Alfred Ballabene

Astral Projection and Lucid Dreaming Theodore Garcia,2021-01-18 Astral projection, sometimes called astral travel, is an intentional out of body experience (OBE.) Those who engage in astral projection believe in the existence of a soul or a sense of consciousness that is separate from the physical body, which is referred to as the astral body. This astral body is capable of traveling outside of, or away from, the physical body, which is how astral projection or astral travel is achieved. Once you know how to safely astral project, the experiences you are capable of having are phenomenal. Astral projection and travel can be used for everything from visiting other realms or visiting different areas of earth without physically going there, to performing energy work on yourself in a deeply spiritual way. Why Learn About Astral Travel? Experience lucid dreams Increase Concentration Aid in relaxation Increase positive thinking Leave you more open to possibilities Increased confidence Decrease the effect of fear Inside this book, you'll discover: The benefits of astral projection Its risks Proven techniques Visualization Tips for developing the right state of mind And so much more! Discover what you can accomplish with an out-of-body experience and explore the physics of the nonphysical world. Learn how to navigate the delicate balance of the mind, body, and spirit that's required to project. Now is your opportunity to have your questions answered and achieve a conscious out-of-body experience for yourself.

Astral Odyssey Carol Eby,2002-03 Astral travel-what is it and how does it fit in our lives? Eby explains the differences and similarities between astral projection, out-of-body experiences (OBEs), ordinary dreams, creative inspiration, mental projection, and clairvoyance. With OBEs defined and placed in the context of consciousness continuum, these various states of awareness can provide entryways to alternate realities. Astral Odyssey guides us through the pathways of consciousness that lead to the invisible worlds around us, giving step-by-step procedures on how to do actual, voluntary, conscious astral projection. But Eby does more than just teach astral travel--she provides instructions for attaining all the necessary states of consciousness, tells how each may be used to derive valuable benefits in daily life, such as improved psychological balance, solutions to problems, increased creativity, and enhanced powers of extrasensory perception. Included are never-before-published examples of OBEs and an OBE diary that describes, in vivid detail, the sights, sounds, sensations, and thoughts associated with actual visits to the astral plane. We discover that astral travel allows a new perspective of both the universe and the role that human experience plays in it. With this first-hand knowledge of the existence of nonphysical worlds and their entities, physical life can become more meaningful, creative, and joyful!

Astral Projection Willa Mason,2023-01-14 Have you ever had an Astral Projection on your body? Do you want to experience this kind of separation of body and spirit? Astral projection, also known as Astral Travel, refers to an Out of Body Experience (also known as OBE) in which the astral body leaves the physical body and goes to the astral plane. It may happen spontaneously as part of the sleep process or induced via lucid dreaming or intense meditation. Essentially, the notion of astral projection is based on the belief that there is an astral plane, which is one of the seven levels of existence and that people reside in the material world.

The mythicized astral plane is said to be the abode of more than human angels and spirits, as well as souls on their route to their next life or last resting place. Astral projection is the individual's portal into the world of consciousness inquiry. If you wish to have an OBE (Out of Body Experience), it is a good idea to grasp all of the hazards that come with astral projection before you do it. Inside the book, you'll discover the following: how to exit while being aware and recalling your astral experience get your mind and body in shape for the experience Hypnosis and meditation being able to leave the body for the first time (what you could find) top Astral Projection Methods ...as well as much more! Journeys Out of the Body Robert A. Monroe,2014-11-12 The definitive work on the extraordinary phenomenon of out-of-body experiences, by the founder of the internationally known Monroe Institute. Robert Monroe, a Virginia businessman, began to have experiences that drastically altered his life. Unpredictably, and without his willing it, Monroe found himself leaving his physical body to travel via a second body to locales far removed from the physical and spiritual realities of his life. He was inhabiting a place unbound by time or death. Praise for Journeys Out of the Body Monroe's account of his travels, Journeys Out of the Body, jam-packed with parasitic goblins and dead humans, astral sex, scary trips into mind-boggling other dimensions, and practical tips on how to get out of your body, all told with wry humor, quickly became a cult sensation with its publication in 1971, and has been through many printings. Whatever their 'real' explanation, Monroe's trips made for splendid reading. —Michael Hutchinson, author of Megabrain Robert Monroe's experiences are probably the most intriguing of any person's of our time, with the possible exception of Carlos Castaneda's. —Joseph Chilton Pierce, author of Magical Child This book is by a person who's clearly a sensible man and who's trying to tell it like it is. No ego trips. Just a solid citizen who's been 'out' a thousand times now and wants to pass his experiences to others. —The Last Whole Earth Catalog

Astral Travel Nicole Harrington,2015-09-21 For people who want an incredible level of control over their mind and body... For the first time, two books, Astral Projection by Nicole Harrington and Astral Projection by Joy Martel, are being offered in one collection. Discover how to tap into a new metaphysical realm with your body's inner power, and change your life forever. Description from Astral Projection by Nicole Harrington We have all heard stories about people who have mysteriously left their bodies and gone on journeys to faraway lands. Strangely these stories have not just appeared in modern times but have been occurring throughout history for thousands of years. People who have achieved Astral Projection often say that the experience resembled leaving their bodies and existing in a different dimension, often referred to as the Astral Plane. For years, I have studied historical texts in order to hone my techniques and skills in astral travel. There is no greater thrill than being able to hand this knowledge about astral projection down to those who are looking to achieve out of body experiences. These experiences can be life-changing, opening a person up to look at the world in a whole new light. Come and learn the secret techniques needed for these out of body

experiences in Astral Projection. Description of Astral Projection by Joy Martel Do you feel that you are not living up to your potential? Would you like to feel more connected with your body and your mind? Imagine how much better life would become if you could only unlock your true potential and harness the power that resides within you. As a young adult, I believed that no matter how hard I tried, how hard I applied myself--whether in work, school, or family life--I wasn't reaching my full potential. I felt that I could achieve so much more! The problem was I couldn't figure out how to unlock my true potential. It wasn't until I discovered astral projection and travel that life changed forever as a new world opened up to me, allowing me to tap into the mental and physical reserves I always knew I had. Over the years, I have helped others unlock their potential, to finally start living life on their own terms. By employing easy-to-learn strategies, anyone can discover the wonderful benefits of astral projection. And this book will show you how, finally helping you activate the extra potential you know you have.

Out-of-Body Experiences in the Etheric Body Alfred Ballabene,2018-10-23 Over all the world and in all cultures, the etheric body and the ether were known in the mystical or magical secret teachings. The term itself was put forth by the theosophists and refers to a subtle, energetic appearance of the human being, denser than the astral body. It is related to many phenomena of out-of-body experiences. This book is a thorough compilation of important topics regarding the etheric body - including OBEs and perception in the etheric body, silver cord, false awakening and more. Students of the topic will find valuable information here, including practical advices on out-of-body experiences in the etheric body.

Astral Projection for Beginners Monique Joiner Siedlak,2016-05-25 Astral projection or astral travel is an out-of-body experience (OBE) which is achieved either in an awake state or by way of lucid dreaming or deep meditation. People have experienced astral projection often say that their spirit or astral body left their physical body and moved in another dimension which is known as the spirit world or astral plane. The concept of astral projection has been around and practiced for thousands of years. It dates back to ancient China. It is presently often associated with the New Age movement. Some people can astral project naturally. Others are afraid to remove their consciousness from the physical body and never learn to astral project. This book will explain techniques, benefits, and how to control your astral body.
