The Christmas List Richard Paul Evans,2009-10-06 A heartwarming and inspirational Christmas novel in the tradition of The Christmas Box, Grace, The Gift, and Finding Noel. The New York Times bestselling author of The Christmas Box and The Walk series returns with a holiday novel of hope, love, and redemption.

Dear Reader, When I was in seventh grade, my English teacher, Mrs. Johnson, gave our class the intriguing (if somewhat macabre) assignment of writing our own obituaries. Oddly, I don't remember much of what I wrote about my life, but I do remember how I died: in first place on the final lap of the Daytona 500. At the time, I hadn't considered writing as an occupation, a field with a remarkably low on-the-job casualty rate. What intrigues me most about Mrs. Johnson's assignment is the opportunity she gave us to confront our own legacy. How do we want to be remembered? That question has motivated our species since the beginning of time: from building pyramids to putting our names on skyscrapers. As I began to write this book, I had two objectives: First, I wanted to explore what could happen if someone read their obituary before they died and saw, firsthand, what the world really thought of them. Their legacy. Second, I wanted to write a Christmas story of true redemption. One of my family's holiday traditions is to see a local production of Charles Dickens's *A Christmas Carol*. I don't know how many times I've seen it (perhaps a dozen), but it still thrills me to see the change that comes over Ebenezer Scrooge as he transforms from a dull, tight-fisted miser into a penitent, giddy-as-aschoolboy man with love in his heart. I always leave the show with a smile on my face and a resolve to be a better person. That's what I wanted to share with you, my dear readers, this Christmas -- a holiday tale to warm your season, your homes, and your hearts. Merry Christmas

The Christmas List (The Holiday Collection - Book 2) Shirley Hailstock, A freak accident changed the course of tennis player Allie Underwood's life. Two years in recuperation, she's finally back on her

feet, but her plans of opening a tennis academy died with the accident. Then Allie encounters architect Peter Barrett who literally pulls the rug out from under her. Attempting to avoid him proves fruitless as he's everywhere she turns. When he pulls her into his arms and passion flares between them, Allie's future and her heart are in jeopardy. Patting himself on the back after gaining a lucrative contract, Peter Barrett is stunned when a teenage angel appears in his home-office and tells him she's there to save his soul. He has to help another mortal by fulfilling her Christmas wishes. Peter has never had a happy Christmas. And the chosen woman stands in the way of his architectural plans. Will they learn the value of good will to men and open their hearts to love?

The Christmas List Pete Nelson, 2008-09-14 The uplifting conclusion of The Christmas List, a heart-warming account of the power of encouragement and appreciation, is based on a true story that

circulated on the Internet. A nun told her fourth-grade students to write their names on a piece of paper and then pass the paper to the next person, who was to write a sentence of appreciation about the person named at the top. When the exercise was done, each student had twenty-four comments of admiration and appreciation - one from each classmate. The Christmas List follows James Engler, who returns home to Iowa one Christmas, after his fiancée calls off their marriage, and discovers that his best childhood friend, Mike, has just been killed in the Gulf War. When Mike's parents reveal at a memorial service that Mike had carried his fourth-grade list with him, most of James's former classmates confess that they, too, kept their lists as a reminder, even in the worst of times, of their admirable traits and that they were appreciated. James also renews his acquaintance with his former classmate Sarah, who wrote on his list, You are a great guy and some day I'm going to marry. And she does.

So God, Here's My Plan Melinda Sharp, 2012-03 Why can't God do things the way we plan? As you walk through some of the toughest challenges that life seems to throw at you, do you find yourself on one emotional rollercoaster ride after another? Are you sick and tired of being sick and tired? Take a minute to think on these statements and see if you identify with any of them: Why do things always seem to happen to me? It really is all about me--isn't it? I'm not judging you; I just think you're wrong! I just can't ever deal with that because it hurts too much. If these words seem like your own, you are in good company, my friend. Join a regular woman who shares her many faults and failures to find out why God must be in control. Learn how

to fight the enemy who sets out daily to destroy your peace and joy. Most of all breathe a huge sigh of relief that you are not alone. There is amazing grace to living life every day, safely in the arms of a loving God who really does have a good plan for your life. I have read these writings and sometimes they would arrive with comfort, sometimes with a sting, and sometimes humor. But one thing is certain, they always touched my heart. Joan Neal

The Christmas List Dixie Jarchow, 2017-12-01 Mandy believes everything can be made better by making a list—including choosing a husband. Lists make everything clear and easy. Lists keep all the pluses and minuses of life in their own neat little columns with no room for surprises...and the key to happiness is structure and avoiding surprises. Max is a free spirit with a God-given gift for sculpture. If he's ever made a list, it was by mistake. He insists the key to happiness is to let God take the reins of his life. When Max lands a huge project, and employs Mandy to handle his business's accounting, she struggles to accept that God can keep all her checks in balance. This December, can Max learn that sometimes a little structure is a good thing? And can Mandy relax enough to enjoy the holidays and actually fall in love, or will she firmly stick to The Christmas List?

Better for Life Daniel J. Jones, 2010-06-01 Why is this happening to me? is a question being asked by millions of people who have lost their livelihoods in today's economic recession. In Better for Life you will find answers to this question as you explore the trials of several biblical characters and the purposes for those trials. Within these pages you will not only discover the purpose of your trial, but you will also learn what you can do about it. You can't change your situation, but you can change yourself. God's plan is not merely to get you out of your trials, but to transform you while you are in them. Take a

journey to discover the reasons for your hardships, and learn how you can use these circumstances to your advantage. Remember: God is not so concerned with making life better for you; He is interested in making you better for life. So, if you are tired of struggling under the burden of your circumstances, then it is time to become better for life!
