The Message of Genesis 1-11 David Atkinson,2021-12-16 Where do we come from? What is our purpose? The early chapters of Genesis proclaim the origin of the world, and of human life on earth. In The Message of Genesis 1-11, David Atkinson explores how the first eleven chapters serve as an overture to the rest of the Bible. They evoke wonder as God is portrayed in his creative power and beauty. They reveal his loving mercy and salvation even in his terrible judgment of those who turn from him and despoil the harmony of creation. With vivid, provocative insight, Atkinson illuminates how the meaning of Genesis is still resonant today - providing the insight that allows us to understand both the greatness and the tragic flaw inherent in human beings. Although it was written thousands of years ago, the message of Genesis is one of timely urgency for the modern world: we are responsible participants in God's creation who must, like Noah, confront the possibility of global catastrophe. Part of the loved and trusted The Bible Speaks Today series of commentaries, The Message of Genesis 1-11 offers an insightful, readable exposition of the Biblical text and thought-provoking discussion of how its meaning relates to contemporary life. Used by Bible students and teachers around the world, The Bible Speaks Today commentaries are ideal for anyone studying or preaching Genesis and who want to delve deeper into the text.
