The Bingo Queens of Oneida Mike Hoeft,2014-07-08 Before Indian casinos sprouted up around the country, a few enterprising tribes got their start in gambling by opening bingo parlors. A group of women on the Oneida Indian Reservation just outside Green Bay, Wisconsin, introduced bingo in 1976 simply to pay a few bills. Bingo not only paid the light bill at the struggling civic center but was soon financing vital health and housing services for tribal elderly and poor. While militant Indian activists often dominated national headlines in the 1970s, these church-going Oneida women were the unsung catalysts behind bingo's rising prominence as a sovereignty issue in the Oneida Nation. The bingo moms were just trying to take care of the kids in the community. The Bingo Queens of Oneida: How Two Moms Started Tribal Gaming tells the story through the eyes of Sandra Ninham and Alma Webster, the Oneida women who had the idea for a bingo operation run by the tribe to benefit the entire tribe. Bingo became the tribe's first moneymaker on a reservation where about half the population was living in poverty. Author Mike Hoeft traces the historical struggles of the Oneida—one of six nations of the Iroquois, or Haudenosaunee, confederacy—from their alliance with America during the Revolutionary War to their journey to Wisconsin. He also details the lives of inspirational tribal members who worked alongside Ninham and Webster, and also those who were positively affected by their efforts. The women-run bingo hall helped revitalize an indigenous culture on the brink of being lost. The Bingo Queens of Oneida is the story of not only how one game helped revive the Oneida economy but also how one game strengthened the Oneida community.

Mixed Plate Jo Koy,2021-03-23 A stunning, hilarious memoir from beloved comedian Jo Koy, “far and away one of the funniest people out there” (Chelsea Handler). *Mixed Plate* illuminates the burning drive and unique humor that make Jo Koy one of today’s most successful comedians. Includes never-before-seen photos. Well guys, here it is—my story. A funny, sad, at times pathetic but also kick-ass tale of how a half-Filipino, half-white kid whose mom thought (and still thinks) his career goal was to become a clown became a success. Not an overnight success, because that would have made for a really short read, but an All-American success who could give my immigrant mom the kind of life she hoped for when she came to this country, and my son the kind of life I wished I’d had as a kid. With all the details of what it felt like to get the doors closed in my face, to grind it out on the road with my arsenal of dick jokes, and how my career finally took off once I embraced the craziness of my family, which I always thought was uniquely Filipino but turns out is as universal as it gets. In this book, I’ll take you behind the mic, behind the curtain—OK, way behind it. From growing up with a mom who made me dance like Michael Jackson at the Knights of Columbus, to some real dark stuff, the stuff we don’t talk about often enough as immigrants. Mental health, poverty, drinking. And show you the path to my American Dream. Which was paved with a lot of failure, department store raffle tickets to win free color televisions, bad jokes, old VHS tapes, a motorcycle my mom probably still hates, the only college final I aced (wasn’t math), and getting my first laugh on stage. There’s photo evidence of it all here, too. In this book, I get serious about my funny. And I want to make you laugh a little while I do it. I’m like Hawaii’s favorite lunch—the mixed plate. Little bit of this, a little bit of that. My book *Mixed Plate* is too.

Born to Run Christopher McDougall,2010-12-09 A New York Times bestseller 'A sensation ... a rollicking tale well told' - The Times At the heart of *Born to Run* lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.
