

Big Deal

Nick Seluk

Kind of a Big Deal Shannon Hale, 2020-08-25 “So many strange and wonderful things happen at every twist and turn, you'll be happy to wander with Josie . . . Each book she descends into seems to teach her something, and even if it's not obvious where the story is going, we're in it for the long haul.” —NPR From Shannon Hale, bestselling author of *Austenland*, comes *Kind of a Big Deal*: a story that will suck you in—literally. There's nothing worse than peaking in high school. Nobody knows that better than Josie Pie. She was kind of a big deal—she dropped out of high school to be a star! But the bigger you are, the harder you fall. And Josie fell. Hard. Ouch. Broadway dream: dead. Meanwhile, her life keeps imploding. Best friend: distant. Boyfriend: busy. Mom: not playing with a full deck? Desperate to escape, Josie gets into reading. Literally. She reads a book and suddenly she's inside it. And with each book, she's a different character: a post-apocalyptic heroine, the lead in a YA rom-com, a 17th century wench in a corset. It's alarming. But also . . . kind of amazing? It's the perfect way to live out her fantasies. Book after book, Josie the failed star finds a new way to shine. But the longer she stays in a story, the harder it becomes to escape. Will Josie find a story so good that she just stays forever?

Big Deal Anthony Holden, 2010-06-15 In 1988, best-selling biographer Anthony Holden spent one year living the life of a professional poker player. His mesmerizing account of that year went on to become a classic of the genre, an inspiration to innumerable poker players and poker memoirists who followed. *Big Deal* is his story of days and nights in Las Vegas, Malta, and Morocco, mingling with the greats, sharpening his game, perfecting his repartee, and learning a great deal about himself in the process. Poker, Holden would insist, is a paradigm of life at its most intense, a gladiatorial contest that brings out the best as well as the worst in people. The heroes and eccentrics of the poker world stalk the pages of this remarkable book, along with

all the hairraising, nail-biting excitement of the game itself.

No Big Deal Mark Fidrych, Tom Clark, 1977 An interview with Mark Fidrych in which he discusses his life and his baseball career.

The Sun Is Kind of a Big Deal Nick Seluk, 2018-10-09 A hilarious nonfiction picture book from the New York Times bestselling author and creator of Awkward Yeti. Oh hey, guess what? The Sun never stops working to keep things on Earth running smoothly. (That's why it's been Employee of the Month for 4.5 billion years.) So why does the Sun get to be the center of attention? Because it's our solar system's very own star! This funny and factual picture book from Awkward Yeti creator Nick Seluk explains every part of the Sun's big job: keeping our solar system together, giving Earth day and night, keeping us warm, and more. In fact, the Sun does so much for us that we wouldn't be alive without it. That's kind of a big deal. Each spread features bite-sized text and comic-style art with sidebars sprinkled throughout. Anthropomorphized planets (and Pluto) chime in with commentary as readers learn about the Sun. For instance, Mars found someone's rover. Earth wants the Sun to do more stuff for it. And Jupiter just wants the Sun's autograph. Funny, smart, and accessible, *The Sun Is Kind of a Big Deal* is a must-have!

The Brain Is Kind of a Big Deal Nick Seluk, 2019-10-01 Oh hey, guess what? New York Times bestseller Nick Seluk has a hilarious new nonfiction picture book all about your body's very own computer -- the brain! Have you ever thought about everything your brain does for you? It is always working to keep you alive and safe. (Plus it lets you think about funny stuff, too.) So why is the brain such a big deal? Because it makes you YOU, of course! This funny and factual picture book from Heart and Brain creator Nick Seluk explains the science behind everything the brain helps you do: keeping your heart beating, telling you when you are sleepy, remembering stuff, and more. The brain is in charge of everything you do, every minute of every day for your

entire life. That's kind of a big deal. Each spread features bite-sized text and comic-style art with sidebars sprinkled throughout. Anthropomorphized organs and body parts -- recognizable from Nick Seluk's New York Times bestselling book -- help readers learn through funny jokes and comic panels. Funny, smart, and accessible, *The Brain Is Kind of a Big Deal* is a must-have!

No Big Deal Bethany Rutter, 2019-08-08 *No Big Deal* is a fierce and body-positive celebration of friendship, first crushes and loving yourself 'No Big Deal is an iconic love song to everyone out there who knows that life isn't one size fits all' Julie Murphy, bestselling author of *Dumplin'* Emily knows she's smart. Emily knows she's funny. Emily knows she's awesome. Emily knows she's fat. She doesn't need anyone to tell her any of these things - she likes herself and she likes her body. She just thinks it's time everyone else caught up. With a newly-slim bestie, a mum knee-deep in fad diets and increasing pressure to change, Emily faces a constant battle to be her true self. But when she meets gorgeous Joe, things start to change. Somehow, she's going to have to convince everyone, including herself, that it's no big deal. *No Big Deal* is a funny and inspiring debut YA novel from Bethany Rutter: influencer, editor and a fierce UK voice in the debate around body positivity.

I'm Kind of a Big Deal Stefanie Wilder-Taylor, 2011-06-07 WARNING TO READERS: The Author of This Book is Kind of Crazy, Kind of Delusional, and All Kinds of Hilarious Whether she's driving a limo for former Family Ties star Justine Bateman, dancing in the dark for a rarely seen Bob Dylan music video, or stalking a bachelor reject from TV's Love Connection, Stefanie Wilder-Taylor is kind of a big deal—at least in her own mind. Smart, screwy, and scathingly funny, her tell-all essays capture every cringe-worthy moment of her kind-of famous life. From bombing as a stand-up comic for born-again Christians, to winging it as a singing waitress in an Italian restaurant, to posting open letters to Angelina Jolie and David Hasselhoff, this

unstoppable L.A. transplant refuses to give up on her dreams—no matter how ill-advised—and shows us a side of Hollywood better kept hidden. When it comes to funny women—unplugged and unleashed—they don't get any wilder than Stefanie Wilder-Taylor.

...

Big Deal Bruce Wasserstein, 1998 Wall Street's top dealmaker combines a journalist's eye with the ultimate insider's access to reveal the inside story of the billion-dollar deals that shape America's economy.

Big Deal Bruce Wasserstein, 2009-02-28 Wasserstein is widely recognized as the father of modern-day mergers and acquisitions... [He] explains what drives mergers and how they get done. - USA Today Informative and entertaining. - Kirkus Reviews **Big Deal** is a penetrating look at the world of mergers and acquisitions by the legendary Bruce Wasserstein. Using compelling case studies, he reveals the inside story of the billion dollar deals that shape America's economy.

What's the Big Deal About Elections Ruby Shamir, 2018-08-28 From ballots to bonfires, from suffrage to stumping, this kid-friendly picture book filled with fun facts and historical trivia shows why voting is so important and why America gets to call its government a body of, by, and for the people. Did you know that Election Day is on Tuesday because that was the best day for farmers to vote? Or that George Washington was our only elected president who ran unopposed? Or that Native Americans were only given the right to vote in 1924? It's all true! We hear a lot about political campaigns on the news, but there's tons to know about elections beyond the politics of each race. Who gets to vote? Who gets to run? What do elected officials do once they're in office--and what do candidates do if they lose? Why do people fight so hard for the right to vote? In this kid-friendly, fact-filled book, young readers will find out how Americans choose their leaders, local and federal, and why elections should matter to them, even if they can't vote (yet)!

Praise for What's the Big Deal About Elections: An informative introduction to the importance of voting, and a great choice for group reading choice before election season. --School Library Journal An empowering choice. --Kirkus Reviews This latest entry into the What's the Big Deal about . . . series is an upbeat discussion starter. --Booklist

Big Deal Bruce Wasserstein, 2009-02-28 Wasserstein is widely recognized as the father of modern-day mergers and acquisitions... [He] explains what drives mergers and how they get done. - USA Today Informative and entertaining. - Kirkus Reviews *Big Deal* is a penetrating look at the world of mergers and acquisitions by the legendary Bruce Wasserstein. Using compelling case studies, he reveals the inside story of the billion dollar deals that shape America's economy.

What's the Big Deal about Freedom Ruby Shamir, 2020 A kid-friendly history of the concept of freedom in the U.S--

Big Deal Kevin Winkler, 2018-02-08 Bob Fosse (1927-1987) is recognized as one of the most significant figures in post-World War II American musical theater. With his first Broadway musical, *The Pajama Game* in 1954, the Fosse style was already fully developed, with its trademark hunched shoulders, turned-in stance, and stuttering, staccato jazz movements. Fosse moved decisively into the role of director with *Redhead* in 1959 and was a key figure in the rise of the director-choreographer in the Broadway musical. He also became the only star director of musicals of his era--a group that included Jerome Robbins, Gower Champion, Michael Kidd, and Harold Prince--to equal his Broadway success in films. Following his unprecedented triple crown of show business awards in 1973 (an Oscar for *Cabaret*, Emmy for *Liza with a Z*, and Tony for *Pippin*), Fosse assumed complete control of virtually every element of his projects. But when at last he had achieved complete autonomy, his final efforts, the film *Star 80* and the musical *Big Deal*, written and directed by Fosse, were rejected by audiences and critics. A fascinating look

at the evolution of Fosse as choreographer and director, *Big Deal: Bob Fosse and Dance in the American Musical* considers Fosse's career in the context of changes in the Broadway musical theater over four decades. It traces his early dance years and the importance of mentors George Abbott and Jerome Robbins on his work. It examines how each of the important women in his adult life—all dancers—impacted his career and influenced his dance aesthetic. Finally, the book investigates how his evolution as both artist and individual mirrored the social and political climate of his era and allowed him to comfortably ride a wave of cultural changes.

You're Kind of a Big Deal: Level Up by Unlocking Your Audacity Erin King, 2021-06-01 Unlock your inner audacity and become the leader you were born to be Women are often told that dreaming bigger and exuding confidence is the key to achieving professional success. While big dreams and confidence might get you started, they won't fuel you throughout the marathon and over the finish line. In order to keep going through thick and thin, you need audacity. *You're Kind of a Big Deal* provides the strategies, tools, and inspiration you need to power up your potential, break free from limiting beliefs, and make your biggest dreams a reality. International keynote speaker and successful entrepreneur Erin King helps you step into the role of CEO of your own life and better execute your responses to challenging feedback from the world around you, so you can: Move through any and all obstacles between you and your goals Be more present, honest, and authentic in your professional and personal life Increase your energy to take on the toughest challenges Develop greater clarity on your place and purpose in life Handle social settings and meet new people with a new sense of confidence Drop the automatic negative thoughts and stay positive even in the face of adversity *You're Kind of a Big Deal* dares you to listen more closely to your intuition when it comes to pulling the trigger on big, courageous business decisions—even if

those decisions might initially shock those in your orbit. Get ready to finally break through all barriers standing between you and the goals you were born to absolutely crush because the fact is, You're Kind of a Big Deal.

Big Deal Bruce Wasserstein, 2001-09-01 Big Deal is a penetrating look at the world of mergers and acquisitions. Bruce Wasserstein has worked on over 1,000 deals and reveals the inside story of the billion dollar deals that shape America's economy.

What's the Big Deal about Americans Ruby Shamir, 2020-05 From Native American traditions to immigrant inventions, from diversity to democracy, from ice cream cones to apple pie, this fun and fact-filled book--now in chapter book format --celebrates the melting pot and mosaic that is America. Did you know that the inventor of American cheese actually came from Canada? Or that founding father Benjamin Franklin was inspired to create a democratic society by a confederacy of Native American tribes who came together to stop their constant warring? How about that both God Bless America and White Christmas were written by Irving Berlin, a Russian Jew who fled to the U.S. because of persecution back home? People have come to America from many countries, in many ways, for many reasons. Americans have many different beliefs, different languages, and different traditions. But even with all of these differences, America comes together with the understanding that our country and government is of the people, by the people, and for the people. And there's nothing more American than that.

Dying Is No Big Deal C. Joseph Socha, 2002-10-08 Dying Is No Big Deal is the title of one of the stories in this book, an international contest winner, and it titles the book. The author uses a technique he calls VISUAL writing that he developed as an audio-visual writer. He uses a camera point of view to set scenes, always aware of the picture that is registering on the readers mind. Action is quick and continues like a newsreel. The stories

are much like video dramas. Lengths are ideal for a quick read during the day or at bedtime.

The Big Deal Howard Jenkins, 2007-07 Howard Jenkins concocts a scorching story featuring womanizing, jazz-loving, poker player extraordinaire, and sexually passionate executive Paul Langley. Langley, while courting an office romance with fellow executive, Maureen, meets Vivian Davis at an online Texas Hold 'em table. Vivian, a sexy redhead who shares his passion for poker and sex seems to be Mrs. Right. Langley finds himself falling in love with Vivian and participating in her mob connected ex-boyfriend's plan to pull off a multi million-dollar heist at a poker tournament in Las Vegas. Paul and Vivian enjoy exciting sex and huge doses of intense poker action that turns into a showdown with the underworld while Langley is brought face to face with the unfamiliar man he has become and his new desire to protect Vivian. Can he con the conmen? Can he and Vivian walk away unscathed?

Big Deal, 2021

What's the Big Deal? Stan Jones, Brenna Jones, 2019-08-06 One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Your kids know about sex. But what they've gathered from TV, other kids, or the internet doesn't tell them everything or answer all of their questions. What's the Big Deal? was written to help parents provide the answers to their 8-to-12-year-olds. This book explains the basic facts about sex and related issues such as: Why God made adults so that they want to have sex What God actually says in the Bible about sex and why it's designed for marriage The amazing changes ahead of you during puberty How to respond when you feel sexual pressure from friends, TV shows, movies, and magazines Your kids can read this book with you so you can discuss it together. This provides them the safe space to ask hard questions they might find embarrassing. The book will help kids understand what a beautiful and exciting gift from God sexuality is meant to be. Now

revised and updated with: Separate chapters on puberty for boys and girls A chapter on the dangers of pornography An expanded age range (formerly 8 to 11, now 8 to 12)

**Big Deal
Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online

libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Big Deal PDF books and manuals is the internet's largest free library. Hosted online, this catalog

compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or

financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable,

enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning,

contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Big Deal PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either

in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Big Deal free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers

individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Big Deal Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read

user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular

breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Big Deal is one of the best book in our library for free trial. We provide copy of Big Deal in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Big Deal. Where to download Big Deal online for free? Are you looking for Big

Deal PDF? This is definitely going to save you time and cash in something you should think about.
