*Rockin' in a Big Rig Sarah Weber,David*

Weber,2016-07-23 A UNIQUE STORY OF A CALIFORNIA WOMAN DRIVING A BIG RIG TRUCK COAST TO COAST, MONTH AFTER MONTH. Life is an adventure and I'm living it!This 146 page book, heavily illustrated in color, candidly documents a career which a

woman with a lifelong learning disability can achieve despite all odds. At age 50 entering Truck Driving School, Sarah details her school and first three years on the road coast to coast. This log of her experiences includes truck mechanical and legal issues, road conditions, company rules, truck maintenance, glorious sights far and wide, human actions and humor, food highlights, a horrendous accident, home time -- all this and more while sightseeing the USA from the seat of a Big Rig truck, 'team driving' 24/7, nearly every day, year after year. Sarah states I love this career. It's like a paid vacation. This book documents an amazing achievement by a skillful woman, mentored much of the time by a professional trucker of remarkable ability. She succeeds while facing harsh weather, coping with international Port delivery stipulations, solving the range of special State laws for Big Rigs, learning the immense range of technical issues required for success on the roads, while also giving love and attention to her four children in Nevada while her home base is in Riverside County, California.

BANG! SHHUUU! Uh-oh: a blow-out! Don't worry, a service truck saves the day so we can get the job done and make a very special delivery./DIV  
DIVEvery kid will love to learn the truck driver lingo in the story, and shout out their own sound effects as they return for another ride, read after read. Author Jamie Swenson takes readers from zero to sixty with her fast-talking truck and Ned Young's bright and engaging illustrations.

*Get the Truck Out of My Way* S. Stanton, 2012-12  
Get the Truck Out of My Way is a humorous book

based on the real life adventures of semi truck drivers; the unsung heroes of America's open roads. Author S. Stanton knows the life of these big rig drivers intimately, as she has spent many months riding the road, obtained her CDL, and is training to become a driver herself. At times funny, at times absurd, and always fascinating, this highly engaging book chronicles the trials, obstacles and adventures semi drivers face on a daily basis. Whether it's the complex and confusing rules and regulations set forth by the Department of Transportation, the difficulties of dealing with loading points and destinations, or navigating the complete lack of awareness of passenger car drivers, *Get the Truck Out of My Way* exposes the daily rigors of driving a big rig in a humorous and informative way. Author S. Stanton invites you to climb inside the cab, buckle up, and enjoy the ride of your life as you find out what it's really like to do one of the most dangerous jobs in America. S. Stanton is a writer, semi truck driver and enthusiast who lives in Gulf Breeze, on the Florida panhandle. When she's not in a big rig or writing, she can often be found singing and playing piano or working outside in her yard. Although she has published numerous articles in magazines over the years, *Get the Truck Out of My Way* is her first book. Publisher's website: <http://sbpra.com/SStanto>

**Big Truck's Road Adventure** Amelia Marshall, 2015

Big Rig Louise Hawes, 2023-08-01 Hitch a ride with 11-year-old Hazmat and her Dad in their 18-wheeler, Leonardo, for a feel-good road trip across America that keeps on trucking! Life on the road with Daddy is as good as gets for Hazmat. Together, they've been taking jobs and crisscrossing the US for years. Now Daddy's talking about putting down roots—somewhere Hazmat can go to a real school and make friends. Somewhere Daddy doesn't have to mail-order textbooks that talk about nature's promise to all women. And while everything just keeps changing, sometimes in ways she can't control, Hazmat isn't ready to give up the freedom of long-distance hauling. Sure the road is filled with surprises, from plane crashes and robo trucks to runaway hitchhikers and abandoned babies, but that all makes for great stories! So Hazmat hatches a plan to make sure Daddy's dream never becomes a reality. Because there's only one place Hazmat belongs: in the navigator's seat, right next to Daddy, with the whole country flying by like a crazy quilt and each day different from the last.

**The Big Rig** Steve Viscelli,2016-04-12 Long-haul trucks have been described as sweatshops on wheels. The typical long-haul trucker works the

equivalent of two full-time jobs, often for little more than minimum wage. But it wasn't always this way. Trucking used to be one of the best working-class jobs in the United States. The *Big Rig* explains how this massive degradation in the quality of work has occurred, and how companies achieve a compliant and dedicated workforce despite it. Drawing on more than 100 in-depth interviews and years of extensive observation, including six months training and working as a long-haul trucker, Viscelli explains in detail how labor is recruited, trained, and used in the industry. He then shows how inexperienced workers are convinced to lease a truck and to work as independent contractors. He explains how deregulation and collective action by employers transformed trucking's labor markets--once dominated by the largest and most powerful union in US history--into an important example of the costs of contemporary labor markets for workers and the general public.
