**The Joshua Code** O. S. Hawkins, 2012 Discover the secret Joshua gave the Israelites for prosperity and success. The Israelites finally had land and the opportunity to start anew. Their leader, Joshua, spoke wisely about how to follow God's law and how to be successful. Joshua 1:8 says, This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success. The Joshua Code™ is a challenge to keep the Word in our mouths through memorization and in our hearts through meditation day and night. The fifty-two chapters in this volume are designed to lead you on a yearlong journey by spending each week memorizing and meditating on one Scripture verse so that it becomes a living part of your very being. Topics include grace, temptation, the three levels of prayer, fruit of the spirit, and more. The outlines in each chapter can also be used by the busy pastor or Bible teacher for guiding their members. God's Word is powerful and profitable when studied and applied by anyone, the young and the seasoned believer alike. You will both enjoy and profit from reading The Joshua Code. His emphasis upon the importance of Scripture memorization vibrates once more the lost chord of hiding God's Word in your heart. - Dr. John Edmund Haggai, Founder and CEO, Haggai Institute The Joshua Code literally cracks the code that every leader struggles with: In these uncertain times, with uncertain outcomes, how can a leader put first things first? The example of Joshua memorizing and meditating on God's Word moves us from success to significance. Most of all, the emphasis on Scripture memory fits in perfectly with our matrix at Student Leadership University that you will be the same person five years from now, except for the books you read, the people you meet, the places you go, and the things you memorize. - Dr. Jay Strack, President & Founder, Student Leadership University The Joshua Code is impacting our whole church as we memorize the Scriptures together. Each week the Scripture verse appears in our announcements and on Sunday evenings the verse is recited as a group and the devotional thoughts are read then discussed. This is bringing us together as a family around the Word of God. - Dr. Thomas Sherwood, Long Falls Church, Carthage, New York Whether on the football field or the field of life you need a playbook. My friend, O.S. Hawkins' new book, The Joshua Code, is a great resource in understanding the 52 verses every believer should know. I read it regularly in my own devotions and enthusiastically recommend it to my family, friends and fans. - Roger Staubach, NFL Hall of Fame Quarterback

*They Say It's Spiritual, but What Does the Bible Say?* Linda Conley, 2020-03-05 I have learned so much in writing this and gained so much knowledge that I did not know and knew with the reinforcement by my reading and searching scriptures from what I've heard preached to me and in

Bible study that I feel assured that I am firmly in the one true Church of CHRIST. I must live accordingly for the hope that is mine to gain or lose. Yes, the scripture is right where JESUS CHRIST said he would bring a sword referring that some will believe and some will not. The most important thing I seek is that you read and truly study the Bible and follow that. It is, however, to have the right tool, and the Bible is the right and only source for the truth even more to have the right Bible. I have written that King James Version with thee, thou, yea, and not the New King James Version or others that are written as said for easy reading should be the tool. The new versions have been written with scripture verses left out of them that are in the King James Version. The new versions change the meaning of the scriptures that they say using other words that mean the same thing, but really, they do not and will lead astray. You, if possible, should compare such.

Somewhere in the Bible Harris F. Allen, 2011-04-27 For all who have found the Bible difficult to read and science hard to understand, this author did too! Wouldn't it be wonderful if someone would take the time to study things such as difficult verses? Also, would it be helpful if somebody wrote it in a book? Have we really found real truth to Noah's flood? Does anyone know the physics that could cause such a global occurrence? Someone has now researched for most of a lifetime, plus three extra years of intensive study. The answers are not always easy, the solutions not always simple. Modern Science finds more evidence almost daily that there once was a flood of such proportions. Author, Harris F. Allen has spent countless hours attempting to answer his own questions. He has a few tools including much science and Bible in his college studies. Always an active overachiever, Allen has become deaf and partially disabled. That left far more time and greater opportunity than he could ever imagine. Having a history of regular church attendance from his early youth, the author received a reasonable background, but always had some unanswered questions. So, in pharmacy school in a Baptist college, he excelled in New and Old Testament studies. Chemistry and science of various sorts were the main topics of study, and by adding Bible, that is an ideal mix for this discussion. Allen will present his findings from both a scientific view and a Biblical understanding. He will explain what he found about difficult verses and some parts of the Bible that seem at times to be in conflict. He will also discuss the physics, biochemistry and other dynamics that could be involved in such a worldwide flood. Regardless of science or Biblical belief, the flood did occur at about the time the Bible said it did.
