Highlighting the Importance of Big Data Management and Analysis for Various Applications Mohammad Moshirpour,Behrouz Far,Reda Alhajj,2017-08-22 This book addresses the impacts of various types of services such as infrastructure, platforms, software, and business processes that cloud computing and Big Data have introduced into business. Featuring chapters which discuss effective and efficient approaches in dealing with the inherent complexity and increasing demands in data science, a variety of application domains are covered. Various case

studies by data management and analysis experts are presented in these chapters. Covered applications include banking, social networks, bioinformatics, healthcare, transportation and criminology. Highlighting the Importance of Big Data Management and Analysis for Various Applications will provide the reader with an understanding of how data management and analysis are adapted to these applications. This book will appeal to researchers and professionals in the field.

Conflict in the Modern Middle East Jonathan K. Zartman,2020-03-19 This book provides detailed coverage of all the key conflict-related developments since the Arab Spring, a seminal event that began in December 2010 and continues to have major influence on events in the Middle East, North Africa, and beyond. This important reference offers readers a thorough understanding of the nature of the various conflicts that have erupted in the Middle East and North Africa following the Arab Spring. Clear and concise explanations of important concepts related to Islam, ideology, and ethnicity and the economic, social, and cultural forces propelling conflict and revolution in the region will enable readers to gain insight into key developments there. Biographical and organizational profiles combined with succinct overviews of each country provide a strong research foundation for students. The book offers detailed descriptions of the minority groups that have suffered violence from both the countries and the societies around them, sometimes generating refugee flows that engage neighboring states in security issues. It also discusses the role of women in the region during these

turbulent times. Primary source documents and a chronology highlight political struggles to reach durable agreements and develop institutions to meet basic human needs in the modern Middle East.

Building Your Early Years Business Jacqui Burke, 2017-02-21 For those starting a business in early years childcare, having a passion for the job is important. But sustaining a business successfully takes more than natural enthusiasm. Many childcare businesses struggle due to lack of formal training or confidence in the business world. This accessible and practical guide shows exactly how to develop your organisation, leading to success within the competitive market and ultimately a higher quality childcare service. Jacqui Burke reveals what parents really want from professional early years childcare, and the core marketing, finance and management skills needed to realize these ideals. Studying what businesses have done right and wrong to date, the book includes example activities and market-savvy checklists that clearly show how to analyse your organisation, master day-to-day management, attract new customers, and take your business to the next level. With invaluable advice on how to better the experiences of your children, parents and staff alike, this guide will help you make your organisation stand out from the crowd.
