There are many other enjoyable Biblical movies, and this excellent book offers detailed analyses of the more important films of this genre. So relax and enjoy as you go back in time!

Bible and Cinema Adele Reinhartz,2013-10-08 This is a comprehensive introduction to the ways in which the Bible has been used and represented in mainstream cinema. Adele Reinhartz considers the pervasive use of the Bible in feature films, and the medium of film as part of the Bible's reception history. The book examines how films draw on the Old and New Testament and the figure of Jesus Christ in various direct and indirect ways to develop their plots, characters, and themes. As well as movies that set out explicitly to retell biblical stories in their ancient context, it explores the ways in which contemporary, fictional feature films make use of biblical narrative. Topics covered include: how filmmakers make use of scripture to address and reflect their own time and place. the Bible as a vehicle through which films can address social and political issues, reflect human experiences and emotions, explore existential issues such as evil and death, and express themes such as destruction and redemption. the role of the Bible as a source of ethics and morality, and how this connection is both perpetuated and undermined in a range of contemporary Hollywood films. films that create an experience of transcendence, and the ways in which the Bible figures in that experience. Reinhartz offers insightful analysis of numerous films including *The Ten Commandments* and *The Shawshank Redemption*, paying attention to visual and aural elements as well as plot, character, and dialogue. Students will find this an invaluable guide to a growing field.

Bible Stories from the New Testament Meredyth Inman,2001 *Bible Stories from the New Testament* introduces Jesus' life and word to children and includes: Jesus Is Born The Journey of the Magi The 12 Apostles The Sermon on the Mount The Lord's Prayer The Prodigal Son The Good Samaritan Jesus Welcomes the Little Children Jesus Feeds the Crowd The Last Supper Jesus on the Cross Jesus Rises and many more!

Blood and Honey T. Robinson,1993 Today the news is full of reports of Middle East conflict, at the heart of which lies the state of Israel, hero to some and villain to others. In this book the actor, presenter, director and writer, Tony Robinson, presents an account of the background to this ancient and never-ending story, and reveals how little life has changed over the centuries. He retells Bible stories involving characters such as Samuel, Saul, David and Goliath, and in his search for the Promised Land he finds

blood and honey, instead of the milk and honey he was expecting.

King Manasseh and Child Sacrifice Francesca Stavrakopoulou, 2012-10-24 The Hebrew Bible portrays King Manasseh and child sacrifice as the most reprehensible person and the most objectionable practice within the story of 'Israel'. This monograph suggests that historically, neither were as deviant as the Hebrew Bible appears to insist. Through careful historical reconstruction, it is argued that Manasseh was one of Judah's most successful monarchs, and child sacrifice played a central role in ancient Judahite religious practice. The biblical writers, motivated by ideological concerns, have thus deliberately distorted the truth about Manasseh and child sacrifice.

Children's Past Lives Carol Bowman, 2012-02-01 Has your child lived before? In this fascinating, controversial, and groundbreaking book, Carol Bowman reveals overwhelming evidence of past life memories in children. Not only are such experiences real, they are far more common than most people realize. Bowman's extraordinary investigation was sparked when her young son, Chase, described his own past-life death on a Civil War battlefield--an account so accurate it was authenticated by an expert historian. Even more astonishing, Chase's chronic eczema and phobia of loud noises completely disappeared after he had the memory. Inspired by Chase's dramatic healing, Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives, spontaneously and naturally. In *Children's Past Lives*, she tells how to distinguish between a true past life memory and a fantasy, offers practical advice to parents on how to respond to a past life memory, and shows how to foster the spiritual and healing benefits of these experiences. Perhaps the most moving, convincing, and best-documented evidence yet for life after death, *Children's Past Lives* will stand alongside the classics of Betty J. Eadie, Raymond Moody, and Brian Weiss in its power to comfort, uplift, and transform our thinking about life after death.

Truth in Translation Jason BeDuhn, 2003 *Truth in Translation* is a critical study of Biblical translation, assessing the accuracy of nine English versions of the New Testament in wide use today. By looking at passages where theological investment is at a premium, the author demonstrates that many versions deviate from accurate translation under the pressure of theological bias.

The Homeric Epics and the Gospel of Mark Dennis Ronald MacDonald, Professor

of New Testament and Christian Origins Dennis R MacDonald, 2000-01-01 In this groundbreaking book, Dennis R. MacDonald offers an entirely new view of the New Testament gospel of Mark. The author of the earliest gospel was not writing history, nor was he merely recording tradition, MacDonald argues. Close reading and careful analysis show that Mark borrowed extensively from the Odyssey and the Iliad and that he wanted his readers to recognise the Homeric antecedents in Mark's story of Jesus. Mark was composing a prose anti-epic, MacDonald says, presenting Jesus as a suffering hero modeled after but far superior to traditional Greek heroes. Much like Odysseus, Mark's Jesus sails the seas with uncomprehending companions, encounters preternatural opponents, and suffers many things before confronting rivals who have made his house a den of thieves. In his death and burial, Jesus emulates Hector, although unlike Hector Jesus leaves his tomb empty. Mark's minor characters, too, recall Homeric predecessors: Bartimaeus emulates Tiresias; Joseph of Arimathea, Priam; and the women at the tomb, Helen, Hecuba, and Andromache. And, entire episodes in Mark mirror Homeric episodes, including stilling the sea, walking on water, feeding the multitudes, the Triumphal E

The Bible on the Big Screen J. Stephen Lang, 2007 The Bible on the Big Screen gives movie buffs a comprehensive, chronological list of all biblical movies ever made, including interesting trivia and answers to intriguing questions.

Biblical Epics Bruce Francis Babington, Peter William Evans, 2009-06-01 Biblical Epics: Sacred Narrative in the Hollywood Cinema is a major survey and analysis of the relationship between religion and film, and traces the development of this genre in Hollywood. The book examines the impact of religion, ethnicity, sexuality, and gender on this complex genre, within the context of American history. Together, Bruce Francis Babington and Peter William Evans raise questions of narrative spectacle, Jewish-Christian relations, authorship, star meanings, the representation of Christ, and sexual desire. The authors theorize the Biblical epic in its three main forms: the Old Testament epic; the Christ film; and the Roman-Christian epic. Films analyzed include David and Bathsheba, The Last Temptation of Christ, The King of Kings, The Greatest Story Ever Told, Demetrius and the Gladiators, Samson and Delilah, and Ben Hur.

The Miracle Maker Ralph Fiennes, Thomas Nelson Publishers, Julie Christie, Richard E. Grant, William Hurst, Alfred Molina, 2007-05-01 The Miracle Maker The greatest story ever told comes to life in spectacular clay-animation. Featuring the voices of an all-star cast, Christ's ageless tale unfolds around the story of a family seeking help for an ailing daughter. When they cross paths with an extraordinary carpenter named Jesus, the family's faith is put to the test as the father is torn between allegiance to the king and the desperate need for the miraculous powers of God. Jesus of Nazareth Beginning before the Nativity, and extending through the Crucifixion and Resurrection, Jesus of Nazareth brings to life all the majesty and sweeping drama of the life of Jesus as told in the Gospels. The film provides the setting and background for the birth, childhood, baptism, teaching, and many miracles of the Messiah, culminating in the Resurrection.

Bible History: Old Testament Alfred Edersheim, 2013-06-30 Alfred Edersheim (1825 – 1889) was a Jewish convert to Christianity, a Presbyterian and Anglican minister, and a Biblical scholar. He is remembered for his works *The Temple: its Ministry and Services as they were in the Time of Jesus Christ*, *Sketches of Jewish Social Life in the days of Christ*, *The Life and Times of Jesus the Messiah*, and his history of the Old Testament.

The Bible in Motion Rhonda Burnette-Bletsch, 2016-09-12 This two-part volume contains a comprehensive collection of original studies by well-known scholars focusing on the Bible's wide-ranging reception in world cinema. It is organized into sections examining the rich cinematic afterlives of selected characters from the Hebrew Bible and New Testament; considering issues of biblical reception across a wide array of film genres, ranging from noir to anime; featuring directors, from Lee Chang-dong to the Coen brothers, whose body of work reveals an enduring fascination with biblical texts and motifs; and offering topical essays on cinema's treatment of selected biblical themes (e.g., lament, apocalyptic), particular interpretive lenses (e.g., feminist interpretation, queer theory), and windows into biblical reception in a variety of world cinemas (e.g., Indian, Israeli, and Third Cinema). This handbook is intended for scholars of the Bible, religion, and film as well as for a wider general audience.

Bible and Cinema Adele Reinhartz, 2022-03-30 *Bible and Cinema: An Introduction* is a comprehensive examination of how the Bible has been used and represented in mainstream cinema to develop its plots, characters, and themes. The book considers two general types of films: Bible movies that retell biblical stories, such as the Exodus and the life of Jesus, and Bible-related movies that make use of biblical books, stories, verses, and figures, and Bibles themselves to tell non-biblical, often fictional, narratives. Topics covered include: the contribution of Bible and Bible-related movies to the history of the Bible's reception; the ways in which filmmakers make use of scripture to address and reflect their own time and place; the Bible as a vehicle through which films can address social and political issues, reflect human experiences and emotions, explore existential issues such as evil and death, and express themes such as destruction and redemption; the role of the Bible as a source of ethics and morality, and how this role is both perpetuated and undermined in a range of contemporary Hollywood films; and film as a medium for experiences of transcendence, and the role of the Bible in creating such experiences. This thoroughly updated second edition includes insightful analysis of films such as *Noah*, *Gods and Men*, *Mary Magdalene*, and *The Shawshank Redemption*, paying attention to visual and aural elements as well as plot, character, and dialogue. The book also includes pedagogical resources including discussions of film theory, as well as key words and discussion questions. Teachers, students, and anyone interested in the intersection of Bible and cinema will find this an invaluable guide to a growing field.
