Far Journeys Robert A. Monroe,2014-11-12 The sequel to Monroe's Journey Out Of The Body is an amazing parapsychological odyssey that reflects a decade of research into the psychic realm beyond the known dimensions of physical reality.

Tallulah! Joel Lobenthal,2009-10-13 Outrageous, outspoken, and uninhibited, Tallulah Bankhead was an actress known as much for her vices -- cocaine, alcohol, hysterical tirades, and scandalous affairs with both men and women -- as she was for her winning performances on stage. In 1917, a fifteen-year-old Bankhead boldly left her established Alabama political family and fled to New York City to sate her relentless need for attention and become a star. Five years later, she crossed the Atlantic, immediately taking her place as a fixture in British society and the most popular actress in London's West End. By the time she returned to America in the 1930s, she was infamous for throwing marathon parties, bedding her favorite costars, and neglecting to keep her escapades a secret from the press. At times, her notoriety distracted her audience from her formidable talent and achievements on stage and dampened the critical re-sponse to her work. As Bankhead herself put it, they like me to 'Tallulah,' you know -- dance and sing and romp and fluff my hair and play reckless parts. Still, her reputation as a wild, witty, over-the-top leading lady persisted until the end of her life at the age of sixty-six. From her friendships with such entertainment luminaries as Tennessee Williams, Estelle Winwood, Billie Holiday, Noël Coward, and Marlene Dietrich, to the intimate details of her family relationships and her string of doomed romances, Joel Lobenthal has captured the private essence of the most public star during theater's golden age. Larger-than-life as she was, friends saw through Bankhead's veneer of humor and high times to the heart of a woman who often felt second-best in her father's eyes, who longed for the children she was unable to bear, and who forced herself into the spotlight to hide her deep-seated insecurities. Drawn from scores of exclusive interviews, as well as previously untapped information from Scotland Yard and the FBI, this is the essential biography of Tallulah Bankhead. Having spent twenty-five years researching Bankhead's life, Joel Lobenthal tells her unadulterated story, as told to him by her closest friends, enemies, lovers, and employees. Several have broken decadelong silences; many have given Lobenthal their final interviews. The result is the story of a woman more complex, more shocking, and yet more nuanced than her notorious legend suggests.

The Meaning of Life Marc Mauer,Ashley Nellis,2018-12-11 I can think of no authors more qualified to research the complex impact of life sentences than Marc Mauer and Ashley Nellis. They have the expertise to track down the information that all citizens need to know and the skills to translate that research into accessible and powerful prose. —Heather Ann Thompson, author of the Pulitzer Prize-winning Blood in the Water From the author of the classic Race to Incarcerate, a forceful and necessary argument for eliminating life sentences, including profiles of six people directly impacted by life sentences by formerly incarcerated author Kerry Myers Most Western democracies have few or no people serving life sentences, yet here in the United States more than 200,000 people are sentenced to such prison terms. Marc Mauer and Ashley Nellis of The Sentencing Project argue that there is no practical or moral justification for a sentence longer than twenty years. Harsher sentences have been shown to have little effect on crime rates, since people age out of crime—meaning that we're spending a fortune on geriatric care for older prisoners who pose little threat to public safety. Extreme punishment for serious crime also has an inflationary effect on sentences across the spectrum, helping to account for severe mandatory minimums and other harsh punishments. A thoughtful and stirring call to action, The Meaning of Life also features moving profiles of a half dozen people affected by life sentences, written by former lifer and award-winning writer Kerry Myers. The book will tie in to a campaign spearheaded by The Sentencing Project and offers a much-needed road map to a more humane criminal justice system.

From Problems to Profits Madeline Bright Ogle,1997

The Savage Gentleman Philip Wylie,2009-05-01

Into the Maelstrom David Drake,John Lambshead,2015-02-16 ENTRY #2 IN CITIZEN SERIES, SEQUEL TO INTO THE HINTERLANDS. Science fiction adventure on the frontier realms of empire written by biological scientist Dr. John Lambshead and nationally best-selling David Drake. THE RIGHT MAN FOR A VERY BAD JOB The Cutter Stream colonies were at peace. If everybody behaved reasonably, that peace could last a thousand years. Allen Allenson had known war; it had made him peaceful and reasonable. He was far too experienced to believe the same was true of all his fellow colonists, however, let alone the government of the distant homeworld across the Bight. War was coming, a war that the colonies had to win if they were ever to be more than prison camps and a dumping ground for incompetent noblemen. The experience that had caused Allenson to hate war made him the only man who could lead the colonial army. Allenson knew that he wasn't really a general, but he understood his fellow colonists better than any homeworld general could. He would free the Cutter Stream, or he would die trying. What Allen Allenson would not do, what he would never do, was quit. At the publisher's request, this title is sold without DRM (Digital Rights Managment). About Into the Maelstrom: [The authors] neatly adapt real history to a science fiction framework in the second novel of the Citizen trilogy . . . Drake and Lambshead are telling the story of George Washington as a space opera. . . . [I]ngeniously structured retelling. _ Publishers Weekly About Into the Hinterlands: _ Drake and Lambshead combine politics, military expeditions, and deep-space exploration into an intriguing tale Recommended for all SF collections. _ Booklist About David Drake [s RCN series: _ [R]ousing old-fashioned space opera. _ Publishers Weekly on the _ RCN _ series. _ The fun is in the telling, and Mr. Drake has a strong voice. I want more! _ Philadelphia Weekly Press _ [S]pace opera is alive and well. This series is getting better as the author goes along character development combined with first-rate action and memorable world designs. _ SFReader.com About David Drake: _ [P]rose as cold and hard s the metal alloy of a tank rivals Crane and Remarque _ Chicago Sun-Times _ Drake couldn't write a bad action scene at gunpoint. _ Booklist

Know Doubt John Ortberg,2009-12-21 Ortberg demonstrates how doubt is very much a part of faith and how uncertainty can lead to trust. The beliefs that really matter, he writes, are the ones that guide our behavior. We cannot hope without faith, and so we must not hope for something but someone--Jesus Christ.

My Brother, Ernest Hemingway Leicester Hemingway,2016-03-28 My Brother, Ernest Hemingway was the only biography Ernest knew about, and he was pleased with it—although he asked his brother to postpone publication while he was still alive. First published in 1962, Leicester’s biography provides a revealing and intimate portrait of one of the great writers of our century. Ernest Hemingway was a legend in his own time, whose life was as dramatic as any of the characters in his novels and short stories. He won both the Nobel and the Pulitzer prizes for literature, and the literary style he created has been imitated but never matched. Leicester was the archetypal kid brother, 16 years younger than the great man, whom he adored and in whose footsteps he followed, becoming a respected writer, sharing his brother’s love for high risk and adventure, and, when his health failed, choosing to end his own life as Ernest had done. In this poignant biography, Leicester has given us insight into his world-renowned brother’s life and career as no one else could. His reminiscences allow us to better understand what prompted so many of the familiar Hemingway responses, and the experiences from which he derived material for his novels and stories.

Reviewing **Billclip Bill Reminder And Organizer**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Billclip Bill Reminder And Organizer. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Billclip Bill Reminder And Organizer, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Billclip Bill Reminder And Organizer has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
