Big Little Spells Hazel Beck, 2023-08-29 "An absolute delight of a magical tale." —Louisa Morgan, author of *The Age of Witches* Is her magic a threat to witchkind...or is she simply powerful enough to save the world? Rebekah Wilde was eighteen when she left St. Cyprian, officially stripped of her magic and banished from her home. Ten years later, she's forced to return to face the Joywood Coven, who preside over not just her hometown but the whole magical world. Rebekah is happy to reunite with her sister, and with her friends, but the implications of her return are darker and more dangerous than they could have imagined. The Joywood are determined to prove Rebekah and her friends are a danger to witchkind, and her group faces an impending death sentence if they can't prove otherwise. Rebekah must seek help from the only one who knows how to stop the Joywood—the ruthless immortal Nicholas Frost. Years ago, he was her secret tutor in magic, and her secret impossible crush. But the icy immortal is as remote and arrogant as ever, and if he feels anything for Rebekah—or witchkind—it's impossible to tell. *Witchlore Book 1: Small Town, Big Magic Book 2: Big Little Spells*

Little Ship, Big War Edward P Stafford, 2012-04-15 Manned almost entirely by reservists, the USS Abercrombie (DE343) and her sister ships did the dirty work of the Pacific War. They escorted convoys, chased submarines, picked up downed pilots, and led the landing craft to the invasion beaches, yet they received little credit and less glory. This book is a stirring tribute to their heroic efforts, written by a naval officer who served in the Abercrombie during the war and later became a best-selling author. First published in 1984, it has long been acclaimed for presenting a view of the navy as the sailors actually saw it--the joys and pains, the humor and gravity, the successes and defeats. Ed Stafford provides an authentic, day-by-day account of life on board DE343, from the Battle of Leyte Gulf and picket duty against kamikazes at Okinawa to the signing of the peace treaty in Tokyo Harbor. To create an accurate picture he consulted ship logs and after-action reports and interviewed members of the crew. Although the book focuses on events in a particular warship, it tells the story of every small ship and their valiant crews that rose to the challenge and fought with everything they had until the war was won.

The British Pacific Fleet in World War II Waite Brooks, 2013-04-18 A blow-by-blow eye-witness account of the British Pacific Fleets participation in the invasion of Okinawa and the attacks on the Japanese homeland.

Danger's Hour Maxwell Taylor Kennedy, 2009-11-03 Drawing on years of research and firsthand interviews with both American and Japanese survivors, Maxwell Taylor Kennedy draws a gripping portrait of men bravely serving their

countries in war and the advent of a terrifying new weapon, suicide bombing, that nearly halted the most powerful nation in the world. In the closing months of World War II, Americans found themselves facing a new weapon: kamikazes--the first men to use airplanes as suicide weapons. By the beginning of 1945, facing imminent invasion, Japan turned to its most idealistic young men and demanded of them the greatest sacrifice. On May 11, 1945, days after Germany's surrender, the USS Bunker Hill--with thousands of crewmen and the most sophisticated naval technology available--was 70 miles off the coast of Okinawa when pilot Kiyoshi Ogawa flew his plane into the ship, killing 393 Americans in the worst suicide attack against America until September 11.--From publisher description.

Big Blue Ablaze Raymond Stolpe, 2013-11-22 In June 1944 Raymond Stolpe boarded a ship in San Diego headed for the Mariana Islands (Saipan and Tinian) where, he experienced his first combat - a midnight Banzai charge by the enemy- a frantic all-out, all night charge by the enemy. In the morning, Stolpe saw over 1,000 dead enemy soldiers. Later in the Tinian campaign, Lt. Shearer ordered Stolpe and his buddy Charles Leslie to set out booby traps in front of their position. Then at night, when they began lighting up the area in front of Stolpe's position, they exposed the attacking enemy. Stolpe jumped to his feet and threw a grenade on target and silenced the enemy's machine gun. Stolpe was one of the very first Americans to land in Nagasaki after the bomb had wiped out the city. His job then became one of peacemaker to the Japanese people. It was a great challenge, but one he was happy to accept.

The Boy Who Shoots Crows Randall Silvis, 2011-12-06 A riveting new psychological thriller from a a masterful storyteller (New York Times Book

Review). Yesterday, a local boy went missing in Cumberland County, Pennsylvania. Transplanted painter Charlotte Dunleavy was used to seeing him go into the woods, rifle in hand, to shoot at crows. Suffering from the debilitating aftereffects of a migraine, Charlotte is shrouded in a fog of pain and barely remembers the details of the day, just splinters of memory, as if they were a dream-but nothing concrete enough to help the local sheriff in his search. Outside of Charlotte's windows, the woods are peaceful, the play of light and dark among the leaves offering her inspiration for her art. But the truth can penetrate even the deepest shadows of a forest-and a killer's mind...

Confessions of a Kamikaze Cowboy Dirk Benedict, 2013-06-27 The best-selling memoir *Confessions of a Kamikaze Cowboy* tells the fascinating story of actor Dirk Benedict's journey from the big sky country of Montana to the hustle and hype of Hollywood. It also describes his odyssey of self-discovery and growth as he changes from struggling actor to celebrity, from meat eater to vegetarian, from cancer victim to cancer victor. If Mahan Ran the Great Pacific War John A. Adams, 2008-07-15 Alfred Thayer Mahan's *The Influence of Sea Power upon History* (1660--1783) was one of the most influential books on military strategy in the first half of the 20th century. A core text in the naval war colleges of the United States, Britain, and Japan, Mahan's book shaped doctrine for the conduct of war at sea. Adams uses Mahan's ideas to discuss the great Pacific sea battles of World War II and to consider how well they withstood the test of actual combat. Reexamining the conduct of war in the Pacific from a single analytic viewpoint leads to some surprising conclusions about the Japanese attack on Pearl Harbor, the Doolittle Raid, the Battle of the Coral Sea, the recapture of the Philippines, and the submarine war. Naval historians and armchair strategists alike will find much food for thought in these engrossing pages.

H.C. Westermann at War David McCarthy, 2004 This book examines the antiwar work of one American artist in relation to the cultural history of the Cold War. The study provides new and detailed information on this important artist, while also contributing to the study of masculinity, dissent, art,

violence, and war in the last half of the twentieth century. The study clearly reveals that artists' protests against American foreign policy began well before the official U.S. entry in the Vietnam War, and that not all combat veterans looked back fondly on their experience of the Good War. Finally, in drawing attention to the challenges of being a man in a hostile world, Westermann's art enters into a much broader consideration of gender long before this issue became topical in contemporary art. director of the American Studies Program at Rhodes College in Tennessee.

Rain Tonight Steve Pitt, 2010-01-12 The weather forecast for the evening of October 15, 1954 was simply "rain tonight." In fact, the hurricane was a devastating one. The storm swept from North Carolina up into Canada. In Toronto, Ontario, the official death count was 81, but it was probably much higher because the many people living in the ravines were not part of the census. Penny Doucette was 8 years old on the night the storm raged in Toronto. She, her parents, and their elderly neighbor found themselves clinging to the roof of the house as they watched the house next door float away on the swollen Humber River. Augmenting the dramatic story are illustrations, archival photographs, and fascinating information about hurricanes: their causes, their history, and lore. Published for the fiftieth anniversary of Hurricane Hazel, this is a valuable resource for young readers.

187 Iz an Art Mikal H. El-Amin, Richard Brown, 2009-10 With the award winning 187 Iz An Art our main goal was to create a story that provides the reader an extraordinary true glimpse of why youths in urban environments turn to a life of street activities. So 187 Iz An Art mirrors the reality of many urban environments without glorifying any of the events which typically take place in such a setting. We achieved this by starting the characters out at an early age to show what made them get immersed into the streets. So whether a person agrees or not with the idea of drug dealing they understood why the characters in the novel lead that type of lifestyle.--Awards: 2009 Los Angeles Book Festival Award Winner, 2010 San Francisco Book Festival Award Winner, 2010 New York Book Festival Award Winner.
