Astral Projection and Lucid Dreaming Theodore Garcia, 2021-01-18 Astral projection, sometimes called astral travel, is an intentional out of body experience (OBE.) Those who engage in astral projection believe in the existence of a soul or a sense of consciousness that is separate from the physical body, which is referred to as the astral body. This astral body is capable of traveling outside of, or away from, the physical body, which is how astral projection or astral travel is achieved. Once you know how to safely astral project, the experiences you are capable of having are phenomenal. Astral projection and travel can be used for everything from visiting other realms or visiting different areas of earth without physically going there, to performing energy work on yourself in a deeply spiritual way. Why Learn About Astral Travel? Experience lucid dreams Increase Concentration Aid in relaxation Increase positive thinking Leave you more open to possibilities Increased confidence Decrease the effect of fear Inside this book, you'll discover: The benefits of astral projection Its risks Proven techniques Visualization Tips for developing the right state of mind And so much more! Discover what you can accomplish with an out-of-body experience and explore the physics of the nonphysical world. Learn how to navigate the delicate balance of the mind, body, and spirit that's required to project. Astral Odyssey Carol Eby, 2002-03 Astral travel-what is it and how does it fit in our lives? Eby explains the differences and similarities between astral projection, out-of-body experiences (OBEs), ordinary dreams, creative inspiration, mental projection, and clairvoyance. With OBEs defined and placed in the context of consciousness continuum, these various states of awareness can provide entryways to alternate realities. Astral Odyssey guides us through the pathways of consciousness that lead to the invisible worlds around us, giving step-by-step procedures on how to do actual, voluntary, conscious astral projection. But Eby does more than just teach astral travel--she provides instructions for attaining all the necessary states of consciousness, tells how each may be used to derive valuable benefits in daily life, such as improved psychological balance, solutions to problems, increased creativity, and enhanced powers of extrasensory perception. Included are never-before-published examples of OBEs and an OBE diary that describes, in vivid detail, the sights, sounds, sensations, and thoughts associated with actual visits to the astral plane. We discover that astral travel allows a new perspective of both the universe and the role that human experience plays in it. With this first-hand knowledge of the existence of nonphysical worlds and their entities, physical life can become more meaningful, creative, and joyful!

Astral Projection for Beginners Monique Joiner Siedlak, 2016-05-25 Astral projection or astral travel is an out-of-body experience (OBE) which is achieved either in an awake state or by way of lucid dreaming or deep meditation. People have experienced astral projection often say that their spirit or astral body left their physical body and moved in another dimension which is known as the spirit world or astral plane. The concept of astral projection has been around and practiced for thousands of years. It dates back to ancient China. It is presently often associated with the New Age movement. Some people can astral project naturally. Others are afraid to remove their consciousness from the physical body and never learn to astral project. This book will explain techniques, benefits, and how to control your astral body.

ASTRAL PROJECTION Willa Mason, 2021-12-12 Have you ever had an Astral Projection on your body? Do you want to experience this kind of separation of body and spirit? Astral projection, also known as Astral Travel, refers to an Out of Body Experience (also known as OBE) in which the astral body leaves the physical body and goes to the astral plane. It may happen spontaneously as part of the sleep process or induced via lucid dreaming or intense meditation. Essentially, the notion of astral projection is based on the belief that there is an astral plane, which is one of the seven levels of existence and that people reside in the material world. The mythicized astral plane is said to be the abode of more than human angels and spirits, as well as souls on their route to their next life or last resting place. Astral projection is the individual's portal into the world of consciousness inquiry. If you wish to have an OBE (Out of Body Experience), it is a good idea to grasp all of the hazards that come with astral projection before you do it. Inside the book, you'll discover the following: how to exit while being aware and recalling your astral experience get your mind and body in shape for the experience Hypnosis and meditation being able to leave the body for the first time (what you could find) top Astral Projection Methods ...as well as much more!..... Scroll up and add Astral Projection by Willa Mason to your shopping basket!

Astral Travel Gavin Frost, Yvonne Frost, 1986-01-15 Learn how to experience controlled astral projection from the safety of your own home and infinitely expand your awareness of the cosmic realities. This practical guide teaches you how to differentiate between astral travel and conventional dreaming, and how you can learn to control your experiences. Included are complete instructions for astral dreaming, twilight zone astral travel, meditative-state-travel, travel in the spiritual realms, helping and healing with astral travel, and much more. You have already spontaneously astral traveled during sleep. Now, through following the step-by-step instructions in these pages, your trips can be directed instead of random, useful instead of pointless. The places you visit are limited only by your own desires.

Successful Astral Projection to the Space and Universe Sapphire, 2005-12-04 There are many definitions of Astral Projection. Some experts claimed that it is an Out of body experience as described OBE. And there are many methods to perform the skill. But none of them are easy and efficient enough to use, and not to mention the fact, They are confusing. And most of users can only get out of body experience (OBE) instead of a accurate Astral Projection. (That allow you to travel further to the space and universe. With OBE you are still on earth.) Sapphire has designed a detailed step by step, simple and effective way for you to visit the space and Universe for the beginners and also advanced techniques for the Masters. Sapphire has over 15 years of successful Astral Projection experiences to the universe. It is a fantastic book to read with real skills and real experiences and it is believed that this book could be the easiest and the greatest Astral Projection book ever published.
