Philip R. Davies

The Bible, Is it Believable? If not, what then? Dr. Tyrone Bennett, 2014-10-02 "One of the most beautiful things anyone could experience in this life is becoming a Christian. For when men and women become once again in union with God we are complete, both in body and spirit." Using this message as the core platform of his book, Tyrone Bennett addresses the issue of bitter discrepancies between different religions and anoints the Bible as the sole provider of the truth about the relationship between God and Man. Through his interpretations of passages and messages from the Bible, Bennett encourages devout Christianity, instilling the idea that true Christianity is more than attending church and celebrating holidays. He explains that it is a lifestyle that requires a lifelong devotion and has specific guidelines. Through sharp perception and uplifting wisdom, Tyrone Bennett reaffirms faith in those who don't allow God's saving grace into their lives.

Whose Bible is it Anyway? Philip R. Davies, 1995-01-01 Can religious writings make sense to any reader who does not accept the reality of the deities to which they refer? Do Christians understand the Old Testament better than the Jews understand their Bible? The Bible, argues this book, may belong to the Church or synagogue as an instrument of religious practice, but as an object of academic study it belongs to the world as a whole, and so can function in theory and practice as a secular discourse. *Whose Bible is it Anyway?* shows how a genuinely academic discourse - one that distances itself

from received canons of interpretation - about biblical writings can: expose a subtext of deceit within the Creation narratives; re-conceptualize the relationship between Abraham and his deity; reveal lament psalms as texts of oppression; and identify the death of Daniel's God.--BOOK JACKET.

A Peculiar Glory John Piper, 2016-03-16 God has provided a way for all
people, not just scholars, to know that the Bible is the Word of God. John
Piper has devoted his life to showing us that the glory of God is object of
the soul's happiness. Now, his burden in this book is to demonstrate that
this same glory is the ground of the mind's certainty. God's peculiar glory
shines through his Word. The Spirit of God enlightens the eyes of our hearts.
And in one self-authenticating sight, our minds are sure and our hearts are
satisfied. Justified certainty and solid joy meet in the peculiar glory of
God.

How Do We Know the Bible is True Volume 1 Ken Ham, Bodie Hodge, 2011-07-01
Today there are untold voices in print, on television, and online calling for
our attention, and so many of these mock or belittle our faith. From
coworkers to those calling themselves Christians, the tone has become one of
reproach, disparaging the character of God and undermining the authority of
the Bible. For those who have a heart for God, it can be intimidating and

discouraging. *How Do We Know the Bible is True?* is based on the absolute authority of God's Word, not man-centered explanations. Clearly presented, it will help bring clarity in a world filled with increasingly vague notions of truth. Over 20 relevant issues are discussed including: Is the Bible totally without error? Did the resurrection really happen? How do we know that the 66 books of the Bible are from God? Does the Bible contradict itself? How were people saved before Jesus came? What is the purpose and meaning of life? Did miracles really happen? Was Genesis derived from ancient myths? How should we interpret the Bible; should Genesis be literal? Do you have to believe in a young earth to be saved? Within these pages you will find responses to those honest questions of faith, helping to build a confidence in God's Word and inspiring your daily walk in His grace and peace. These powerful biblical insights are soundly presented by more than a dozen respected defenders of the faith, including Ken Ham, John MacArthur, Terry Mortenson, Jason Lisle, Brian Edwards, Tommy Mitchell, Jobe Martin, Georgia Purdom, Bodie Hodge, and Roger Patterson.

Ten Reasons Why I Believe the Bible Is the Word of God R.A.

Torrey, 2015-04-01 I was brought up to believe that the Bible was the Word of God. In early life I accepted it as such upon the authority of my parents, and never gave the question any serious thought. But later in life my faith in the Bible was utterly shattered through the influence of the writings of a very celebrated, scholarly and brilliant sceptic. I found myself face to face with the question, Why do you believe the Bible is the Word of God? I had no satisfactory answer. I determined to go to the bottom of this question. If satisfactory proof could not be found that the Bible was God's Word I would give the whole thing up, cost what it might. If satisfactory proof could be found that the Bible was God's Word I would take my stand upon it, cost what it might. I doubtless had many friends who could have answered the question satisfactorily, but I was unwilling to confide to them the struggle that was going on in my own heart; so I sought help from God and from books, and after much painful study and thought came out of the darkness of scepticism into the broad daylight of faith and certainty that the Bible from beginning to end is God's Word. The following pages are largely the outcome of that experience of conflict and final victory. I will give Ten Reasons why I believe the Bible is the Word of God.

How Do We Know the Bible Is True? Ken Ham, Bodie Hodge, 2012 We are an increasingly skeptical society - whether it comes to politics, science, or even faith. As various channels of media vie for our time and attention,

people see conflict everywhere, even about fundamental aspects of the Bible. In this popular new series, a stellar group of biblical scholars, seminary professors and apologetics ministry leaders team up to offer compelling facts and research to reassure Christians about the validity and inerrancy of the Bible.

The Bible Is Not God's Word. Metusela F Albert, 2021-08-17 This book is going to blow your mind with exclusive truth that has been hidden for decades because it was not understood by the mainline Christian (Protestant) Churches and denominations. Read it for yourself and stop being deceived by your own church. You are going to learn something that you had not known before about JESUS in the Old and New Testaments; and his two natures during his incarnation on earth. Did you not know yet that the Almighty God of Abraham did not have a Son in heaven called Jesus? . . . Did you? . . . Really? Of course! JESUS was the Almighty God of Abraham before his incarnation through Mary at Bethlehem. HE alone created the heaven and the earth. There is no other God besides him. None before him and after him. Worship is due to JESUS alone. He was the Father who became the Son of God through Mary at Bethlehem by the incarnation process. While JEHOVAH was in human flesh called Jesus, he did not cease from being God the Father. As an immortal God from eternity, Jesus Christ's divinity cannot die. Therefore, only his humanity died at Calvary.

The Bible Is Mythology travis haan,2017-02-24 A once devout Christian, I dedicated myself to studying the Bible in an attempt to write the perfect argument for why the Bible is the word of God. Instead my studies led me kicking and screaming to the conclusion that the Bible is mythology. This book is a collection of essays detailing how I came to the conclusion that the Bible is mythology and Christianity does more harm than good in the world.

The Bible is a Single Book H Doyle Smith,2023-02-28 God is omniscient, omnipresent, omnipotent. The Bible tells of his powers and more. Everything we need to know to be saved are all in the Bible. Most people, though, think the Bible is simply a written recording of anecdotes of God and his interaction with humans and the testament of his power. That is, however, not all of it. The scholars have excluded the apocrypha, purposely preserving the teachings that are constant throughout the books in the Bible. This makes the Bible more than just the collection of the sacred texts from the days of God. The scholars have observed a system. The Bible Is a Single Book undertakes the project of explaining the outline and theme found in the Bible. This will pave way for readers to be further enlightened when studying the Bible for their salvation.

Why the Bible Is so Hard to Understand ... and Tips to Understanding It Steve Langford,2023-01-06 The Bible continues to be a source people turn to in their hunger for God. Yet, the Bible can be a challenging, confusing book

to understand. In *Why the Bible is So Hard to Understand...and tips to understanding it*, author Steve Langford explores the challenges readers commonly encounter in reading the Bible. The first challenges Steve identifies are those found within how we naturally, unconsciously read the Bible. Then he addresses the Bible's nature as sixty-six different books written from an ancient, near-Eastern, pre-scientific perspective. He then offers a simple model of interpretation that guides the reader in unwrapping the spiritual truth from the human "wrapper" used to deliver it. The model is followed by guidelines for using it. Two bible studies are included, one of Jesus walking on the water that illustrates how to use the model and one from the life of Peter that outlines the process of spiritual growth that is prompted as we read the Bible. The book also offers guidelines for exercising spiritual discernment and for praying the Bible using the practice of *lectio divina*. It presents an outline of biblical history that helps the reader put each of the six-six books in its historical context. It ends with theological reflections on God's eternal redemptive purpose, the kingdom of God, and the church.
