Kathleen Mansfield Murry (1888–1923) was a prominent New Zealand modernist short story writer who was born and brought up in colonial New Zealand and wrote under the pen name of Katherine Mansfield. At 19, Mansfield left New Zealand and settled in the United Kingdom, where she became a friend of modernist writers such as D.H. Lawrence and Virginia Woolf. Like Woolf, Mansfield was also interested in the feelings and thoughts of her characters and hence her short stories show the complexities of a character's interior life in all its various shades.

Red Head and Whistle Breeches Ellis Parker Butler,2014-06-06 When Tim Murphy let his enthusiasm get the better of his judgment and, in the excitement of that disastrous night, joined the front rank of the strikers in a general mix-up and cracked the head of a deputy sheriff, the result was what he might have expected—two years in the penitentiary. That was all right. The peace of the commonwealth must be preserved, and that is why laws and penitentiaries exist, but it sometimes goes hard with the mothers and wives. That is also to be expected, and the boy should have thought of it before he crowded to the front of the angry mob or struck the deputy.

Red Card Ken Bensinger,2019-06-11 The definitive, shocking account of the FIFA scandal—the biggest corruption case of recent years—involving dozens of countries and implicating nearly every aspect of the world’s most popular sport, soccer, including the World Cup is “an engrossing and jaw-dropping tale of international intrigue...A riveting book” (The New York Times). The FIFA case began small, boosted by an IRS agent’s review of an American soccer official’s tax returns. But that humble investigation eventually led to a huge worldwide corruption scandal that crossed continents and reached the highest levels of the soccer’s world governing body in Switzerland. “The meeting of American investigative reporting and real-life cop show” (The Financial Times), Ken Bensinger’s Red Card explores the case, and the personalities behind it, in vivid detail. There’s Chuck Blazer, a high-living soccer dad who ascended to the highest ranks of the sport while creaming millions from its coffers; Jack Warner, a Trinidadian soccer official whose lust for power was matched only by his boundless greed; and the sport’s most powerful man, FIFA president Sepp Blatter, who held on to his position at any cost even as soccer rotted from the inside out. Remarkably, this corruption existed for decades before American law enforcement officials began to secretly dig, finally revealing that nearly every aspect of the planet’s favorite sport was corrupted by bribes, kickbacks, fraud, and money laundering. Not even the World Cup, the most-watched sporting event in history, was safe from the thick web of corruption, as powerful FIFA officials extracted their bribes at every turn. “A gripping white-collar crime thriller that, in its scope

and human drama, ranks with some of the best investigative business books of the past thirty years” (The Wall Street Journal), Red Card goes beyond the headlines to bring the real story to light.

World War II Veterans in Motorsports Art Evans, 2019-07-01 This generation of Americans has a rendezvous with destiny, said President Franklin D. Roosevelt of the young Americans who grew up during the deprivation of the Great Depression and later served during World War II. The 23 described in this book went on from military service to make their mark in auto racing, particularly in the sports car scene of the 1950s and 1960s. Ken Miles and Vasek Polak were not Americans during the war but later went on to become citizens. Carroll Shelby was not only a great driver but also created cars that are still manufactured. John Von Neumann and Vasek Polak were instrumental in helping to establish Porsche as a marque in the U.S. John Fitch, Ed Hugus, Chuck Daigh, Bill Stroppe, Max Balchowsky, Jay Chamberlain, Jim Peterson and Paul Newman were heroes in the war before succeeding in businesses and motorsports.
