

Bible Movies Kings And Prophets

Michael Williams

Kings and Prophets: Crowded Throne Shmuel

Breban, 2020-10-14 When was the last time you read the Bible? Never. You studied it. Maybe you've even watched it, through movies that embellish upon stories such as the miraculous exodus from Egypt and the epic battle between David and Goliath. But to flip through a Bible and read without context, without the commentaries, and without imagining what happened between verses would be like eating pizza that was made without cheese and sauce. Okay, I suppose that would still be bread, and bread is gluteney delicious, but you get my point. The Bible can't be read as a story. Or at least it couldn't. Enter Kings & Prophets. As a kid, I always heard about how David and Goliath was the coolest story ever, and it is cool, but then I grew up and decided to study the relevant texts on a deeper level. I quickly realized that the tale of the underdog defeating the giant (should I have issued a spoiler alert there?) was not the story. It was only one really fantastic piece of a much, much larger tapestry. David and Saul, I said to myself, that's the real story. That should be a movie. And the relationship between the two figures truly is amazing. We would call our major motion picture Crowded Throne, do a summer release, and then stay inside once it gets cold, to keep warm while counting our piles and piles of cash. But then I kept studying and realized just how wrong I was. David and Saul is a huge story. An awesome story. But Kings & Prophets is the story. The balance of power between kings (and kings) and prophets, and the natural tension,

is truly riveting. A king rules down here, but a prophet speaks to God. A king can order around his subjects, but a prophet delivers God's orders to the king. And what happens when the wishes of an Earthly king clash with those of the King of kings? So, I took what I learned, did some thinking, and then streamlined everything into one narrative. You can see the interview at the end of the book for a more detailed description, but just know that I strove to stay true to the Bible's content and messages, while taking creative licenses in adapting those stories into an entertaining series that you can read. Enjoy! Note: Although I've mentioned my general dependency on the classic commentaries, I failed to acknowledge some of the more recent and contemporary works upon which I relied in writing the Kings & Prophets series. So, here goes -- a partial list of works that I used in studying the source material of Judges, Samuel, and Kings. Shoutout to all the Artscroll books, Torah Anthology volumes, the Da'ath Sofrim series, the Navi journey series, What Did the Prophets Say?, plus loads of lectures from YuTorah.org and mp3shiur.org. Thanks!

The Bible on Television Helen K. Bond, Edward Adams, 2020-02-06 This volume examines and discusses selected Bible documentaries and academically informed dramatizations of the Bible. With a major focus on recent productions in UK mainline television within the past 15 years, the contributors also engage with productions from the USA. After a critical introduction by Helen K. Bond, charting and reflecting on the use of the Bible on television in recent years, the book

falls into three sections. First, a number of influential filmmakers and producers, including Ray Bruce and Jean- Claude Bragard, discuss their work in relation to the context and constraints of television - especially religious television - programming. The volume then moves to reflections of various academics who have acted as 'talking heads', historical consultants and presenters, allowing discussion of different aspects of the process, including the extent to which they had influence and how their contributions were used. Finally, a number of scholars assess the finished products, discussing what they tell us about the modern reception of the Bible, with additional consideration of how these productions influence biblical scholars and contribute to the scholarly agenda.

The First Book of Moses, Called Genesis ,1999
Hailed as the most radical repackaging of the Bible since Gutenberg, these Pocket Canons give an up-close look at each book of the Bible.

King Manasseh and Child Sacrifice Francesca Stavrakopoulou,2012-10-24 The Hebrew Bible portrays King Manasseh and child sacrifice as the most reprehensible person and the most objectionable practice within the story of 'Israel'. This monograph suggests that historically, neither were as deviant as the Hebrew Bible appears to insist. Through careful historical reconstruction, it is argued that Manasseh was one of Judah's most successful monarchs, and child sacrifice played a central role in ancient Judahite religious practice. The biblical writers, motivated by ideological

concerns, have thus deliberately distorted the truth about Manasseh and child sacrifice.

Homilies: On the Gospel of St. Matthew. 1851-54
Saint John Chrysostom, 1854

Kings and Prophets Emil Bock, 2006 Argues for the importance of the Old Testament prophets for the modern world.

The Homeric Epics and the Gospel of Mark Dennis Ronald MacDonald, Professor of New Testament and Christian Origins Dennis R MacDonald, 2000-01-01 In this groundbreaking book, Dennis R. MacDonald offers an entirely new view of the New Testament gospel of Mark. The author of the earliest gospel was not writing history, nor was he merely recording tradition, MacDonald argues. Close reading and careful analysis show that Mark borrowed extensively from the Odyssey and the Iliad and that he wanted his readers to recognise the Homeric antecedents in Mark's story of Jesus. Mark was composing a prose anti-epic, MacDonald says, presenting Jesus as a suffering hero modeled after but far superior to traditional Greek heroes. Much like Odysseus, Mark's Jesus sails the seas with uncomprehending companions, encounters preternatural opponents, and suffers many things before confronting rivals who have made his house a den of thieves. In his death and burial, Jesus emulates Hector, although unlike Hector Jesus leaves his tomb empty. Mark's minor characters, too, recall Homeric predecessors: Bartimaeus emulates Tiresias; Joseph of Arimathea, Priam; and the women at the tomb, Helen, Hecuba, and Andromache. And, entire episodes in Mark mirror Homeric episodes, including stilling the sea,

walking on water, feeding the multitudes, the Triumphal E

Chronicle Of The Old Testament Kings John W Rogerson, 1999-10-26 Well detailed and illustrated outline of the rulers encompassed by the Old Testament, from Abraham to Herod.

The Bible on the Big Screen J. Stephen Lang, 2007 The Bible on the Big Screen gives movie buffs a comprehensive, chronological list of all biblical movies ever made, including interesting trivia and answers to intriguing questions.

Hidden Prophets of the Bible Michael Williams, 2017-08-01 From an expert on Bible translation and interpretation comes a revealing look at the Minor Prophets. Michael Williams, PhD, takes readers on a journey from Hosea to Malachi, uncovering significant messages about Jesus and the gospel. Making these often overlooked books accessible, Williams gives insight into each of the minor prophets, exploring Little-known facts about the prophet The gospel according to the prophet Why the prophet should matter to readers Though the Minor Prophets of the Old Testament may seem obscure, readers will discover the significance that lies within these short books and how the relevance of these books will help grow their faith. Questions prompt readers to reflect on what each prophet's message means for their own faith.

Ancient Israel: The Former Prophets: Joshua, Judges, Samuel, and Kings: A Translation with Commentary Robert Alter, 2013-04 Chronicles the ancient history of Israel and its prophets, from Samson to Elijah.

Hadassah Tommy Tenney, Mark Andrew Olsen, 2004
Vibrantly brings to life the extraordinary story of Hadassah, a beautiful peasant girl who, after chosen to become Esther, queen of Persia, gains favor with the king and saves her people, in an exciting historical novel set in pre-Islamic Persia. Reissue.

The Making of the New Testament Benjamin Bacon, 2021-12-02

Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Bible and Cinema Adele Reinhartz, 2022-03-30
Bible and Cinema: An Introduction is a comprehensive examination of how the Bible has been used and represented in mainstream cinema to develop its plots, characters, and themes. The book considers two general types of films: Bible movies that retell biblical stories, such as the Exodus and the life of Jesus, and Bible-related movies that make use of biblical books, stories, verses, and figures, and Bibles themselves to tell non-biblical, often fictional, narratives. Topics covered include: the contribution of Bible and Bible-related movies to the history of the Bible's reception; the ways in which filmmakers make use

of scripture to address and reflect their own time and place; the Bible as a vehicle through which films can address social and political issues, reflect human experiences and emotions, explore existential issues such as evil and death, and express themes such as destruction and redemption; the role of the Bible as a source of ethics and morality, and how this role is both perpetuated and undermined in a range of contemporary Hollywood films; and film as a medium for experiences of transcendence, and the role of the Bible in creating such experiences. This thoroughly updated second edition includes insightful analysis of films such as Noah, Gods and Men, Mary Magdalene, and The Shawshank Redemption, paying attention to visual and aural elements as well as plot, character, and dialogue. The book also includes pedagogical resources including discussions of film theory, as well as key words and discussion questions. Teachers, students, and anyone interested in the intersection of Bible and cinema will find this an invaluable guide to a growing field.

Reading the Gospels in the Dark Richard Walsh, 2003-10-01 Films with Jesus or Jesus-like characters have been part of movies since the earliest days, and Walsh explores just what kind of impact they have had on their audiences.

Children's Past Lives Carol Bowman, 2012-02-01 Has your child lived before? In this fascinating, controversial, and groundbreaking book, Carol Bowman reveals overwhelming evidence of past life memories in children. Not only are such experiences real, they are far more common than

most people realize. Bowman's extraordinary investigation was sparked when her young son, Chase, described his own past-life death on a Civil War battlefield--an account so accurate it was authenticated by an expert historian. Even more astonishing, Chase's chronic eczema and phobia of loud noises completely disappeared after he had the memory. Inspired by Chase's dramatic healing, Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives, spontaneously and naturally. In *Children's Past Lives*, she tells how to distinguish between a true past life memory and a fantasy, offers practical advice to parents on how to respond to a past life memory, and shows how to foster the spiritual and healing benefits of these experiences. Perhaps the most moving, convincing, and best-documented evidence yet for life after death, *Children's Past Lives* will stand alongside the classics of Betty J. Eadie, Raymond Moody, and Brian Weiss in its power to comfort, uplift, and transform our thinking about life after death

52 Key Bible Stories Rose Publishing, 2021-08-03
Easily see key information on 52 Bible stories at a glance! The Bible is packed with dozens of stories spanning over thousands of years. Enjoy having a quick overview and outline for every major Bible story in the Bible! The Early Prophets: Joshua, Judges, Samuel, and Kings, 2014-11-04 The story of ancient Israel, from the arrival in Canaan to the destruction of the Kingdom of Judah and the Babylonian exile some six centuries later, here is the highly anticipated second volume in Everett Fox's landmark translation of the Hebrew Bible. The personalities who appear in the pages of *The Early Prophets*, and the political and moral dilemmas their stories illuminate, are part of the living consciousness of the Western world. From Joshua and the tumbling walls of Jericho to Samson and Delilah, the prophet Samuel and the tragic King Saul, David and Goliath, Bathsheba and Absalom, King Solomon's temple, Elijah and the chariot of fire, Ahab and Jezebel—the stories of these men and women are deeply etched into Western culture because they beautifully encapsulate the human experience. The four books that comprise *The Early Prophets* look at tribal rivalries, dramatic changes in leadership, and the intrusions of neighboring empires through the prism of the divine-human relationship. Over the centuries, the faithful have read these narratives as demonstrations of the perils of disobeying God's will, and time and again Jews in exile found that the stories spoke to their own situations of cultural assimilation, destruction, and the reformulation of identity. They have had an equally indelible impact on generations of Christians, who have seen in many of the narratives foreshadowings of the life and death of Jesus, as well as models for their own lives and the careers of their leaders. But beyond its

importance as a foundational religious document, The Early Prophets is a great work of literature, a powerful and distinctive narrative of the past that seeks meaning in the midst of national catastrophe. Accompanied by illuminating commentary, notes, and maps, Everett Fox's masterly translation of the Hebrew original recreates the echoes, allusions, alliterations, and wordplays that rhetorically underscore its meaning and are intrinsic to a timeless text meant to be both studied and read aloud.

100 Bible Stories Concordia Publishing House, 1966-01-01 Bright, colorful illustrations make these stories come alive. Has explanatory notes to help children understand the story.

Of Prophets and Kings Antony F. Campbell, 2023-11-16 This erudite book presents the evidence for an early document, extending from 1 Sam 1:1 to 2 Kgs 10:28 and deriving from northern prophetic circles toward the end of the ninth century B.C. and identifies the text of this document, without appeal to emendation or dislocation of the present OT text. This book also considers its significance and some of the consequences which derive from it.

The Top Books of the Year Bible Movies Kings And Prophets The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this

year. Bible Movies Kings And Prophets : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Bible Movies Kings And Prophets : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with

Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
