Graham Diggins

Gambling June Hunt, 2022-02-01 Statistics on addiction and gambling reveal the negative impacts of gambling addiction. Incidents of bankruptcy, crime, corruption, domestic abuse, destruction of marriages and families, and suicide attempts are higher in the lives of those with a gambling addiction than with any other addiction. This 96-page, Christian addiction recovery mini-book, *Gambling: Betting Your Life Away*, helps you or your loved one find freedom from an addiction to gambling. Once the exhilarating ecstasy of winning has captured the mind, will, and emotions, all bets are off on the likelihood that people will find freedom on their own without gambling treatment. But don't bet your life away! With the transforming work and intervention of the Holy Spirit, freedom from a gambling addiction is possible. This Christian addiction recovery mini-book is easy-to-read and covers signs of the 4 different types of gambling: social gambling, professional gambling, compulsive gambling, and pathological gambling. Encouraging Words for Gambling Addicts Cindi

Dawson, 2015-01-02 Addiction is the silent enemy that never seems to go away. It's there from the time you wake up in the morning until you go to sleep at night. And at times it can seem positively overwhelming. Just when you think your life is back in control, the addiction jumps out at you with no warning and it takes everything you have to fight against it. Your friends and family members, though they love you and want the best for you,

tell you to focus on other things, ignore it, and snap out of it. But they don't understand. Until you have experienced it, you just don't know how exhausting and debilitating it can be. But there's someone who does know what you experience every day. He loves you and has provided words of encouragement and strength for you every day but especially in those overwhelming smothering moments when all you can think about is getting what you need. That someone is God. And the encouraging words come from His Word, the Bible. This little book is divided into chapters ... one for each of the most common feelings you encounter when your addiction seems to take control of you, your thoughts and especially your cravings. God's Word is waiting to support and encourage you through these difficult times. You don't have to dig through the Bible looking for the perfect verse. They have been fathered into one place just for you. And the verses are in everyday English for easier understanding.

Empirical Views on European Gambling Law and Addiction

Simon Planzer, 2014-02-19 This book analyses the voluminous and meandering case law on gambling of the Court of Justice from an empirical perspective. It offers a comprehensive overview of the legal situation of gambling services in the EU Single Market.

Additionally, the book presents the current state of research on gambling addiction. It then seeks to answer the central research question as to what extent the views of the Court of Justice on gambling find support in empirical evidence. The Court of Justice granted exceptionally wide discretion to the Member States due to a so-called 'peculiar nature' of games of chance. With the margin of appreciation having played a key role, the book inquires whether the Court of Justice followed the principles and criteria that normally steer the use of this doctrine. Noting the Court's special approach, the book elaborates on its causes and consequences. Throughout the book, the approach of the Court of Justice is contrasted with that of its sister court, the EFTA Court. Finally, the potential role of the precautionary principle and of EU fundamental rights in the area of gambling law is examined. Situated at the intersection of law and science, this book seeks to bridge the legal and scientific perspectives and the unique vocabularies common to each. It illustrates the direct relevance of science and empirical research for court cases and policy making. And it contrasts science-informed policy making with the on-going morality discourse on gambling.

The Mystery of the Ot Scriptures Used in the Nt Graham Diggins, 2018-04-24 This book has been written to strengthen and enlarge the faith of Christians by teaching them the truth while exposing the traditions of the elders found in Reformed, Reformed

Baptist, Protestant, and Baptist Church circles. It establishes a certain link between the Greek Septuagint or LXX and the Greek New Testament. Far too many times for it to be a coincidence, it is seen that New Testament verses quote exactly the words used in the LXX, and they maintain the actual order used. This is not meant to imply that the New Testament writers simply wrote out willy-nilly verses from the LXX when they needed inspiration. It also determines that the two Greek texts the eclectic (or WH) and the TR, which have fought for dominance for nearly 140 years since 1881 are, in the main, exactly the same. Where they differ minutely, a careful treatment of these variations always comes out in favor of the TR text.

How to Tithe Your Way Out of a Lottery Or Gambling Addiction
Ama Maynu, 999 Numbers, S B I P 999, 2014-09-19
How to Tithe Your Way Out of a Lottery or Gambling Addiction is a 12 page, three-step solution that can help you figure out how to stop giving so much of your \$\$ to your state lottery, and do it in such a way that you can guarantee at least a 10-fold increase on your outlay, and play another game with your money that has odds stacked in your favor, not against you. Imagine what it would be like to not have your day dictated by keeping up with the midday and/or evening drawings, or having to run out at the last minute to play a number because it is guaranteed--in your mind--to hit on that drawing. Yet it never does. And the disappointment and let down is an everyday event. The cycle is frustration, to say the least. *How to Tithe Your Way Out of a Lottery or Gambling Addiction* is only for those who are ready for a change. This may not be you right now, but if it is then you need to read on. The three steps of the *How to Tithe Your Way out of an Addiction* program will: Step 1: Change your mindset about money, as taught by a leading abundance expert using a one hour video that you can listen to over and over until the change you want happens. Step 2: Tell you exactly what to say to yourself before you gamble, while you are gambling, and after you have played your tickets. Yes, even if you

do not stop gambling right away, the method taught in this one hour sermon helps you quit successively, and even unconsciously, while allowing time for failures in a process that leads you to ultimate victory. This victory comes from your perseverance in repeating the few simple phrases given. Step 3: Explain how to use tithing to create the abundance you seek simply by adding one additional element to your giving. It is the one step many tithers forget to incorporate in their giving, and yet it is the step that ensures the gains promised in Biblical scriptures. This little 3-step guide was written in 2012, and I have personally used it since then to decrease any compulsion to actually play the lottery game, even though I have many winning strategies and systems I could use to place winning bets. The 3-step system advocated in this easy to read How to guide gives me better odds at gaining prosperity than any Pick 3 lottery win could, and I can dictate my returns solely based on the amount I choose to tithe, or seed or give.

Victory Every Day in Every Way Clarence Washington

Sr.,2017-08-17 How much of the awesomely abundant life that Christ died to provide for believers do you want—a little bit, a lot, or all of it? If your answer is all of it, then *Victory Every Day in Every Way* was specifically written for you! This book will guide you on a journey from the outhouse to the penthouse or from wherever you are in life to where God wants you to be. This plan worked for Nehemiah and the Jews. It will therefore work for you! For God is the same yesterday, today, and tomorrow!

Tony Evans Speaks Out on Gambling and the Lottery Tony Evans,2000-10-24 The stakes are higher than you think. Just a lottery ticket...a few hours at the racetrack...a quarter in a slot machine. 2013 Life Code #9: Indra SWAMI RAM CHARRAN,

What Is Wrong With the Bible? Charles Giuliani, 2018-07-26

The Bible is the number one best-selling book of all time. No other literary work in history has ever held so many people captive to its claims. It is viewed as God's word, an infallible moral guidebook, and a timeless provider of hope and comfort. But is there really any truth to these views? Is the Bible really worthy of all this fanfare? This book will reveal the ugly truth that the Bible is not at all what its fans think it to be. In fact, it is the very antithesis thereof. And this book will prove all of this by using the bible itself as its own refuter.

Christian Ethics Wayne Grudem, 2018-07-20 What does the Bible teach about how to live in today's world? Best-selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and more.
