Tommy and Tammy The Firefighting Children Tim Kennedy, 2015-10-23 This story is about the twins, Tommy and Tammy, that get the chance to help their small town. Because of a shut down of the town's sawmill, many people leave to find work elsewhere, enabling the twins to start their career as the world's only fire fighting children! At the end of their exciting story, they deliver tips on fire safety and a copy of a fire safety plan for children to fill in and put on their bedroom wall showing at least two ways out and a safe meeting place outside. The hope is that Tommy and Tammy will do what the fire safety house does: get children's attention while teaching them about home safety issues. Their story can hopefully reach into the small towns and remote villages that will never have a fire safety house due to the costs involved to build and man them. The twins also talk the merits of practice, hard work and team work as a way of life.

My Big Wimmelbook® - Fire Trucks!: A Look-and-Find Book (Kids Tell the Story) (My Big Wimmelbooks) Max Walther, 2019-11-12 My Big Wimmelbooks let kids ages 2 to 5 be the storytellers with hours of seek-and-find hands-on learning—and fun! In these one-of-a-kind picture books, every page is bursting with life—and tons to discover! Children as young as two have a blast pointing out recognizable things—a blue tricycle, a hungry dog, a piggyback ride—while older kids can follow the star characters from page to page, telling their stories along the way. How? Wimmelbooks are virtually instruction-free, inviting kids to make their own way through the busy Wimmelworld they encounter, and to craft their own stories. First, you're introduced to a unique cast of characters who are

hidden in plain sight on the pages that follow. As you seek them out, each character's storyline unfolds, but it's up to kids to interpret the scenes and create stories they think fit. It's hours upon hours of fun—and an effortless introduction to literacy to boot. Quick—there's no time to waste! Hop aboard a fire truck and follow along from the station to a forest fire to a festival as brave firefighters and other first responders go about their day in *My Big Wimmelbook—Fire Trucks!* About Wimmelbooks About Wimmelbooks Wimmelbooks originated in Germany decades ago and have become a worldwide sensation with children (and adults!) everywhere. *My Big Wimmelbooks* is the first-ever Wimmelbook series to feature Wimmelbooks as Wimmelbooks in English. They've been praised as “lively . . . and abounding with humor and detail” (WSJ), likely to “make any parent's heart sing.” (NYT)
