God Has a Plan for You! Robert D Prescott-Ezickson, 2001 I read the Bible, but I don't get anything out of it. I want to know what the Bible says, but I need a guide to understand it. I just don't have time to read the whole Bible, but I want to know its message for me. If any of these statements describe you (or your parishioners), then this is the book for you. Arranged in 52 weekly sessions, *God Has A Plan For You!* provides an easy-to-follow structure for a one-year plan to read through the entire Bible. It offers a broad overview of the message of scripture, as well as practical applications to daily Christian living. Each chapter includes a clear explanation of the biblical text and its meaning for today. And study questions and thought-provokers help readers to deepen their understanding. The unique format makes this an excellent resource for a preaching series, Sunday school lessons, or a group Bible study, as well as for personal Bible reading. Wherever you are in your spiritual journey, this book can help you reach your spiritual goals by fostering a clear understanding of the Bible's message and God's plan for you. *God Has A Plan For You!* celebrates the message of the Bible from Genesis to Revelation.... This approach helps make all of the written word -- not just the

more familiar favorite passages -- the basis of a life lived in obedience to God and his kingdom agenda for the church. Dr. Prescott-Ezickson wisely avoids secondary issues and dubious interpretations, consistently focusing on the central message of salvation as it is found from the beginning to the end of the scriptures. Readers, whether from the laity or the clergy, will come away from this volume with a new appreciation of the fundamental message of the Bible. Robert T. Coote, Associate Director Overseas Ministries Study Center New Haven, Connecticut Robert D. Prescott-Ezickson is senior pastor of First Baptist Church in Meriden, Connecticut, and an adjunct professor of religion at Central Connecticut State University. A graduate of Southern Baptist Theological Seminary in Louisville, Kentucky, Prescott-Ezickson has previously pastored churches in Indiana, New Jersey, and Connecticut. He has served as president of the Minister's Council for American Baptist Churches of Connecticut, moderator of the South Central Association, and president of the Meriden Clergy Association.

A Brief Survey of the Bible Study Guide Zondervan, 2015-12-01

The Bible is the inspired Word of God, and over the centuries it has changed people's lives and led them to God. Yet sometimes it

can be a difficult book to understand. The culture in which the Bible was written is so different from our own that at times we struggle to understand what it means or how it is relevant to our modern lives. In this 14-session video Bible study (DVD/digital sold separately), Bible professors John Walton and Mark Strauss give you the background you need to successfully understand even the difficult parts of the Word of God. They provide an overview of the Bible's key themes, show what the teachings meant to the people at the time, and explain how those teachings apply to your life today. By the end, you will have a greater understanding of Scripture, know how all the books work together, and understand what God has done to make a way for you to come to him. This study guide includes: Group discussion questions and notes to help you get the most out of the fourteen video sessions in A Brief Study of the Bible Video Study An overview of each book of the Bible and a daily reading plan Between-sessions Scripture passages, reading tips, and key stories to help you dig into the content Additional facts to help you understand the situations behind the story Sessions include: Introduction Genesis—Exodus Leviticus—Deuteronomy Joshua—1 Samuel 2 Samuel—2 Kings 1 Chronicles—Nehemiah Esther—Psalm 90 Psalm 91—Song of Songs

One Year Bible Reading Plan and Journal Sterling

Edwards, 2020-11-08 The purpose of this ONE YEAR READING PLAN and is to provide a 365 day journal that serves a resource to help prioritize spending consistent time in God's Word. Busy schedules and daily routines vie for our time and attention. The urgency of schedules often interfere with various goals and priorities, including spending time daily reading the Bible and praying. There are many devotionals written to provide insight into what God reveals through His Word. These devotionals give exceptional insight from authors who know the Bible and know how to apply the Scriptures. Yet, as followers of Jesus, we can also grow in our ability to learn to read, reflect, and prioritize spending our own time study God's Word. This journal provides a selected passage to read and a pre-lined space to write what God is revealing to you as an individual. The hope is that as we study God's Word, we will become more and more familiar with how to read God's Word, interpret God's Word, and pray God's Word. The goal of this resource is to make spending time in God's Word and praying a priority each day of the year. The selected reading plan

allows the reader to read through the entire Old Testament and New Testament, by reading six days each week. Following the daily passages, there is a space to summarize the passage, apply the passage, and pray for that day. On the seventh day, there is a day for reflection.

Summarization The first section is designed to provide space to summarize the Bible passage that was read. There are lines provided to write summary statements that can be used to restate or breakdown the chapters that were read. This allows for the reader to carefully determine and discern the message that was read.

Application In addition to discerning the meaning of the passage, there is a space provided to write down how the passage applies to our lives. This allows the reader to understand and the implications and practicality of what has been read.

Prayer Finally, there is space provided for the reader to write down a daily prayer. This prayer can come out of what has been read, the Bible passage, as well as a prayer for personal matters, decisions, situations, and people.

Rest, Reflect, and Remember

Each week, there will be a listing where the focus of that day will be to pause and reflect on what God has been revealing. This is also an opportunity to focus on what God has provided and the promises that He continue to keep.

A New Year There are many

resolutions, promises, and new habits that we can begin in the new year. But, what if our true desire for this new year was to hear, know, and understand God better at the end of the year than we do right now? My prayer is that your commitment to spending time daily in God's Word will not only be helpful, but that it would be absolutely life-changing. I am praying that each of us will look forward to spending time in God's Word throughout the next year. - Sterling Edwards

Footsteps Through the Bible Richard M. Gagnon, 2000 Have you always wanted to read the entire Bible, but found that the ordering of the Scriptures made reading too difficult or confusing? This 52-week reading plan takes you through your copy of God's Word in a chronological fashion. Read all of the Bible's events in the order that they actually happened.

Invitation to Romans: Participant Book Prof Pamela M. Eisenbaum, 2012-08-01 Exploring how people have interpreted Romans through the ages is a good lens to view the history of Christianity itself. Compare what Paul writes in Romans to what theologians like Augustine, Luther and Calvin say in trying to understand Paul in their time. At the end of this study your group

will have a more informed commitment to Paul's radical vision of God's relationship to both Christians and Jews and to their relationship to each other, thanks to the love of God in Christ Jesus. The weekly video segments first present text read aloud against a backdrop of a wide variety of church settings followed by a conversation between a church historian and a church theologian about the text. The second weekly video is led by story teller, Michael Williams, who shares snapshot views of how Romans has been read through history. Ideal experience for adults who are interested in the practice of prayer and worship and would like to connect prayer practice with Scripture. The study is accessible for adults with little prior Bible experience. Participants for this Invitation to Romans do not have to have an in-depth knowledge of the Bible to enjoy and benefit from participation. Reading just two chapters of Romans a week, they will discover the life altering stories that will invite them to follow Christ as true disciples. This eight-week study includes a participant book outlining daily reading assignments for group preparations, a leader guide suggesting discussion activities for use in the 60–90-minute weekly meeting, and a video component providing interpretation and context for the biblical texts. From Genesis to Maps: A Daily Plan and Companion to Reading Through the Bible in a Year Jim Nichols, 2019-03-23 A Bible reading schedule and devotional guide to help you read the Bible through. At the front are nine tips to help you see this project through and get into daily Bible reading as a regular habit.

Disciple Fast Track Genesis Exodus Study Manual Richard B. Wilke, 2018-02-26 This 12-week study will immerse you in the books of Genesis and Exodus. Disciple Fast Track Into the Word Into the World is an adaptation of the original, bestselling Disciple Bible Study Into the Word Into the World. The study is ideal for busy people who want to fit an in-depth Bible study into their schedule. The study retains the familiar Disciple format with its theme word, theme verse, statement of the human condition, daily and weekly assignments, and prayer. Into the Word helps readers deepen their understanding of Scripture and make connections

between what they already know and what they are reading. Each week you will encounter three spiritual disciplines, learn what they are, and how you can engage those disciplines. The first discipline varies from week to week, then moves into Sabbath and prayer. In every session, you commit to how you will respond to Scripture in terms of ministry in the world. Into the World identifies some needs in the world for which ministry is needed and suggests possible responses, then invites participants to summarize the scripture message that will shape their ministry and to decide what response and commitment to make to that message. Each week you will be guided in experiencing the gift of Sabbath rest and renewal. Classes meet for a total of 24 weeks, studying Genesis-Exodus and Luke-Acts for 12 sessions each. Daily preparation is manageable, with 3-5 chapters of the Bible to read each day. Minimal additional preparation is needed for the leader--just follow the Guide. Weekly sessions last 75 minutes. Four hosts will provide 3-5 minute video insights related to the week's session. Flexible for use with small groups of 8-14, or for large groups of 15-100.

The Promised One (A 10-week Bible Study) Nancy

Guthrie, 2011-07-07 This first volume in the Seeing Jesus in the Old

Testament Bible study series guides women through a Christ-centered study of Genesis. The Promised One provides a fresh look at the book of Genesis, leading women in discovering how its stories, symbols, people, and promises point to Christ. Over ten weeks of study, participants will see Christ as the agent of creation, the offspring who will crush the head of the serpent, the ark of salvation, the source of the righteousness credited to Abraham, the substitutionary sacrifice provided by God, the Savior to whom the whole world must come for life, and much more. Each weekly lesson includes questions for personal study, a contemporary teaching chapter that emphasizes how the passage fits into the bigger story of redemptive history, a brief section on how the passage uniquely points to what is yet to come at the consummation of Christ's kingdom, and a leader's guide for group discussion. A ten-session DVD companion set is also available.

Isaiah Drew Hunter, 2013-04-30 The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses"

highlighting the gospel of grace throughout the book; (3) “Whole-Bible Connections” showing how any given passage connects to the Bible’s overarching story of redemption culminating in Christ; and (4) “Theological Soundings” identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. Pastor Drew Hunter helps readers understand and apply the challenging words of the prophet Isaiah in this 12-week study. Isaiah’s prophecy, which alternates between promises of judgment and restoration, reminds God’s people of the magnitude of humanity’s sin, the judgment that we all deserve, and how God displays his glory by saving sinners. Throughout the study, Hunter continually shows how Isaiah’s promise of cosmic renewal ultimately anticipates the work of Jesus Christ, the servant-king whose death would result in new life for all who trust in him.

Every Day with Jesus Daily Bible Selwyn Hughes, 2013-10-01

Many people begin a new year with a commitment to read the Bible through in 365 days. These intentions are good, but the reading plan they choose may not be the most effective one for

reaching the goal. Every Day with Jesus Daily Bible manages to overcome many difficulties of reading the Bible straight through in a year. From day one, the plan provides rich variety in the readings. Each day includes a selection from: • The Old Testament • The New Testament • Psalms • Proverbs There's also a devotion from beloved pastor Selwyn Hughes that is linked to one of the four readings for the day. Those who follow this plan will read the entire Bible in a year. Reading the four different Scripture portions each day has the benefit of introducing many readers to passages they have never explored. And this is done in a context where encountering the four different Scripture selections together at the same time will yield new insights into God's Word.
