there are some things about YouTube that will never change / or at least haven't changed yet. Despite all the interface changes, the whole Google Plus integration and everything else, the core of what I've taught stands true. But, unfortunately, it all stands true against screenshots and videos from interfaces so last week. So, with that, I release this book. It's the top 21 questions I get asked about YouTube (as well as a few that people should be asking). At the end of each answer is an even shorter summary and a few action items. Put them to good use. The screens might change. The interface might get gussied up, but the stuff here, won't change. Fair enough? Here are the questions this book answers: Is YouTube Really A Social Network? How Can You Leverage That Fact? How Do I Make The Best Of The New YouTube Live Options? How Can I Optimize My YouTube Channel And Videos? What Can I Do To Maximize My YouTube Channel? How Should I Integrate My YouTube Strategies With Other Social Networks? How Do You Get Your YouTube Video Ranked On The Front Page Of Google? What Are The Best SEO Methods And Strategies For A YouTube Video? What Equipment And Software Do I Need To Create A Decent Quality Video? What Value Is There In Closed Captioning Your YouTube Videos? What Is The Ideal Length For A YouTube Video? How Should I Use YouTube Annotations? How Do I Make My Video Go Viral? What Quality Should I Publish My YouTube Videos In? How Do I Get My Videos To Link Outside Of YouTube? What Is The Best Format For A YouTube Video? What Should I Do After I Publish My YouTube Video? When Should I Use YouTube And The YouTube Player? When Should I Not? Is It Better To Have One YouTube Channel For Everything I Do? When Should I Let YouTube Place Ads On My Videos? What Are The Best Third Party Tools And Services For YouTube? Should I Use Services To Get More Views For My YouTube Videos?

**Think Like a Monk** Jay Shetty,2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you’ll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can’t find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk’s path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world’s largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world’s most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world’s #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

*The Universal Christ* Richard Rohr,2019-03-05 NEW YORK TIMES BESTSELLER • From one of the world’s most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called “Christ,” and how this forgotten truth can restore hope and meaning to our lives. “Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book.”—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus’s last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God’s constant, unfolding work in the world. “God loves things by becoming them,” he writes, and Jesus’s life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator’s presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our

most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.
