No More Faking Fine Esther Fleece Allen, 2017-01-10

Scripture reveals a God who meets us where we are, not where we pretend to be. **No More Faking Fine** is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never wastes. **No More Faking Fine** is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.

My Daily Walk with Jesus Bernd Weimer, 2014-09-11 Time, time, time. In this fast moving world of modern, ever changing technology we all struggle with time to do the things we know we need to do. One of those “need to” disciplines is the daily reading of God’s Word in a way that is life-changing and mind renewing. When Bernd Weimer told me that he was going to write a book on how to systematically read and study the entire Bible in a year, it was all I could do to keep from saying “Oh no, not another read-the-Bible-in-a-year book.” Although I was inwardly skeptical, I encouraged him as he started the project. There were so many books already written from a Bible devotional nature that Bernd’s book would have to be very unique to be accepted and widely used. But Bernd has pulled it off. He has developed a method whereby the reader can work his or her way through the Word of

God without guilt of failure. This book is more than just a Bible reading plan. When used, this book can become a lifelong journal filled with your impressions from the Lord, special quotes from people that have touched your heart and spirit, and your own personal Bible study notes. To the casual reader, this book will be impressive because of its sheer simplicity, and yet many will be astonished by the book's depth of allowing the reader to make it his or her own life history with the Lord. It is a single, bright sword, cut across three different books in one: a Bible reading guide, a person journal, and a Biblical insight on key passages. Pastor Charles Morris, Founder and Senior Pastor, RSI Ministries
