Backlash Sarah Darer Littman,2015-04-28 In critically acclaimed author Sarah Darer Littman's gripping new novel what happens online doesn't always stay online . . . Lara just got told off on Facebook. She thought that Christian liked her, that he was finally going to ask her to his school's homecoming dance. It's been a long time since Lara's felt this bad, this depressed. She's worked really hard since starting high school to be happy and make new friends.Bree used to be BBFs with overweight, depressed Lara in middle school, but constantly listening to Lara's problems got to be too much. Bree's secretly glad that Christian's pointed out Lara's flaws to the world. Lara's not nearly as great as everyone thinks.After weeks of talking online, Lara thought she knew Christian, so what's with this sudden change? And where does he get off saying horrible things on her wall? Even worse - are they true?But no one realized just how far Christian's harsh comments would push Lara. Not even Bree. As online life collides with real life, the truth starts to come together and the backlash is even more devastating than anyone could have imagined.

Bird's Eye View Elinor Florence,2014-10-08 A Toronto Star Bestseller! Rose, a Canadian intelligence officer in Britain in World War II, struggles with conflicting feelings about the war and a superior's attention. Rose Jolliffe is an idealistic young woman living on a farm with her family in

Saskatchewan. After Canada declares war against Germany in World War II, she joins the British Women's Auxiliary Air Force as an aerial photographic interpreter. Working with intelligence officers at RAF Medmenham in England, Rose spies on the enemy from the sky, watching the war unfold through her magnifying glass. When her commanding officer, Gideon Fowler, sets his sights on Rose, both professionally and personally, her prospects look bright. But can he be trusted? As she becomes increasingly disillusioned by the destruction of war and Gideon's affections, tragedy strikes, and Rose's world falls apart. Rose struggles to rebuild her shattered life, and finds that victory ultimately lies within herself. Her path to maturity is a painful one, paralleled by the slow, agonizing progress of the war and Canada's emergence from Britain's shadow.

A Hero for WondLa Tony DiTerlizzi, 2013-07-09 Raised underground by a robot, twelve-year-old Eva Nine finally finds all she ever wanted in the human colony of New Attica, but something very bad is going on there and unless Eva and her friends stop it, it could mean the end of life on Orbona.

The Art of Screen Time Anya Kamenetz, 2020-07-14 Screens have become an essential part of modern childhood. This book will show you how to parent with them instead of against them.--Page 4 of cover

Happy Baby Stephen Elliott, 2005 Happy Baby is the story of Theo, once an orphan in the Chicago foster care system and now a grown man living in California. Theo, saturated with memories of abuse and heartache, and filled with the simple wish to understand more about himself, returns to Chicago to reconnect with an old girlfriend from his troubled youth. Told in reverse order, this edgy and powerful novel slowly and subtly turns mysterious, as we attempt to recognize the root of Theo's plight and the source for his quietly wavering humanity.

Charlie Weatherburn and the Flying Machine, 2011 The story about Charlie Weatherburn's schemes to design and build a flying machine.

Urban Smellscapes Victoria Henshaw, 2013-07-31 We see the city, we hear the city, but above all: we smell the city. Scent has unique qualities: ubiquity, persistence, and an unparalleled connection to memory, yet it has gone overlooked in discussions of sensory design. What scents shape the city? How does scent contribute to placemaking? How do we design smell environments in the city? Urban Smellscapes makes a notable contribution towards the growing body of literature on the senses and design by providing some answers to these questions and contributing towards the wider research agenda regarding how people sensually experience urban environments. It is the first of its kind in examining the role of smell specifically in contemporary experiences and perceptions of English towns

and cities, highlighting the perception of urban smells as inter-related with place perception, and describing odour's contribution towards overall sense of place. With case studies from factories, breweries, urban parks, and experimental smell environments in Manchester and Grasse, *Urban Smellscapes* identifies processes by which urban smell environments are managed and controlled, and gives designers and city managers tools to actively use smell in their work.

The Places I've Cried in Public Holly Bourne, 2019 A powerful, vital gut-punch - Laura Bates Funny and sad, this book urges girls to know their own worth - The Guardian Tackles abusive relationships with a compassionate and authentic voice - The I It looked like love. It felt like love. But this isn't a love story. Amelie fell hard for Reese. And she thought he loved her too. But she's starting to realise that real love isn't supposed to hurt like this. So now she's retracing their story, revisiting all the places he made her cry. Because if she works out what went wrong, perhaps she can finally learn how to get over him.

Boards of Appeal of EU Agencies Merijn Chamon, Annalisa Volpato, Mariolina Eliantonio, 2022 While the EU agencies that have been granted the power to adopt binding decisions are a diverse group, they at least share one feature: in all of them an organisationally separate administrative review body, i.e. a board of appeal, has been established. The review procedures before these boards must be exhausted before private parties can seize the EU courts and the boards therefore all fulfil a similar function: filtering cases before they end up before the courts and providing parties by expert-driven review. Sharing this common function as well as some common features, the boards of appeal of the different agencies remain heterogeneous in their set up and functioning. This raises a host of questions from both a theoretic and practical perspective which this volume analyses in depth: how do the boards function, which kind of review do they offer, and how should they be conceptualized in the EU's overall system of legal protection against administrative action? To answer these questions, the volume's first part presents a series of case studies, covering all the EU boards of appeal currently in existence, while a second part looks into the horizontal issues raised by the phenomenon of the boards of appeal.

The Tudors Timothy Venning, 2014-05-30 Continuing his exploration of the pathways of British history, Timothy Venning examines the turning points of the Tudor period, though he also strays over into the early Stuart period. As always, he discusses the crucial junctions at which History could easily have taken a different turn and analyses the possible and likely results. While necessarily speculative to a degree, the scenarios are all highly plausible and rooted in a firm understanding of actual events

and their context. In so doing, Timothy Venning gives the reader a clearer understanding of the factors at play and why things happened the way they did, as well as a tantalizing view of what might so easily have been different. ??Key scenarios discussed in this volume include: ??’ Did the pretenders Lambert Simnel and Perkin Warbeck ever have a realistic chance of a successful invasion/coup???’ If Henry Fitzroy, Henry VIII's illegitimate son, had not died young, might he have been a suitable King or at least Regent on the King's death? ??’ What if Edward VI had not died at 15 but reigned into the 1560s and 70s???’ How might the Spanish Armada have succeeded in landing an army in England, and with what likely outcome?

On Rereading Patricia Meyer Spacks, 2013-11-18 After retiring from a lifetime of teaching literature, Patricia Meyer Spacks embarked on a year-long project of rereading dozens of novels: childhood favorites, fiction first encountered in young adulthood and never before revisited, books frequently reread, canonical works of literature she was supposed to have liked but didn’t, guilty pleasures (books she oughtn’t to have liked but did), and stories reread for fun vs. those read for the classroom. On Rereading records the sometimes surprising, always fascinating, results of her personal experiment. Spacks addresses a number of intriguing questions raised by the purposeful act of rereading: Why do we reread novels when, in many instances, we can remember the plot? Why, for example, do some lovers of Jane Austen’s fiction reread her novels every year (or oftener)? Why do young children love to hear the same story read aloud every night at bedtime? And why, as adults, do we return to childhood favorites such as *The Hobbit*, *Alice in Wonderland*, and the *Harry Potter* novels? What pleasures does rereading bring? What psychological needs does it answer? What guilt does it induce when life is short and there are so many other things to do (and so many other books to read)? Rereading, Spacks discovers, helps us to make sense of ourselves. It brings us sharply in contact with how we, like the books we reread, have both changed and remained the same.

The Final Curtain Ray Comfort, 2018-08-01 How could any successful, famous person who is rolling in money and who is surrounded by adoring fans be depressed? Happiness comes from what happens to us, and if good things are happening, we should be happy. So why the depression? That is the question that they and we ask ourselves. Why? The World Health Organization says that 350,000,000 people suffer from depression. God provides answers as to why and how to stop this horrid trend We have been created to be social creatures, and knowing this can help us reach out to those suffering If you are suffering from depression or know someone who is, this book can help you find hope *Bonus Book included in the back From the Ledge From his bird's eye view, he peered into the foggy bay, as if his solution might be out there just beyond his sight. Why was he hesitating to take his life? All he had to do was lean forward from the railing and simply free fall into the treacherous depths below, yet he felt as compelled to stay as he did to jump. Will the bystander approaching him be able to address the man's true needs and talk him down? Would you be able to offer a ray of hope and some comfort to someone without any? Let this fictional encounter provide a way to reach those who walk on that ledge, needing the hope of God.

Utopia PR Adam Bender, 2021-02-22 Humor Book Winner in the 2021 IndieReader Discovery Awards A sci-fi satire about seeking work-life balance while doing public relations for an authoritarian president. PR extraordinaire Blake Hamner (the n is silent) put off his honeymoon for his big break: joining a major political campaign for president. Now, the Hammer struggles to make time for his marriage as Crisis Communications Manager for Our Leader, who since taking power has become increasingly mad and totalitarian. The Hammer starts to reconsider his career choices when one of Our Leader's savage steel hounds attacks the Comms team at a press conference. He'd love to talk about his erratic job with his wife, Triple-N news anchor Maria Worthington, but they have a rule: the broadcast journalist doesn't ask Blake for inside information about his work, and the spin doctor doesn't use their relationship as leverage on what Maria reports. They say you shouldn't keep things from each other in a marriage, but it's OK—the only secrets between Blake and Maria are professional. When a revolutionary levels grave allegations against Our Leader—and accuses Blake of distributing

disinformation and propaganda to cover it up—the PR rep who thought he could talk his way out of any crisis finds himself utterly trapped in a dystopian job. Praise for Utopia PR In a tale that's reminiscent of political farces such as the HBO TV series Veep, Bender employs a smooth, amusing, and straightforward prose style that's briskly paced ... Its tone is irreverent, and readers looking for a quick chuckle will likely enjoy Bender's winking comedy, which is punctuated with genuinely sweet, sincere moments. -- Kirkus Reviews Sharp and witty, the novel Utopia PR is a free range political send-up set in a chaotic, perplexing, and familiar future world. -- Foreword Reviews It is a fun and efficient book, but also scary: like all good fiction, it uses sarcasm to make readers think about the world outside. -- IndieReader A lighthearted, uplifting vision into the dark times we're facing. -- IndieMuse "Philadelphia writer Adam Bender's new novel Utopia PR, a political satire set in a dystopian Washington, DC, offers a brisk and entertaining sendup of politics and the media, two machines driven by capitalism and ambition." -- Broad Street Review A dystopian novel laced with intrigue, science fiction, romance and humor ... I recommend this book to fans of dystopia who would appreciate a comedic writing style and the underlying themes of marital challenges, finding your purpose, diversity and manipulation through social media. -- Reedsy Discovery For fans of humorous science fiction, political satire, speculative fiction and dystopia; authors like John Scalzi, Christopher Moore, Douglas Adams, Terry Pratchett, Kurt Vonnegut, Ray Bradbury, George Orwell, and Christopher Buckley; and books like: Catch-22, Thank You for Smoking, Slaughterhouse-Five, and The Hitchhiker's Guide to the Galaxy. Adam Bender is an award-winning journalist and author of speculative fiction that explores modern-day societal fears with a mix of action, romance and humor. He is the author of The Wanderer and the New West, Divided We Fall and We, The Watched.

Shaking Things Up: 14 Young Women Who Changed the World Susan Hood, 2023-01-17 "Each poem and illustration shines with a personality all its own." —Shelf Awareness (starred review) "This book has definitely made an impact on my life." —Kitt Shapiro, daughter of Eartha Kitt Fresh, accessible, and inspiring, Shaking Things Up introduces fourteen revolutionary young women—each paired with a noteworthy female artist—to the next generation of activists, trailblazers, and rabble-rousers. From the award-winning author of Ada's Violin and Lifeboat 12, Susan Hood, this is a poetic and visual celebration of persistent women throughout history. In this book of poems, you will find Mary Anning, who was just thirteen when she unearthed a prehistoric fossil. You'll meet Ruby Bridges, the brave six-year-old who helped end segregation in the South. And Maya Lin, who at twenty-one won a competition to create a war memorial, and then had to appear before Congress to defend her

right to create. And those are just a few of the young women included in this book. Readers will also hear about Molly Williams, Annette Kellerman, Nellie Bly, Pura Belpré, Frida Kahlo, Jacqueline and Eileen Nearne, Frances Moore Lappé, Mae Jemison, Angela Zhang, and Malala Yousafzai—all whose stories will enthrall and inspire. This poetry collection was written, illustrated, edited, and designed by women and includes an author's note, a timeline, and additional resources. With artwork by award-winning and bestselling artists including Selina Alko, Sophie Blackall, Lisa Brown, Hadley Hooper, Emily Winfield Martin, Oge Mora, Julie Morstad, Sara Palacios, LeUyen Pham, Erin Robinson, Isabel Roxas, Shadra Strickland, and Melissa Sweet.
