hands clasped idly in front of them or pressed along the cushion running along the felt. They stare at the gamblers roaming the casino eagerly awaiting the next person to place a chip and test their luck. Other tables are crammed with players, the people behind them shifting to look over their shoulder, and you hear the loud clasp of a hand and the cheer of the table, "Blackjack!" Some tables are hot, some are just warming up, and some are presided over by a cruel dealer who seems to have the luck that any player would crave. The truth is it is all in the cards' each one shuffled meticulously by man or machine and dealt out randomly. The dealer has the same luck you do. That's the fun of it though.
