Me and Momma and Big John Mara Rockliff, William Low, 2012-08-28 A tale inspired by a true story follows the experiences of Little John, who along with his sisters excitedly anticipates the completion of a latest sculpture by his mother, a stonecutter at the Big John cathedral.

**Big John's Secret** Eleanor M. Jewett, 2004-02-01 Mystery surrounds the young peasant boy known as Big John. Raised during the strife-filled days of the reign of King John of England, his life is one day changed when a knight says, in passing, "You remind me of someone—someone I once knew and loved." It is from "Old Marm," the herb woman, that John understands that injustice has been done his family. Though never telling him the family name lest he unwittingly betray himself, she does all she can to prepare him to one day reclaim his name and family honor. Then Old Marm dies, and John is left without a clue to his identity. In the next years John's unusual size and strength and the knowledge he has gained of letters and of the art of healing earn him a place as page to an earl organizing the 5th Crusade. In the Holy Land John searches for a father he hopes is living still. Amidst battle, capture and setbacks, John—now a squire to a Knight Hospitaller—encounters Francis of Assisi, who had come to the Holy Land just at this time to preach the Gospel to the Saracens. It is another meeting that changes the course of Big John's life. . Illustrated by Frederick T. Chapman.

It is the story of four generations of a singular family, living in a house that is many houses on the magical border of an otherworld. It is a story of fantastic love and heartrending loss; of impossible things and unshakable destinies; and of the great Tale that envelops us all. It is a wonder.

**Let's Get It On!** "Big" John McCarthy, 2011-09-01 An intimate profile of the legendary mixed martial arts (MMA) referee, this first full-length autobiography of pop culture icon "Big" John McCarthy details every aspect of his life—from his strong-handed Los Angeles upbringing to his involvement in the naming of the sport, his role in its regulation, and MMA's rise in stature. The narrative follows "Big" John through his 22-year career as a Los Angeles police officer, where he taught recruits arrest and control procedures as well as survival tactics, then his 15-year career as MMA's premier official in the chain-linked cage. A fixture of the sport, "Big" John started

refereeing at UFC 2 in 1994 when MMA was in its infancy and went on to officiate at every major UFC event but two until 2007. Following a one-year hiatus as a color commentator and on-camera analyst for MMA and boxing events, he returned to MMA refereeing in 2008. In his own words, Big John relates his insider's perspective from the midst of many of the sport's greatest moments—from Tito Ortiz–Ken Shamrock I at UFC 40 in 2002 to Randy Couture–Tim Sylvia at UFC 68 in March of 2007—along with his account of the birth of the sport in America, its evolution, and MMA's ongoing struggles for acceptance.

**Tales of Big Jon and Other Creatures: The Extraordinary Times of an Ordinary Family** Allan M. Armitage, 2021-10-15 Young children are story machines. The simple act of growing up always results in unplanned adventures and missteps that are often wildly entertaining to the family. As parents, we cope with their antics at the time, laugh about them later, then forget them as new journeys begin. The Armitage children had more than their share of adventures and their stories served as entertainment for friends and family over the years. In this marvelous book, Allan has shared their stories. Many will bring back memories of children's frolics, all will make you smile, and some will even result in spontaneous belly laughter. As delightful as the tales are, the wonderful illustrations make them come alive even more. Story telling is as old as time, and time stands still as we enjoy reliving our children's youth.

*Providence* John Piper, 2021-02-09 New from Best-Selling Author John Piper From Genesis to Revelation, the providence of God directs the entire course of redemptive history. Providence is God's purposeful sovereignty. Its extent reaches down to the flight of electrons, up to the movements of galaxies, and into the heart of man. Its nature is wise and just and good. And its goal is the Christ-exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God's providence—from Genesis to Revelation—to discover the all-encompassing reality of God's purposeful sovereignty over all of creation and all of history. Piper invites us to experience the profound effects of knowing the God of all-pervasive providence: the intensifying of true worship, the solidifying of wavering conviction, the strengthening of embattled faith, the toughening of joyful courage, and the advance of God's mission in this world.

Overtime John U. Bacon, 2019-09-03 NATIONAL BESTSELLER From the "poet laureate of Michigan football, a riveting inside chronicle of the Jim Harbaugh era, and an unprecedented look at the inner workings (Sporting News) of a big-time college football program John U. Bacon received rare access to Head Coach Jim Harbaugh's University of Michigan football team: coaches, players, and staffers, in closed-door meetings, locker rooms, meals, and classes. Overtime captures this storied program at the crossroads, as the sport's winningest team battles to reclaim its former glory. But what if the price of success today comes at the cost of your soul? Do you pay it, or compete without compromising? In the spirit of HBO's Hardknocks, Overtime delivers a deeply reported human portrait that follows the Wolverine coaches, players, and staffers. Above all, this is a human story. In Overtime we not only discover what these public figures are like behind the scenes, we learn what the experience means to them as they go through it – the trials, the triumphs, and the unexpected answers to a central question: Is it worth it? From the "poet laureate of Michigan football" (according to New York Times's Joe Drape), and one of the keenest observers of college football, Overtime offers a window into a legendary program and the sport itself that only John U.
