Seeking Allah, Finding Jesus Nabeel

Qureshi, 2016-04-19 In *Seeking Allah, Finding Jesus*, now expanded with bonus content, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in the world's greatest religions. Engaging and thought-provoking, *Seeking Allah, Finding Jesus* tells a powerful story of the clash between Islam and Christianity in one man's heart and of the peace he eventually found in Jesus. I have seldom seen such genuine intellect combined with passion to match ... truly a 'must-read' book.—Ravi Zacharias

Evangelism and the Sovereignty of God J. I.

Packer, 2012-06-28 If God is in control of everything, can Christians sit back and not bother

to evangelize? Or does active evangelism imply that God is not really sovereign at all? J. I. Packer shows in this new edition to the popular IVP Classics how both of these attitudes are false. In a careful review of the biblical evidence, he shows how a right understanding of God's sovereignty is not so much a barrier to evangelism as an incentive and powerful support for it. With over 100,000 copies in print, *Evangelism and the Sovereignty of God* is truly a classic that should be read by every Christian.

She dreamed of closeness, of being fully known and loved by her husband. But the first years of marriage were nothing like she'd imagined. Instead, they were marked by disappointment and pain. Trapped by fear and insecurity, and feeling totally alone, Jennifer cried out to God: What am I doing wrong? Why is this happening to us? It was as if a veil had descended between her and her husband, and between her and God—one that kept her from experiencing the fullness of love. How did Jennifer and her husband survive the painful times? What did they do when they were tempted to call it quits? How did God miraculously step in during the darkest hour to rescue and redeem them, tearing down the veil once and for all? *The Unveiled Wife* is a real-life love story; one couple's refreshingly raw, transparent journey touching the deep places in a marriage that only God can reach. If you are feeling disappointment

or even despair about your marriage, the heart-cry of this book is: You are not alone. Discover through Jennifer's story how God can bring you through it all to a place of transformation.

Cold-Case Christianity J. Warner Wallace,2013-01-01 Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.
