James Bertrand Payne

Dictionary of World Biography Barry Jones,2022-11-30 Jones, Barry Owen (1932-). Australian politician, writer and lawyer, born in Geelong. Educated at Melbourne High School and Melbourne University, he was a public servant, high school teacher, television and radio performer, university lecturer and lawyer before serving as a Labor MP in the Victorian Parliament 1972–77 and the Australian House of Representatives 1977–98. He took a leading role in reviving the Australian film industry and abolishing the death penalty in Australia, and was the first politician to raise public awareness of global warming, the ‘post-industrial’ society, the IT revolution, biotechnology, the rise of ‘the Third Age’ and the need to preserve Antarctica as a wilderness. In the *Hawke Government, he was Minister for Science 1983–90, Prices and Consumer Affairs 1987, Small Business 1987–90 and Customs 1988–90. He became a member of the Executive Board of UNESCO, Paris 1991–95 and National President of the Australian Labor Party 1992–2000, 2005–06. He was Deputy Chairman of the Constitutional Convention 1998. His books include *Decades of Decision 1860– (1965)*, *Joseph II (1968)* and *Age of Apocalypse (1975)*, and he edited *The Penalty Is Death (1968, revised and expanded 2022)*. *Sleepers, Wake! Technology and the Future of Work* was published by Oxford University Press in 1982, became a bestseller and has been translated into Chinese, Japanese, Korean, Swedish and braille. The fourth edition was published in 1995. *Knowledge Courage Leadership: Insights & Reflections*, a collection of speeches and essays, appeared in 2016. He received a DSc in 1988 for his services to science and a DLitt in 1993 for his work on information theory. Elected FTSE (1992), FAHA (1993), FAA (1996) and FASSA (2003), he is the only person to have become a Fellow of four of Australia’s five learned Academies. Awarded an AO in 1993, named as one of Australia’s 100 ‘living national treasures’ in 1997, he was elected a Visiting Fellow Commoner of Trinity College, Cambridge in 1999. His autobiography, *A Thinking Reed*, was published in 2006 and *The Shock of Recognition*, about music and literature, in 2016. In 2014 he received an AC for services ‘as a leading intellectual in Australian public life’. *What Is to Be Done* was published by Scribe in 2020.

I’m Tim Maude, and I’m a Soldier Stephen E. Bower,2015-02-10 Lt. Gen. Tim Maude shares the distinction of being the highest ranking American soldier to lose his life in military action. But unlike Lesley J. McNair and Simon B. Buckner Jr., both lieutenant generals who died during World War II, the battle he died in was not one he expected. On Sept. 11, 2001, terrorists commandeered an American Airlines flight out of Dulles International Airport and crashed it into the southwest wall of the Pentagon, killing Maude and more than a hundred other military and civilian workers. Scores of other people were injured when the airliner ripped through the building at 530 miles per hour. At the time of his death, Maude served as the deputy chief of staff for personnel, the Army’s chief executor of personnel policy and manager of the various programs affecting the strength and moral well-being of America’s land forces. As one of only five members of the Army’s Adjutant General’s Corps to rise to the rank of lieutenant general, his story is one of triumph and celebration, and an abiding commitment to family, country, and service.

10 Excellent Reasons Not to Join the Military Elizabeth Weill-greenberg,2006-04-18 So you’re walking out of school and parked at the gate is a new, bright red Ford Mustang with a hulk of a man in the front seat. He’s sporting a razor cut and wraparound shades. Before you can pass he’s out of the car and blocking your path. “Mind if I take a minute”—he has you by the arm now—“to tell you about the great life in today’s Army and why you should seriously think about signing up?” The armed forces are having a tough time

attracting new recruits lately, in no small part due to the mess in Iraq. Young people are getting wise to the many excellent reasons not to join the U.S. Military, and this handy book brings them all together, combining accessible writing with hard facts and devastating personal testimony. Contributors with firsthand experience point out the dangers facing soldiers, describe the tricks used by recruiters, and emphasize that there really are other options, even in a sluggish economy. It's essential reading for anyone thinking of signing up.

Modern English Biography Frederic Boase,1892

A Political Biography of Arkadij Maslow, 1891-1941 Mario Kessler,2020-04-30 This book is a political biography of Arkadij Maksimovich Maslow (1891-1941), a German Communist politician and later a dissident and opponent to Stalin. Together with his political and common-law marriage partner, Ruth Fischer, Maslow briefly led the Communist Party of Germany, the KPD, and brought about its submission to Moscow. Afterwards Fischer and Maslow were removed from the KPD leadership in the fall of 1925 and expelled from the party a year later. Henceforth they both lived as communist outsiders—persecuted by both Hitler and Stalin. Maslow escaped to Cuba via France and Portugal and was murdered under dubious circumstances in Havana in November 1941. He died as a communist dissident committed to the cause of a radical-socialist labor movement that lay in ruins. Kessler considers Maslow's role in pivotal events such as the Bolshevik Revolution, in Soviet revolutionary parties and organizations, through to the rise of Stalinism and Cold War anti-communism. What results is a deep dive into the life of a key yet understudied figure in dissident communism.

Eisenhower: A Biography John Wukovits,2006-10-31 Publisher description

Air University Library Index to Military Periodicals ,1990

Robert E. Lee: A Biography Emory M. Thomas,1997-06-17 The best and most balanced of the Lee biographies.—New York Review of Books The life of Robert E. Lee is a story not of defeat but of triumph—triumph in clearing his family name, triumph in marrying properly, triumph over the mighty Mississippi in his work as an engineer, and triumph over all other military men to become the towering figure who commanded the Confederate army in the American Civil War. But late in life Lee confessed that he was always wanting something. In this probing and personal biography, Emory Thomas reveals more than the man himself did. Robert E. Lee has been, and continues to be, a symbol and hero in the American story. But in life, Thomas writes, Lee was both more and less than his legend. Here is the man behind the legend.
