Me and My Bike Donato Cinicolo,2013-09-05 Around the world it is estimated that 130 million bicycles are sold every year, making the trusty bike our favourite mode of transport whether we are commuting to work or cycling for pleasure. Bikes come in all shapes and sizes, from the most basic, least expensive models to the most sophisticated sports cycles that can cost as much as a family car. But whether it was bought cheaply or cost a packet, people form a bond with their bikes that becomes a true affair of the heart. Donato Cinicolo

has sought out and photographed scores of bicycle lovers including the naturist stuntman who rides a ladies' racer dressed in nothing but fluorescent yellow shorts; the retired postman who rides a retired GPO delivery bike; the old lady who carries her enormous cat in the basket on her handlebars; and the penny farthing fan. From racing geeks to affectionate collectors, every one of Donato's pictures tells a story and, of course, every devoted bike rider has a story to tell.

Miles From Nowhere Barbara Savage, 1985-01-31 * A well-loved, classic tale of adventure * Read this and you'll find yourself recommending it to friends again and again This is the story of Barbara and Larry Savage's sometimes dangerous, often zany, but ultimately rewarding 23,000 miles global bicycle odyssey, which took them through 25 countries in two years. Miles From Nowhere is an adventure not to be missed! Along the way, these near-neophyte cyclists encountered warm-hearted strangers eager to share food and shelter, bicycle-hating drivers who shoved them off the road, various wild animals (including a roof ape and an attack camel), sacred cows, rock-throwing Egyptians, overprotective Thai policeman, motherly New Zealanders, meteorological disasters, bodily indignities, and great personal joys. The stress of traveling together constantly for two years tested and ultimately strengthened the young couple's relationship. As their trip ends you'll find yourself yearning for Barbara and Larry to

mount back up and keep pedaling. It's a story that makes you feel like you've grown right along with the author.
