These dogs have a sense of humor, love to joke around, but also can't wait to snuggle. While there is little variance in the breeds look, each dog has a unique personality. They are great with all types of people, from infants and small kids, to adults and the elderly. They are regularly described as cheerful and funny and are a great dog for first-time dog owners. Royalty runs through the Bichon's blood and they know it. They love to be pampered and to be included in everything their owner or family does. These wonderful family dogs tend to have short periods of high energy and then love to relax and snuggle the rest of the time. The energy onsets fast and they enjoy running circles around the house or tables or going for walks outside. Bichons are comical in their demeanor and their adorable black eyes make them hard to resist. They are friendly, cute, and love to play and do tricks. Kids and adults alike love them for their size, softness, and fun personality. They will integrate themselves into your family from day one and will find a place deep within your heart. Whether you already own a Bichon, or plan to soon, The Complete Guide to the Bichon Frise will be an invaluable guide to help you learn everything you need to know to be a successful Bichon parent.

puff of a pretty pet! The Bichon Frise, recognized around the world for his perfectly coiffed pure white coat, is an affectionate companion for the whole family. The author traces the Bichon Frise's development in England and the US, where its familiar appearance was historically scissored. The book continues with chapters on characteristics and the breed standard encapsulating all of the virtues of the Bichon, offering sound advice about which owners are best suited to the breed. New owners will welcome the well-prepared chapter on finding a breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are brimming with detail and illustrated with handsome adults and puppies. In all, there are over 135 photographs in this compact, useful, and reliable volume. The author's advice on obedience training will help readers better mold and train their dogs into the most socialized, well-mannered good canine citizens. The extensive chapter on healthcare provides accurate information on selecting a qualified veterinarian, vaccinations, parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as vaccines, toxic plants, first aid, crate training, carsickness, fussy eaters, and more. Fully indexed.
