How I Met Bigfoot Trishia Long,2012-05-09 Have you ever wondered how Bigfoot could possibly exist without ever leaving any irrefutable proof? How I Met Bigfoot gives one possible explanation to this fantastic phenomenon. It all starts one summer morning with two brothers arguing over their video games. Their mother decides she has had enough, so she sends the boys outside to play telling them that the real world can be much more exciting than any video game. Yeah right! the boys think. But they soon find themselves caught up in a mystery where all the clues point to a mythical creature that couldnt possibly exist in the real world, outside of movies and video games that is.

The Dark Beast Cameron Johnson,2013-02 Stanley Davis was just an ordinary teenage boy. He spent his younger years heavily involved in Boy Scouts and baseball. However, while he was away at college he had an experience that would change his life forever. It was on a solo hike during his freshman year that he had a chance encounter with a large, hairy, ape-like creature that would forever alter his own existence. After this terrifying experience, Stan decided to dedicate his life to finding out exactly what he saw in an effort to prove the existence of the elusive Bigfoot or Sasquatch. Follow Stanley as he travels on an adventure in an attempt to unlock the secrets and prove the existence of the dark beast.

The Sasquatch Phenomenon John Kuykendall,2019-04-03 Some of you may have noticed that I am not a young man. Once upon a time I was. It is more than 35 years since I first encountered information about what is now known as Bigfoot, 30 years since I began to investigate the phenomenon, and about 29 years since I began a campaign to have it subjected to scientific exploration. On the face of it, this organization and this subject should be a perfect fit. I doubt that there exists any anomaly of as much potential scientific importance that has been so determinedly ignored by the world of science. I understand, however, that most of you are not likely to have paid any attention to it, so with apologies to those who have I am going to begin at the beginning. In British Columbia, where I grew up, stories about hairy forest giants, known there as sasquatch, have been widely publicized since the 1920s. I don't re- member a time when I was not aware of them, but like most city dwellers I considered them to be tall tales, and indeed to some extent they were.

Bigfoot Doesn't Square Dance Debbie Dadey, Marcia Thornton Jones, 1997 Mrs. Jepper's class is visiting Ruby Mountain to learn about nature, and along the way Eddie spots enormous tracks on the dirt trail. He's sure that the tracks belong to the square-dancing teacher--a large, hairy man resembling Bigfoot. Is he really the legendary beast?
