

Big Small

Gail Lerner

The small BIG Steve J. Martin,Noah Goldstein,Robert Cialdini,2014-09-09 At some point today you will have to influence or persuade someone - your boss, a co-worker, a customer, client, spouse, your kids, or even your friends. What is the smallest change you can make to your request, proposal or situation that will lead to the biggest difference in the outcome? In The small BIG, three heavyweights from the world of persuasion science and practice -- Steve Martin, Noah Goldstein and Robert Cialdini -- describe how, in today's information overloaded and stimulation saturated world, increasingly it is the small changes that you make that lead to the biggest differences. In the last few years more and more research - from fields such as neuroscience, cognitive psychology, social psychology, and behavioral economics - has helped to uncover an even greater understanding of how influence, persuasion and behavior change happens. Increasingly we are learning that it is not information per se that leads people to make decisions, but the context in which that information is presented. Drawing from extensive research in the new science of persuasion, the authors present lots of small changes (over 50 in fact) that can bring about momentous shifts in results. It turns out that anyone can significantly increase his or her ability to influence and persuade others, not by informing or educating people into change but instead by simply making small shifts in approach that link to deeply felt human motivations.

Big Dreams, Small Fish Paula Cohen,2022-03 In the new country, Shirley and her family all have big dreams. Take the family store: Shirley has great ideas about how to make it more modern! Prettier! More profitable! She even thinks she can sell the one specialty no one seems to want to try: Mama's homemade gefilte fish. But her parents think she's too young to help. And anyway they didn't come to America for their little girl to work. Go play with the cat! they urge. This doesn't stop Shirley's ideas, of course. And one day, when the rest of the family has to rush out leaving her in the store with sleepy Mrs. Gottlieb...Shirley seizes her chance!

A Small Thing . . . But Big Tony Johnston,2016-10-18 Lizzie meets an elderly man and his companion Cecile at the park, but Lizzie's afraid of dogs, so she relies on her new friend to help her take things one step at a time.

Big and Small Barefoot Books,2019-09-01 This beautiful board book introduces first vocabulary about nature with appealing, textured illustrations that compare the itty-bitty things we see in nature, like acorns and raindrops, with great big wonders like trees and rainbows.

Big and Small Elizabeth Bennett,2014 Big and Small head out to play. They climb a hill and cross a stream, but with each new adventure, Small finds himself in trouble. Each time Small asks Bear for a little help, please! When they return home, it is Big who needs help from Small for something very important!

Apartment Therapy's Big Book of Small, Cool Spaces Maxwell Ryan,2011-11-08 Whether you inhabit a studio or a sprawling house with one challenging space, Maxwell Gillingham-Ryan, co-founder of the most popular interior design website, Apartment Therapy, will help you transform tiny into totally fabulous. According to Maxwell, size constraints can actually unlock your design creativity and allow you to focus on what's essential. In this vibrant book, he shares forty small, cool spaces that will change your thinking forever. These apartments and houses demonstrate hundreds of inventive solutions for creating more space in your home, and for making it more comfortable. Leading us through entrances, living rooms, kitchens and dining rooms, bedrooms, home offices, and kids' rooms, Apartment Therapy's Big Book of Small, Cool Spaces is brimming with ingenious tips and ideas, such as: • Shifting the sense of scale through contrasting colors • Adding airiness by using transparent collections • Utilizing the area under a loft bed for a kitchen and mini-bar • Tucking an office with chic vintage doors into an unused bedroom corner In each dwelling Maxwell points out what makes the layout work and what adds style. Most of the "therapy" involves minor tweaks that can be accomplished on a limited budget, such as dividing a room with sheer curtains, turning a door into a desk, or disguising electrical boxes with art displays. An extensive resource guide, including Maxwell's favorite websites for buying desks, open storage solutions, and much more, will help you turn even the tiniest residence into a place you are always happy to come home to.

Little Friends: Big and Small Roger Priddy,2015-01-06 Priddy Books big ideas for little people.

When People Are Big and God Is Small Edward T. Welch,2023-06-11 Overly concerned about what people think of you? Edward T. Welch uncovers the spiritual dimension of people-pleasing—what the Bible calls fear of man—and points the way through a true knowledge of God, ourselves, and others.

Starting Small and Making It Big Bill Cummings,

Marta! Big & Small Jen Arena,2016-08-23 ¡Hola, Marta!Marta is una niña, an ordinary girl... with some extraordinary animal friends!As Marta explores the jungle, she knows she's bigger than a bug, smaller than an elephant, and faster than a turtle. But then she meets the snake, who thinks Marta is sabrosa - tasty, very tasty! But Marta is ingeniosa, a very clever girl, and she outsmarts the snake with hilarious results.With simple Spanish and a glossary at the end, this fun read-aloud picture book teaches little ones to identify opposites and animals and learn new words.

Big and Small and In-Between Carter Higgins,2022-04-12 You Are (Not) Small meets The Quiet Book in this beautiful compilation of all the little things that make up our big world. This wide, wonderful world contains many things. Some things are as big as a family of bears; some are as small as a reflection in a puddle. Some things are felt rather than seen. In between it all is . . . you. What kinds of things will you collect? This lovely, lyrical book collects the world by size. Divided into three chapters with three specially paper-engineered separations, every page encapsulates one precious moment that perfectly represents both a size and an experience. Beloved author Carter Higgins's poignant, poetic text and Daniel Miyares's incandescent illustrations capture a whole new way of seeing the world in this beautiful, giftable meditation on what it means to be a kid—and what it means to be a human. A GIFT FOR ALL: This book expresses a genuine love for the world in a sincere, observant way. The author's imagination and the illustrator's keen eyes make it a perfect choice for anyone seeking a gorgeous gift that celebrates the wonder of our world, whether between parents and kids, between grandparents and grandchildren, or even between friends. SPECIAL CONCEPT: Every child learns about size, usually through nonfiction. This book makes the concept of size personal and emotional, something that changes how you feel in any given situation. CLASSIC LITERATURE: Fans of A Hole is to Dig or A Tree is Nice will recognize the inspiration of classic literature and the timeless quality of this special text. THOUGHT-PROVOKING IDEA: This book will change the way every kid encounters the world. Is their room smaller than their parents' or bigger than a mouse's? Is a rock a big hill for an ant or a small pebble for a bear? The mix of poetic and practical in this text makes every life experience worth investigating both from far away and with a microscope. BELOVED AUTHOR: Carter Higgins is the author of many favorite books for kids, including the bestseller Everything You Need for a Treehouse, illustrated by Emily Hughes; Circle Under Berry, which she illustrated herself; and Audrey L and Audrey W, a chapter book series. Perfect for: • Fans of Ruth Krauss • Fans of Margaret Wise Brown • Fans of classic children's literature • Educators looking for a new way to teach the concept of size • Parents and grandparents

The Big Dreams of Small Creatures Gail Lerner,2024-01-23 From Black-ish writer and director Gail Lerner comes a whimsical and heartwarming tale where two unlikely allies band together to protect and defend the insect world from the worst enemy of all...humans. Now in paperback. "What an enchanting and wondrous book for young readers." —Jamie Lee Curtis, actress and bestselling children's book author Ten-year-old Eden's quiet life is upended when she saves a paper wasp nest from destruction and discovers, to her awe and amazement, that she and its haughty queen can talk to each other. This first conversation is the start of a grand adventure, leading Eden to The Institute for Lower Learning, a secret laboratory devoted to the peaceful coexistence of humans and insects. The Institute is more fantastic and idyllic than Eden could've imagined but hidden deep within its tunnels is an old secret that could spell the end for all insects on earth. Nine-year-old August, an aspiring actor and bullied fourth-grader, is looking for that very secret after a few disastrous encounters have left him wanting to squash every annoying bug into oblivion. After all insects are small—he is big. And if there is anything he's learned from the bullies at school—it's that being bigger is what counts. But in the world of the Institute where insects have a place of their own, both Eden and August discover being bigger isn't necessarily better and sometimes the most courageous thing to do is to set out to make a new friend.

Big and Small Sian Smith,2014-09-11 With engaging photos and patterned text, books in this series are perfect for introducing emergent readers to the topic of opposites. In Big and Small readers are shown fun and familiar examples of big and small things and quized on their ability to identify

things that are big or small. A focus on high-frequency and decodeable words and strong photo-to-text matching makes this a perfect book for early readers to enjoy.

Paul, Big, and Small David Glen Robb,2019 Paul, a talented rock climber despite his very short stature, becomes friends with six-foot-tall Lily and Hawaiian newcomer Big to navigate the high school halls filled with bullies.

Big and Small Lynne Vallone,2017-11-07 A groundbreaking work that explores human size as a distinctive cultural marker in Western thought Author, scholar, and editor Lynne Vallone has an international reputation in the field of child studies. In this analytical tour-de-force, she explores bodily size difference—particularly unusual bodies, big and small—as an overlooked yet crucial marker that informs human identity and culture. Exploring miniaturism, gigantism, obesity, and the lived experiences of actual big and small people, Vallone boldly addresses the uncomfortable implications of using physical measures to judge normalcy, goodness, gender identity, and beauty. This wide-ranging work surveys the lives and contexts of both real and imagined persons with extraordinary bodies from the seventeenth century to the present day through close examinations of art, literature, folklore, and cultural practices, as well as scientific and pseudo-scientific discourses. Generously illustrated and written in a lively and accessible style, Vallone’s provocative study encourages readers to look with care at extraordinary bodies and the cultures that created, depicted, loved, and dominated them.

Big and Small Lisa Bullard,2006

Big, Small, Little Red Ball Emma Dodd,2001 Introducing preschoolers to opposites and colors has never been more hands-on fun. This surprise-packed book feature acetate pictures that change at the pull of a tab. In Big, Small, Little Red Ball, three animal friends follow a trail of opposites as they search for a favorite toy. (Bunny is sparkling clean, but pull the tab and he is definitely dirty.) With spry illustrations by a talented newcomer and humor that is just right for the preschool market, this interactive book is irresistible. Emma Dodd is the author-illustrator of many children's books, including Dog's Colorful Day.

Big Money Thinks Small Joel Tillinghast,2017-08-15 Market mistakes to avoid: “Written for investors at all levels...[a] practical, no-nonsense guide.”—Publishers Weekly One of Money Week’s Five Best Books of the Year Investors are tempted daily by misleading or incomplete information. They may make a lucky bet, realize a sizable profit, and find themselves full of confidence. Their next high-stakes gamble might backfire, not only hitting them in the balance sheet but also taking a mental and emotional toll. Even veteran investors can be caught off guard: a news item may suddenly cause havoc for an industry they’ve invested in; crowd mentality among fellow investors may skew the market; a CEO may turn out to be unprepared to effectively guide a company. How can one stay focused in such a volatile world? If you can’t trust your past successes to plan and predict, how can you avoid risky situations in the future? Patience and methodical planning will pay far greater dividends than flashy investments. In Big Money Thinks Small, veteran fund manager Joel Tillinghast shows investors how to avoid making these mistakes. He offers a set of simple but crucial steps to successful investing, including: · Know yourself, how you arrive at decisions, and how you might be susceptible to self-deception · Make decisions based on your own expertise, and do not invest in what you don’t understand · Select only trustworthy and capable colleagues and collaborators · Learn how to identify and avoid investments with inherent flaws · Always search for bargains, and never forget that the first responsibility of an investor is to identify mispriced stocks

Dream Big, Think Small Jeff Manion,2017-01-31 How do you build a life of significance? As pastor and writer Jeff Manion shares in Dream Big, Think Small, truly great lives are built on the foundation of a holy redundancy--a persistence and determination to move faithfully in the right direction. Dream Big, Think Small will provide: The plan for extraordinary living for ordinary life. Big dreams are achievable through steady progress over time. The motivation you need to stick with it for the long haul. The tools necessary for passionate longevity. You can faithfully lead, serve and love others over a lifetime without sacrificing your passion. So many believers want their lives to count, but they are impatient with the slow pace at which goodness grows. Many of us struggle to embrace the faithfulness required to show up day after day after day. In Dream Big, Think Small Manion helps to reveal the joy in the small, seemingly inconsequential actions you take every day. Ultimately, you will learn how small persistent steps lead to tremendous and lasting results. Filled with Manion's trademark inspiring stories and insightful biblical teaching, Dream Big, Think Small challenges you to explore the spiritual prescription of steady faithfulness. Following the principles of perseverance, intentionality, and discipline outlined in this book, you will see lasting and astonishing results in your spiritual health, within your marriage and family, in the quality of your work, and in a more authentic ability to honor God with your life.

Big Small Or Just One Wall Leibel Fajmland,2021-07 Come one, come all, to the Great Shul Fair! When the Great Shul Fair comes to town, children discover what makes each shul unique, and what makes all of them very much the same. Whether right around the corner, or halfway across the globe, a shul is always special!
