Jaws Peter Benchley, 2017-09-07 A special edition of *Jaws* by Peter Benchley reissued with a bright retro design to celebrate Pan's 70th anniversary. It was just another day in the life of a small Atlantic resort until the terror from the deep came to prey on unwary holiday makers. The first sign of trouble - a warning of what was to come - took the form of a young woman's body, or what was left of it, washed up on the long, white stretch of beach . . . A summer of terror had begun. Peter Benchley's *Jaws* first appeared in 1974. It has sold over twenty million copies around the world, creating a legend that refuses to die - it's never safe to go back in the water . . .

One Extraordinary Life Mike Osthimer, 2013-07-12 At 17, Danielle Marie Gould died in a tragic car accident. She was gone instantly, but when firefighters arrived on scene, they saw something written on Danielle's hand that would stop them in their tracks and start a chain reaction of faith and healing that no one could anticipate after such a tragic loss. Grief over the death of a loved one can be an almost unbearable experience, especially when it involves the loss of a child. In *One Extraordinary Life*, Pastor Mike Osthimer presents the lives of two young girls who died just two months apart, tragedies that tested the faith of the families involved and the church family, itself. Osthimer uses his own research on grief and his experiences counseling grief-stricken people to try to bring hope to what seems like a hopeless situation. In *One Extraordinary Life*, you will meet Danielle Gould and learn how she lived, who she loved, and discover the legacy she left for the world.

Discourse 2.0 Deborah Tannen, Anna Marie

Trester, 2013-03-12 Our everyday lives are increasingly being lived through electronic media, which are changing our interactions and our communications in ways that we are only beginning to understand. In *Discourse 2.0: Language and New Media*, editors Deborah Tannen and Anna Marie Trester team up with top scholars in the field to shed light on the ways language is being used in, and shaped by, these new media contexts. Topics explored include: how Web 2.0 can be conceptualized and theorized; the role of English on the worldwide web; how use of social media such as Facebook and texting shape communication with family and friends; electronic discourse and assessment in educational and other settings; multimodality and the participatory spectacle in Web 2.0; asynchronicity and turn-taking; ways that we engage with technology including reading on-screen and on paper; and how all of these processes interplay with meaning-making. Students, professionals, and individuals will discover that *Discourse 2.0* offers a rich source of insight into these new forms of discourse that are pervasive in our lives.

Andre de Dienes André De Dienes,2005 During 1945 Andre de Dienes (1913-1985) photographed a young model named Norma Jean. His subsequent five-year working relationship with the woman who became Marilyn Monroe is the beginning of de Dienes's career in Hollywood. He photographed celebrities, and his documentary work took him from Muscle Beach in Venice to sharecroppers working the cotton fields of the deep South. But his first love in photography was the female nude, and in his lifetime he photographed and published thousands of these pictures. Selected from the archives of his estate are seventy-five of the finest images printed by the artist. Reproduced actual size these prints are a time capsule of half-century old interpretations of female beauty.

The Year-Round Hoophouse Pam Dawling,2018-11-13 Design and build a hoophouse or polytunnel, and grow abundant produce year-round in any climate The Year-Round Hoophouse is the comprehensive guide to designing and building a hoophouse and making a success of growing abundant, delicious fresh produce all year, whatever your climate and land size. Chapters include: Hoophouse siting, size, style, frame construction, and tools Bed layout, soil, crop rotations, and extensive coverage of various crops for all seasons Organic solutions to pests and diseases Disaster preparation Tested resources for each chapter. The Year-Round Hoophouse is ideal for farmers who wish to move into protected growing, as well as beginning farmers in rural and urban spaces. It is an essential reference resource for professors and students of courses in sustainable agriculture, as well as interns and apprentices learning on the job. Growing in hoophouses - also known as high tunnels or polytunnels - reduces the impact of an increasingly unpredictable climate on crops, mitigates soil erosion, extends the growing season, keeps leafy greens alive through the winter, and enables growers to supply more regional food needs.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Blues Who's who Sheldon Harris, 1979 Rarely has a book received such unanimous praise as the Blue's Who's Who. Eighteen years of research and writing, most of it done by Sheldon Harris alone, have produced a reference book that has been accepted in the U.S., England, and Europe, as truly indispensable for anyone seriously interested in the history of country, city, folk, and rock blues. Covering all eras and styles, it features detailed biographies of 571 blues artists, 450 photographs, and hundreds of pages of carefully researched facts.

The Princess Diarist Carrie Fisher, 2016-11-22 This last book from beloved Hollywood icon Carrie Fisher is the crown jewel of ideal Star Wars gifts. The Princess Diarist is an intimate, hilarious, and revealing recollection of what happened behind the scenes on one of the most famous film sets of all time. When Carrie Fisher discovered the journals she kept during the filming of the first Star Wars movie, she was astonished to see what they had preserved—plaintive love poems, unbridled musings with youthful naiveté, and a vulnerability that she barely recognized. Before her passing, her fame as an author, actress, and pop-culture icon was indisputable, but in 1977, Carrie Fisher was just a teenager with an all-consuming crush on her costar, Harrison Ford. With these excerpts from her handwritten notebooks, *The Princess Diarist* is Fisher's intimate and revealing recollection of what happened on one of the most famous film sets of all time—and what developed behind the scenes. Fisher also ponders the joys and insanity of celebrity, and the absurdity of a life spawned by Hollywood royalty, only to be surpassed by her own outer-space royalty. Laugh-out-loud hilarious and endlessly quotable, *The Princess Diarist* brims with the candor and introspection of a diary while offering shrewd insight into one of Hollywood's most beloved stars.
