Women in Relationships with Bisexual Men Maria Pallotta-Chiarolli,2016-03-08 Framed by a comprehensive review of international research, literature, and film, this book is an intimate journey into the experiences and insights of 79 Australian women in relationships with bisexual men. It takes us into the daily lives, sexual intimacies, and families of MOREs (mixed-orientation relationships) that span the gamut from extremely oppressive experiences with bi-misogynist men to extremely liberating with bi-profeminist men. Aged 19 to 65, the women are in monogamous, open, and polyamorous relationships with bisexual-identifying and/or bisexual-behaving men. The women themselves are bisexual, lesbian, heterosexual, while others refuse to categorize their own sexualities. The book addresses the discovery or disclosure of the man's bisexuality, how the relationships work and where they flounder, how the partners negotiate and establish 'new rules' and boundaries to maintain their relationship, and the impact of class, rural/urban setting, ethnicity, indigeneity, race, religion, and education on these relationships. But this book isn't only about MOREs. The research, revelations and reflections in this book tell us much about current and shifting global constructions and understandings of intimate relationships, sexual desires and love, and the socio-cultural representations and labeling of genders and sexualities.

My Autobiography of Carson McCullers: A Memoir Jenn Shapland,2020-02-04 Winner of the Publishing Triangle Judy Grahm Award for Lesbian Nonfiction, Phi Beta Kappa Christian Gauss Award, and a Lambda Literary Award Finalist for the National Book Award Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction How do you tell the real story of someone misremembered—an icon and idol—alongside your own? Jenn Shapland's celebrated debut is both question and answer: an immersive, surprising exploration of one of America's most beloved writers, alongside a genre-defying examination of identity, queerness, memory, obsession, and love. Shapland is a graduate student when she first uncovers letters written to Carson McCullers by a woman named Annemarie. Though Shapland recognizes herself in the letters, which are intimate and unabashed in their

feelings, she does not see McCullers as history has portrayed her. Her curiosity gives way to fixation, not just with this newly discovered side of McCullers's life, but with how we tell queer love stories. Why, Shapland asks, are the stories of women paved over by others' narratives? What happens when constant revision is required of queer women trying to navigate and self-actualize in straight spaces? And what might the tracing of McCullers's life—her history, her secrets, her legacy—reveal to Shapland about herself? In smart, illuminating prose, Shapland interweaves her own story with McCullers's to create a vital new portrait of one of our nation's greatest literary treasures, and shows us how the writers we love and the stories we tell about ourselves make us who we are.

Mate Tucker Max, Geoffrey Miller, 2015-09-15 The #1 bestselling pioneer of fratire and a leading evolutionary psychologist team up to create the dating book for guys. Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. Much of what they've discovered will surprise you, some of it will not, but all of it is important and often misunderstood. So listen up, and stop being stupid!

A Year Straight Elena Azzoni, 2011-10-25 After having spent nearly her entire adult life dating women (and liking it), Elena Azzoni felt pretty secure in her sexual orientation: she'd even just been crowned Miss Lez 2007. Then, one day in yoga class, a male teacher moved in close to adjust her pose . . . and she suddenly found herself intensely--bafflingly--attracted to him. Eventually she initiated a flirtation with him; after that, there was no going back. *A Year Straight* is a chronicle of the hilariously disastrous year following Azzoni's abrupt dive into the world of dating men: old enough to drink and keep her own hours, but as clueless as an adolescent when it comes to deciphering men's words and actions, Azzoni is uniquely positioned to find herself in some ridiculously absurd scenarios. Often cringe-worthy and occasionally unbelievable, *A Year Straight* is a wildly entertaining look at one woman's experiences dating a new sex--the opposite sex.

Bi Shiri Eisner,2013-07-02 Depicted as duplicitous, traitorous, and promiscuous, bisexuality has long been suspected, marginalized, and rejected by both straight and gay communities alike. Bi takes a long overdue, comprehensive look at bisexual politics—from the issues surrounding biphobia/monosexism, feminism, and transgenderism to the practice of labeling those who identify as bi as either “too bisexual” (promiscuous and incapable of fidelity) or “not bisexual enough” (not actively engaging romantically or sexually with people of at least two different genders). In this forward-thinking and eye-opening book, feminist bisexual and genderqueer activist Shiri Eisner takes readers on a journey through the many aspects of the meanings and politics of bisexuality, specifically highlighting how bisexuality can open up new and exciting ways of challenging social convention. Informed by feminist, transgender, and queer theory, as well as politics and activism, Bi is a radical manifesto for a group that has been too frequently silenced, erased, and denied—and a starting point from which to launch a bisexual revolution.

Girl Meets Girl Diana Cage,2007 For lesbian, bisexual, and bi-curious women, with indispensable advice on how to read a personal ad, make the first move, and figure out who pays on a date. Plus, sex tips for beginners and advanced players! From the author of the hugely popular *Box Lunch*.

The Politics of Dating Apps Lik Sam Chan,2021-03-09 An examination of dating app culture in China, across user demographics--straight women, straight men, queer women, and queer men. In this exploration of dating app culture in China, Lik Sam Chan argues that these popular mobile apps are not merely a platform for personal relationships but also an emerging arena for gender and queer politics. Chan examines the opportunities dating apps present for women's empowerment and men's performances of masculinity, and he links experiences of queer dating app users with their vulnerable position as sexual minorities. He finds that dating apps are both portals to an exciting virtual world of relational possibilities and sites of power dynamics that reflect the heteronormativity and patriarchy of Chinese society.

Greedy: Notes from a Bisexual Who Wants Too Much Jen Winston,2021-10-05 If Jen Winston knows one thing, it's that she's bisexual. Wait-maybe she isn't? Actually, she definitely is. Unless ... she's not? Winston's hilarious, whip-smart debut takes us inside her relatable journey of self-discovery, navigating questions like: What does it mean to be queer enough? Is it possible to masturbate wrong? How do you overcome bi stereotypes when you're the poster child for all of them: indecisive, slutty, and constantly confused? With shrewd wit and refreshing candor, Greedy offers an intimate look at gender, sexuality, memes, DMs, threesomes, ghosting, and other realities of modern love. Winston makes mistakes so we don't have to, reminding us that queerness is about so much more than who you sleep with -it's about truth, community, and defining yourself on your own terms. Greedy is your laugh-out-loud, provocative companion for imagining the world as it could be-the perfect book for anyone who wants, and deserves, to be seen. Book jacket.

Lesbian Love and Relationships Suzanna Rose,2013-09-13 Explore the broad range of healthy lesbian attitudes and behaviors in love, friendship, self-image, and society! This pioneering book makes a revolutionary assumption: that lesbian and bisexual women are normal, if not average. Instead of focusing on which family or genetic quirks might produce lesbians, these studies turn attention to describing the healthy ways lesbians interact with each other, with heterosexual women, and with society. The result is a significant exploration of uncharted territory. Lesbian Love and Relationships examines the lives of lesbian and bisexual women from adolescence to old age, addressing issues of class and race as well as sexual orientation. It encompasses theory, empirical research, and memoir on such diverse topics as physical appearance, cross-generational friendships, butch-femme issues, and lesbian sexuality. It also looks at such difficult and painful issues as lesbian domestic violence and the impact of homophobia on lesbian couples. Lesbian Love and Relationships asks personal, political, and psychological questions, including: how do young lesbians find each other? what makes successful lesbian relationships last? how does social class affect African-American lesbian relationships? what was it like growing up lesbian in the South during World War II? does “lesbian bed death” exist? This compendium offers exciting original research in a neglected field. Lesbian Love and Relationships is an essential resource for anyone interested in women’s lives and sexuality as well as scholars in the field.
