Hollywood Surf and Beach Movies Thomas Lisanti,2015-05-07 Surfers loathed them, teenagers flocked to them, critics dismissed them, producers banked on them—surf and beach movies. Entries include credits, plot synopses, memorable lines, reviews and awards, and commentary from such as Aron Kincaid of The Girls on the Beach, Susan Hart of The Ghost in the Invisible Bikini, Peter Brown of Ride the Wild Surf, Chris Noel of Beach Ball, and Ed Garner of Beach Blanket Bingo. Biographies of actors and leading actresses who made their marks in the genre are included.

Drive-in Dream Girls Tom Lisanti,2015-05-07 During the 1960s, a bushel of B-movies were produced and aimed at the predominantly teenage drive-in movie audience. At first teens couldn't get enough of the bikini-clad beauties dancing on the beach or being wooed by Elvis Presley, but by 1966 young audiences became more interested in the mini-skirted, go-go boot wearing, independent-minded gals of spy spoofs, hot rod movies and biker flicks. Profiled herein are fifty sexy, young actresses that teenage girls envied and teenage boys desired including Quinn O'Hara, Melody Patterson, Hilarie Thompson, Donna Loren, Pat Priest, Meredith MacRae, Arlene Martel, Cynthia Pepper, and Beverly Washburn. Some like Sue Ane Langdon, Juliet Prowse, Marlyn Mason, and Carole Wells, appeared in major studio productions while others, such as Regina Carrol, Susan Hart, Angelique Pettyjohn and Suzie Kaye were relegated to drive-in movies only. Each biography contains a complete filmography. Some also include the actresses' candid comments and anecdotes about their films, the people they worked with, and their feelings about acting. A list of web sites that provide further information is also included.

Risky Business William D. Romanowski,2017-07-28 The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century. Rock music and its interaction with film is the subject of this significant book that re-examines and extends Serge Denisoff's pioneering observations of this relationship. Prior to Saturday Night Fever rock music had a limited role in the motion picture business. That movie's success, and the success of its soundtrack, began to change the silver screen. In 1983, with Flashdance, the situation drastically evolved and by 1984, ten soundtracks, many in the pop/rock genre, were certified platinum. Choosing which rock scores to discuss in this book was a challenging task. The authors made selections from seminal films such as The Graduate, Easy Rider, American Graffiti, Saturday Night Fever, Help!, and Dirty Dancing. However, many productions of the period are significant not because of their success, but because of their box office and record store failures. Risky Business chronicles the interaction of two major mediums of mass culture in the latter twentieth century. This book is essential for those interested in communications, popular culture, and social change.

Visions of Paradise Wheeler Winston Dixon, 2006-02-16 Depictions of sex, violence, and crime abound in many of today's movies, sometimes making it seem that the idyllic life has vanished—even from our imaginations. But as shown in this unique book, paradise has not always been lost. For many years, depictions of heaven, earthly paradises, and utopias were common in popular films. Illustrated throughout with intriguing, rare stills and organized to provide historical context, *Visions of Paradise* surveys a huge array of films that have offered us glimpses of life free from strife, devoid of pain and privation, and full of harmony. In films such as *Moana*, *White Shadows in the South Seas*, *The Green Pastures*, *Heaven Can Wait*, *The Enchanted Forest*, *The Bishop's Wife*, *Carousel*, *Bikini Beach*, and *Elvira Madigan*, characters and the audience partake in a vision of personal freedom and safety—a zone of privilege and protection that transcends the demands of daily existence. Many of the films discussed are from the 1960s—perhaps the most Edenic decade in contemporary cinema, when everything seemed possible and radical change was taken for granted. As Dixon makes clear, however, these films have not disappeared with the dreams of a generation; they continue to resonate today, offering a tonic to the darker visions that have replaced them.

The Cinema of Stephanie Rothman Alicia Kozma, 2022-09-20 The rare woman director working in second-wave exploitation, Stephanie Rothman (b. 1936) directed seven successful feature films, served as the vice president of an independent film company, and was the first woman to win the Directors Guild of America's student filmmaking prize. Despite these career accomplishments, Rothman retired into relative obscurity. In *The Cinema of Stephanie Rothman: Radical Acts in Filmmaking*, author Alicia Kozma uses Rothman's career as an in-depth case study, intertwining historical, archival, industrial, and filmic analysis to grapple with the past, present, and future of women's filmmaking labor in Hollywood. Understanding second-wave exploitation filmmaking as a transitory space for the industrial development of contemporary Hollywood that also opened up opportunities for women practitioners, Kozma argues that understudied film production cycles provide untapped spaces for discovering women's directorial work. The professional career and filmography of Rothman exemplify this claim. Rothman also serves as an apt example for connecting the structure of film histories to the persistent strictures of rhetorical language used to mark women filmmakers and their labor. Kozma traces these imbrications across historical archives. Adopting a diverse methodological approach, *The Cinema of Stephanie Rothman* shines a needed spotlight on the problems and successes of the memorialization of women's directorial labor, connecting historical and contemporary patterns of gendered labor disparity in the film industry. This book is simultaneously the first in-depth scholarly consideration of Rothman, the debut of the most substantive archival materials collected on Rothman, and a feminist political intervention into the construction of film histories.

American International Pictures Rob Craig, 2019-02-15 American International Pictures was in many ways the missing link between big-budget Hollywood studios, poverty-row B-movie factories and low-rent exploitation movie distributors. AIP first targeted teen audiences with science fiction, horror and fantasy, but soon grew to encompass many genres and demographics—at times, it was indistinguishable from many of the major studios. From Abby to Zontar, this filmography lists more than 800 feature films, television series and TV specials by AIP and its partners and subsidiaries. Special attention is given to American International Television (the TV arm of AIP) and an appendix lists the complete AITV catalog. The author also discusses films produced by founders James H. Nicholson and Samuel Z. Arkoff after they left the company.

Elvis Films FAQ Paul Simpson, 2013-10-01 (FAQ). If Elvis Presley had not wanted to be a movie star, he would never have single-handedly revolutionized popular culture. Yet this aspect of his phenomenal career has been much maligned and misunderstood partly because the King himself once referred to his 33 movies as a rut he had got stuck in just off Hollywood Boulevard. *Elvis Films FAQ* explores his best and worst moments as an actor, analyzes the bizarre autobiographical detail that runs through so many of his films, and reflects on what it must be like to be idolized by millions around the world yet have to make a living singing about dogs, chambers of commerce, and fatally naive shrimps. Elvis's Hollywood years are full of mystery, and *Elvis Films FAQ* covers them all! Which of his own movies did he actually like? What films did he wish he could have made? Why didn't he have an acting coach? When will Quentin Tarantino stop alluding to him in his movies? And was Clambake really the catalyst for his marriage to Priscilla? *Elvis Films FAQ* explains everything you want to know about the whys and wherefores of the singer-actor's bizarre celluloid odyssey; or, as Elvis said, I saw the movie and I was the hero of the movie.
