Alive in Me Rev. Harold E. Petersen,2021-10-20 The Word of God, the Bible, has been a part of my life. We had family devotions mornings and evenings, Sunday school, and worship services. These continued to draw me into the Word. I was in high school when I was led to read the Bible through in a year, which I have continued down to the present time. It was I was in the seminary that I was inspired to mark a special verse in every chapter of the Bible. Some chapters were so full of gems of truth that I chose several.

Treasure Mine Dr Ezekiel Adewale Ajibade,2021-04-06 Treasure Mine: Living Gems from Searching the Scriptures is a collection of teachings evolving from daily posts on Facebook. The original aim was to throw light on some Scripture passages for those reading their Bible through in the year. But the teachings and the Facebook group became a favourite for thousands of people who visit it for daily spiritual nourishment. Getting those posts out into a book affords you an opportunity to take a look at selected passage from every book of the Old Testament and discover things that perhaps have never crossed your mind before, while reading the Bible. A great soul-lifting awaits you.

Mistakes Famous People Made In The Bible Nathan L Jarrett,2021-09-07 The reason for writing this book is to show the mistakes some of the well-known people in the Bible made in their lives. As I was writing this book, I concluded that they would have made fewer blunders if they had embraced what the Bible says. Some, if not many of them, caused challenges and often tremendous heartaches in their lives that could have been avoided. I'm not a person who dwells on problems. I seek to understand the problem and focus on solutions so the events which occurred can be

minimized or avoided in the future. So with that said, I'm bringing you some unique observations so we all can learn from past mistakes to avoid such pitfalls. As the old saying goes, if we don't learn from history, we are likely to repeat and make those same mistakes others have made throughout history. Too often, we point the finger at someone, pointing out the tiny spec of dirt in someone else's life, yet we have this big two by four in our own life that needs to be removed.

Holy Bible James W. Anderson, 2015-09-01 I published a memoir in 2011 entitled *I Fought the Lord, and the Lord Won* that included an appendix with the goal of helping reluctant Bible-readers to better navigate the Old and New Testaments. My book's Biblical appendix even highlighted suggest entry points for reluctant readers to make it easier for them to engage with God's inspired Word once a reader discovered their own personal comfort zone in Bible reading. I was hoping once readers became comfortable with one book in the Bible that intrigued them, the appendix might launch them to discover the unique value of the Bible as a how-to manual for modern day Christian living. From a sales point of view, my memoir was a huge success! However, I sadly learned via candid comments from family and close friends, that my memoir's Biblical appendix was not all that helpful making them become accomplished daily Bible readers. And as hard as it might be to believe, I spent an EXTRAORDINARY amount of time compiling that 17-page Biblical appendix! SO . . . here is a new resource to try to engage you more intimately with the Bible! This compilation is an attempt to help readers find the power of the Bible via what I named this new resource: *Holy Bible - New Light Version (NLV)*. In this NLV compilation, I have selected Bible verses that resonate with me and then provide a brief commentary to bring each verse alive in contemporary terms. It is my hope that you will reflect on the verse, read the commentary and consider its significance regarding what might be happening in your life today. In total, the Bible has 1,189 chapters and 31,173 verses. Like Light-Beer, this resource is a low-fat version of the roundly 800,000 words in the Bible. Let's just consider Genesis as an example. Genesis has 50 chapters, 1,533 verses, and uses 38,262 words to deliver the entirety of God's inspired story. In my NLV compilation, I selected just 33 of the 1,533 verses for you to read ALOUD. Why do I suggest you read this book aloud? One of the hardest things to do during daily quiet time is to keep our minds from wandering. Just as soon as we begin to pray or meditate on God's Word, it's as if someone turned a radio on, broadcasting all sorts of stuff from our lives. Once we start thinking about those things, we inevitably lose contact with God. Because of such thoughts, many of us leave our time of daily devotions distracted and discouraged. We may plan to spend time with God later in the day, but the reality is that we rarely do. We've been robbed by our own thoughts! Giving God our thoughts during quiet times requires that we discipline our minds to pray. Speaking out truth about God often turns our thoughts from our problems to his great resolution power. And keeping a notebook nearby to write down distracting thoughts will help you put them aside until you can attend to them later. So please, try reading this resource aloud! I pray I have chosen wisely and that this NLV compilation becomes a daily resource for you! I suggest you spend just few minutes each day reading one short Bible verse, and then consider, with the help of the commentary immediately after each verse, the verses' relevance in your life that particular day. If you read and consider just one verse grouping each day, my hope is that you will intimately grasp the essence of the Bible story, from beginning to end, in just six months time! Further, this NLV resource has only about 57,000 words. That compares favorably to the 800,000 words in the Bible. Heck, if you get to the end of this short NLV compilation inspired and maybe even discover you have become a better person, perhaps you might circle back and use the Biblical appendix in my 2011 book to delve deeper into God's Word. That would indeed be a blessing. Good luck! Jim
