A Story of God and All of Us Reflections Mark Burnett, Roma

Downey, 2013-02-26 In the beginning, God created the heavens and the earth (Genesis 1:1). These are the opening words of the greatest book the world has ever known. The Bible. In the Spring of 2013, husband-and-wife team Mark Burnett and Roma Downey decided to bring this story to the world in an epic television miniseries. This gorgeous, high-design book of 100 daily inspirations will help you to experience God's love through the text of the Bible. Each reflection includes a Bible verse, a personal reading, and a short prayer with visually stunning images from the set of the epic TV Miniseries, The Bible. In this book you will find that God's love for you is a wellspring-inexhaustible, ever flowing, refreshing, and always available.

No More Faking Fine Esther Fleece Allen, 2017-01-10 Scripture reveals a God who meets us where we are, not where we pretend to be. No More Faking Fine is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never wastes. No More Faking Fine is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have

it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.

365 Bible Quotes: Daily Bible Quotes to Empower Your Success and Happiness with Faith Xabier K. Fernao, 2019-02-21 The Bible says to love God with all your heart, with all your soul and all your mind. In 1995, the Bible sold more than 5 billion copies, as reported by the Guinness World Record. Not everyone is born a follower of Christ, but those who've seen the light, rarely turns back. The Bible is probably the most important book ever created. It teaches love, spirituality, wisdom and kindness unlike any other books. The Quotes in Bible are so profound and life-changing because they have such deep meanings and each quotes are so significant to each individual because they all mean different things. Maybe a quote that you'll read in the next 365 days will remind you of why you even began to embrace the teachings of the Bible. Maybe it'll help you remember something that is deep in your heart... something that you're grateful for and yet you've forgotten it in your busy lifestyle.

From Social Media to Social Ministry Nona Jones, 2020-06-23 This book outlines digital discipleship principles for building an online community and provides practical instruction for how to do it no matter how big or small a local church may be. There are more than 2.3 billion professing Christians in the world and more and more new churches launching globally, yet statistics show that in-person church attendance is declining or plateauing in every nation. Although social technology has been around for more than two decades, church leaders have long bristled at the idea of church online, ranking it as

the last concern on their minds in Barna's 2020 state of the church report published February 3, 2020. And then, three weeks later, COVID-19 closed the doors of every church on earth and suddenly forced them entirely online. Nona Jones, a globally acclaimed thought leader on leveraging technology for ministry, had been leading a movement and sounding the alarm for several years to make digital discipleship a central part of every church's ministry approach. In *From Social Media to Social Ministry*, she outlines her digital discipleship principles and provides practical instruction for how to do it no matter how big or small a local church may be. There are plenty of books to help churches build a social media strategy, but this is the first book of its kind that goes beyond digital marketing to digital ministry. Readers will leave this book with: Clarity on what discipleship truly is The data that underscores the urgency for digital discipleship Understanding of the resources required to do it well A step-by-step guide on how to implement digital discipleship into ministry plans Knowledge of the differences among and purposes of the most popular social platforms, as well as the tools best positioned for digital ministry
