**Crack Cocaine: Let My People Go!** Minister Willie J.

Henderson, 2010-08-31 If you're sick and tired of the pathetic lifestyle of being addicted to crack cocaine then this book will teach how to overcome the temptations to use or engage in sexual immorality by following the example that Christ used in Luke 4:1-13. Each time temptation presented itself Christ responded, It is written... followed by the appropriate verse of scripture. My friend, just like Christ when you learn how the correct verses to use in when life presents a crisis you too will walk away in victory! Christ came down from heaven to become set an example, to teach how to overcome the devil's offers by the using the Power of The Written Word! Your deliverance is only a verse away! It is written.

Breaking the Spirit of Addiction Randy Hunter, 2008-04-21 The epidemic of drug addiction has ruined untold countless lives in the United States and throughout the entire world. As events in the world seem to become progressively worse, so does the problem of drug addiction. I have personally fought the war on drugs, having a career in narcotics law enforcement. Even though God has blessed me to have great success in my career as a narcotics officer, I have come to understand that the only way to rid society of narcotics abuse is to stop the demand. The old business adage of supply and demand runs especially true in the narcotics industry. If people in society want illicit drugs of abuse, someone somewhere is going to produce, grow, manufacture, transport and

sell them. I believe that God has called me to minister to anyone that will listen about how to get our families and friends freed from the bondage of drug addiction that is destroying this generation. I have been asked many times by many people about what they could do to help their family and friends that are under the influence of drug abuse. At the time, I didn't have many answers to give them. I then began to ask God in prayer to help me understand the problem of addiction and what God's Word said about it. God answered my prayer and began to give me revelation on this topic. I was inspired by God to primarily focus on the source of drug addiction and how to defeat it. This book was written as a way to learn and understand what God's Holy Word, The Bible, says about addictions. It was meant to be used as a handbook on how you can change lives of others. In writing this book, I want to advise and challenge all those who will read this prelude, that this book is totally based on the Word of God, and faith in the Word, and that Our Heavenly Father is true to keep His word and promises. It is my hope and prayer that you do not just read this book and reference scriptures in it. You need to sit down with your Bible as you read through this book and do your own study and research about these scriptures, it is only then will the Word totally come alive and allow you to receive full revelation about this. It is my opinion that no one should ever completely take someone's word for what the Bible says; you need to know what it says for yourself. You see, the Bible can be very intimidating to read due to its sheer size and many books. Some of it may even be hard to understand. This book is meant to be a guide on the spiritual root of addiction and how to combat it. Its purpose is to enhance a Bible study so you can have guidance and enlightenment on this subject and then you can walk away with a true and real understanding. This book is meant to guide you, encourage you, enlighten you and assist you in your understanding of the Word on the topic of the roots of addiction and the principles involved in dealing with it. As you are reading

this, there is someone in either your family or a friend that comes to mind that you are concerned about their addiction to illicit drugs. I ask that you give this book ten minutes of your time and read through the first chapter about the source of addictions. After that, it is my prayer that the word of God will take root in your heart to grow and that you understand that you do not have to sit idly by and watch friends and loved ones destroyed by addiction, but that you can learn how to break the spirit of addiction.

The Heart of Addiction Mark E. Shaw,2008-09-01 Substance abusers, addicts with a physical dependency, and those who cannot stop some type of pleasurable activity can gain insights and practical help from the hopeful message from the Bible regarding addictive thoughts and behavior.

*God Our Anchor* Deborah Bailey,2019-04-01 Do you have friend, family member, or loved one in the throes of addiction? Do you feel tossed by the storm of their struggle, wondering how to stay anchored in truth and hope as you walk beside them? Deborah Bailey has been there. Having lost her precious daughter to the darkness of addiction, she knows what it's like to run to God in prayer and Scripture, asking the hard questions and dealing with great loss head-on. In *God Our Anchor: Held Fast Through A Loved One's Addiction*, Deborah has crafted thirty devotionals for those who face a similar journey. Each thoughtful entry helps the reader navigate the storm of a loved one's addiction and hold fast to our great anchor, the Lord. Whether you have lost loved ones to addiction, or still walk beside them even now in their struggle, Deborah's devotionals are a safe harbor for you to meet the Lord, letting Him hold you fast in some of the roughest waters a person can brave.

Prayers for Deliverance from Crack Cocaine and Alcohol Addiction Christian Willie J. Henderson,Christian Willie J Henderson, MR,2014-03-12 There are numerous books written on prayer but this is the only one that focuses entirely on teaching the reader how to pray entirely for deliverance from crack cocaine, heroin,

crystal meth, marijuana, alcohol and sexual sins that accompany drug addiction. The reason that our children, neighborhoods, and households are challenged with drug addiction and drug dealing is because society has wavered from “faithful and effectual fervent prayer” (Js.5:15-17) and now depend on doctors and professional counseling to restore and help the lost deal with the addictions and temptations that surrounds them. To make matters worse our jails and prisons are not overcrowded with addicts, drug dealers, murderers, thieves and robbers simply because of the crimes they commit, but mainly because those committing the crimes have not been educated, taught how to follow the example that Christ set for mankind in Luke 4:1-13 and pray for deliverance from their mindset, drugs and others challenges that cause them to sin against God's commandments. Yes, there are 13 step and other programs that suggest that struggling addicts refer to the name, “higher power”, but truth be told, “There's no other name except the name Jesus associated with the implement of prayer that will result in the deliverance and salvation of man!” (See Acts 16:18; 4:10,12). The Bible clearly tells us that “Christ defeated temptation, Satan by a means open to his humblest follower, THE INTELLIGENT USE OF THE WORD OF GOD”. (See Matt.4: 1, Scofield Study Bible footnotes).

Paul's Covert Use of Scripture David McAuley, 2015-10-09 This book explores why and how Paul uses Scripture (Old Testament) in Phil 2:10-16. It tests the suggestion that a cluster of tacit references to specific books of Scripture is integral or foundational to Paul's epistolary argument. If the problem in Philippi is the disinclination to accept suffering and death as intrinsic to gospel citizenship, then the muted allusions lead to a single, central theme: God's approval of suffering and death for the sake of Christ. McAuley argues this theme is the crucial intertext that unifies and gives significance to the whole letter. Previous scholarly efforts to discover congruence between the contexts of Philippians and the Old Testament have rested on a heuristic approach focused on surface-level themes and facticities recorded in Paul's text, leading to mixed results. In this investigation McAuley sets forth a new theoretical and exegetical framework that draws on insights from theories of intertextuality, allusion, and rhetorical situation to offer a fresh interpretation of Philippians.

**The Exhaustive Concordance of the Bible** James Strong, 1890

The Use of Scripture in the Apocryphon of John David Creech, 2017-08-01 David Creech explores at length the Apocryphon of John's ambivalent treatment of the Jewish and Christian scriptures. Although Moses is explicitly corrected at five points in the text, Genesis' account of creation is nonetheless the basis for the Apocryphon's cosmogony and anthropogony. Its uneven treatment of the biblical text is the result of a dispute between the authors of the Apocryphon and other early Catholics.

At the earliest stage of the text the Christians who wrote and read the Apocryphon worshiped alongside other early catholic Christians without any sense of contradiction or inconsistency. The key shift in the Apocryphon occurred after Irenaeus of Lyons' assault on Knowledge Falsely So-Called. In response to his concerted effort to bring the church under the authority of early catholic bishops, the framers inserted corrections to Moses. The corrections are primarily rhetorical and used to refute early catholic identity markers.

John Wesley's Conception and Use of Scripture Bishop Scott J. Jones, 1995-11-01 Despite wide acceptance of the Wesleyan quadrilateral, significant disagreements have arisen in both academic and church circles about the degree to which Scripture stood in a place of theological primacy for Wesley, or should do so for modern Methodists, and about the proper and appropriate methods of interpreting Scripture. In this important work, Scott J. Jones offers a full-scale investigation of John Wesley's conception and use of Scripture. The results of this careful and thorough investigation are sometimes surprising. Jones argues that for Wesley, religious authority is constituted not by a quadrilateral, but by a fivefold but unitary locus comprising Scripture, reason, Christian antiquity, the Church of England, and experience. He shows that in actual practice Wesley's reliance on the entire Christian tradition - in particular of the early church and of the Church of England - is far heavier than his stated conception of Scripture would seem to allow, and that Wesley stresses the interdependence of the five dimensions of religious authority for Christian faith and practice.

Canadian Prairie Mennonite Ministers' Use of Scripture Donald Stoesz, 2018-02-07 A chance discovery of a log book of sermons by grand-uncle and Evangelical Mennonite Mission Conference minister Cornelius G. Stoesz led Donald Stoesz on a fifteen-year odyssey in which he identified four hundred and fifty-seven Scripture texts used by seventeen Mennonite ministers in Canada

over the course of one hundred years (1874-1977). The extensive, yet selective, use of the Lutheran lectionary by these ministers illuminates an aspect of Mennonite church life that has seldom been recognized. Known as the *Anweisung der Lieder* and located at the front of the German-language hymnbook (*Gesangbuch*), this lectionary was in use by Mennonite congregations in the 18th and 19th centuries in Prussia and Russia. Stoesz details Scripture usage and arranges sermon texts according to method of selection and topic. Included in this analysis are biographies of three pastors and several translated sermons from 1 Peter.

**Israel's Scriptures in Early Christian Writings** Matthias

Henze,David Lincicum,2023-07-20 How did New Testament authors use Israel's Scriptures? Use, misuse, appropriation, citation, allusion, inspiration—how do we characterize the manifold images, paraphrases, and quotations of the Jewish Scriptures that pervade the New Testament? Over the past few decades, scholars have tackled the question with a variety of methodologies. New

Testament authors were part of a broader landscape of Jewish readers interpreting Scripture. Recent studies have sought to understand the various compositional techniques of the early Christians who composed the New Testament in this context and on the authors' own terms. In this landmark collection of essays, Matthias Henze and David Lincicum marshal an international group of renowned scholars to analyze the New Testament, text-by-text, aiming to better understand what roles Israel's Scriptures play therein. In addition to explicating each book, the essayists also cut across texts to chart the most important central concepts, such as the messiah, covenants, and the end times. Carefully constructed reception history of both testaments rounds out the volume. Comprehensive and foundational, *Israel's Scriptures in Early Christian Writings* will serve as an essential resource for biblical scholars for years to come. Contributors: Garrick V.
